GRADUATION
EDITION

PROMOTION CEREMONIES

SENIOR SHOUTOUTS

We are so proud of all of our students who will be taking the next step in their education!

Keliana Cosek will be attending CSU Dominguez Hills on an athletic scholarship to play softball and Major in Business.

We will be holding a promotion ceremony for our Kindergarten and 8th Grade Promotion Students. Scan the QR Code to RSVP for the Virtual Ceremonies!

Jacob Moland will be working towards his goal of becoming a photographer and digital artist.

Peak Performance	3
What's New	4

Cooper Edwards will be attending Cal State Fullerton and Majoring in Business.

STAY IN THE GROOVE THIS SUMMER!

Tips from School Counselor
Ms. Nicole Lively

Have your children make a summer reading pledge. Scholastic summer reading challenge is a program that allows kids to track their reading hours!

Look into your local TV, radio station, or post office to see if they offer free or low-cost tours

Identify a local organization that provides short-term volunteer opportunities for the whole family.

Visit ParentSquare and sign up for our virtual and in person events we have planned for all Elite Families!

IN-PERSON FIELD TRIP PHOTOS!

Our recent in person field trips included a tour of the Chula Vista Olympic Training Center, as well as a visit to the Petersen Automotive Museum!

Check out ParentSquare to see what events we have planned for all Elite students this summer!

EAA'S FIRST HIGH SCHOOL PROM

Elite's first High School Prom was a big success! Students gathered at Hawk Ranch in Temecula for Dinner, Dancing, Dessert, and Photo Booth Fun! Thank you to our awesome staff for chaperoning and creating this memorable event for our students.

CELEBRATE THE CLASS OF 2022 WITH US!

EAA will be hosting it's second in-person graduation for our Class of 2022! While the graduation families will be joining in-person on June 14th, we will have a live stream for all of our Elite Families that would like to celebrate with us virtually! Scan the QR Code to the right to view the event on ParentSquare and gain access to the live stream link.

CREDIT RECOVERY/ACCELERATION

Beginning July 2022

Elite Academic Virtual Academy's Credit Recovery/Acceleration track utilizes the first learning period to provide high school students the opportunity to:

- Regain lost credits to ensure on-time high school graduation
- Pursue fields of interest within our Career Technical Education courses
- Accelerate their high school careers by getting ahead on credits with our A-G core & elective courses
- Develop strong social/emotional skills with our SEL courses

PEAK PERFORMANCE

Beginning July 2022

This High School program focuses on the whole child; specifically the connection between mind, body and top athletic performance.

Students who enroll in this state of the art program will:

- Improve mental strength on and off the field
- Participate in high-quality college recruiting-aligned benchmark testing to see where they rank athletically against his/her peers nationwide
- Learn Clear Pathways to College Scholarships

The EAA Peak Performance program believes in high-quality enrichment. Guest speakers, including college coaches, college recruiters, and professional athletes, will be present to guide and encourage students/families. Our exciting partnership with Whoop will provide real-life tracking of the physical and overall health of the athletes to help them learn how to increase overall performance.
