About Independent Study

Independent Study Policy

Elite Academic Academy (Charter School) shall offer independent study to meet the educational needs of pupils enrolled in the charter school. Independent study is an alternative education program designed to teach the knowledge and skills of the California core curriculum system. Elite Academic Academy shall provide appropriate services and resources to enable pupils to complete their independent studies successfully.

A school district or county office of education (or charter school) may not be eligible to receive apportionments for independent study by pupils unless it has adopted policies and has implemented those policies. The following written policies have been adopted by the Board for implementation at the Charter School:

1. For pupils in all grade levels offered by the Charter School, the maximum length of time that may elapse between the time an assignment is made and the date by which the pupil must complete the assigned work shall be thirty-five (35) school days.
2. An evaluation will be conducted to determine whether it is in the best interest of the pupil to remain in Independent Study if the pupil misses three (3) assignments and/or in the event the pupil's educational performance falls below satisfactory levels as determined by whether or not:
 - a. The pupil's achievement and engagement in the independent study program fulfill the standards indicated by the pupil's performance on applicable pupil level measures of pupil achievement and pupil engagement set forth in paragraphs (4) and (5) of subdivision (d) of Section 52060.
 - b. The pupil is completing assignments, assessments, or other indicators that serve as evidence that the pupil is working on assignments.
 - c. The pupil is learning required concepts, as determined by the supervising teacher.
 - d. The pupil is progressing toward successful completion of the course of study or individual course, as determined by the supervising teacher.

A written record of the aforementioned findings of any evaluation conducted pursuant to this policy shall be treated as a mandatory interim pupil record. This record shall be maintained for a period of three years from the date of the evaluation, and if the pupil transfers to another California public school, the record shall be forwarded to that school.

3. The Charter School will provide content to pupils aligned to grade-level standards that is equivalent to in-person instruction. For high school pupils, this includes access to all courses offered by the Charter School for graduation and approved by the University of California or the California State University as creditable under the A–G admissions criteria.
4. The Charter School will implement procedures for tiered re-engagement strategies for the following pupils:
 - a. All pupils who are not generating attendance for more than 10 percent of the required minimum instructional time over four continuous weeks of the Charter School’s approved instructional calendar.
 - b. All pupils found not participatory in synchronous instructional offerings for more than 50 percent of the scheduled times of synchronous instruction in a school month as applicable by grade span, or
 - c. All pupils who are in violation of the written agreement pursuant to Education Code Section 51747(g).
5. Tiered re-engagement strategies shall include local programs intended to address chronic absenteeism, as applicable, with at least all of the following:
 - a. Notification to parents or guardians of lack of participation within one (1) school day of the recording of a non-attendance day or lack of participation.
 - b. Creation of a plan for outreach from the school to determine pupil needs, including connection with health and social services as necessary.
 - c. Scheduling of a pupil-parent-educator conference (a meeting involving all individuals who signed the pupil’s written independent study agreement) to review the pupil’s written agreement and reconsider the independent study program’s impact on the pupil’s achievement and well-being, consistent with the policies adopted pursuant to paragraph (4) of subdivision (g) of Education Code Section 51747.
6. Based on each pupil’s grade level, the Charter School will offer synchronous instruction defined as classroom-style instruction or designated small group or one-on-one instruction delivered in person, or in the form of internet or telephonic communications, and involving live two-way communication between the teacher and pupil. Synchronous instruction shall be provided by the teacher or teachers of record for that pupil pursuant

to Section 51747.5. Opportunities for synchronous instruction and/or daily live interaction will be offered at least as frequently as set forth below:

- a. For pupils in transitional kindergarten through grade 3, inclusive, the school will offer pupils opportunities for daily synchronous instruction for all pupils throughout the school year.
- b. For pupils in grades 4 through 8, inclusive, the school will provide opportunities for both daily live interaction and at least weekly synchronous instruction for all pupils throughout the school year.
- c. For pupils in grades 9 through 12, inclusive, the school will provide opportunities for at least weekly synchronous instruction for all pupils throughout the school year.

“Live interaction” means interaction between the pupil and local educational agency classified or certificated staff, and may include peers, provided for the purpose of maintaining school connectedness, including, but not limited to, wellness checks, progress monitoring, provision of services, and instruction. This interaction may take place in person, or in the form of internet or telephonic communication.

The Charter School will document each pupil’s participation in live interaction and synchronous instruction on each school day for which these are provided as part of the independent study program. A pupil who does not participate in scheduled live interaction or synchronous instruction shall be documented as non-participatory for that school day for purposes of pupil participation reporting and tiered re-engagement.

7. In the event a family decides to return to in-person instruction, within five (5) instructional days, the school will provide the family with a transitional plan including, but not limited to, resources such as contact information for their school of residence, other classroom-based educational opportunities, and wellness support.
8. A requirement that a current written agreement (Master Agreement) for each independent study pupil shall be maintained on file including all legal requirements.

Attendance

Students must be engaging in and completing school work every day. The chart below shows the required minutes * per year for the various grade levels.

| Charter School | Required Days | Required Minutes |
|-----------------------------------|---------------|--|
| Applicable to all charter schools | 175 | Tk-K: 36,000 1-3: 50,400 4-8: 54,000 9-12: 64,800 |

Elite Educator (Teacher of Record)

At Elite Academic Academy, emotional and academic student success is our focus; therefore, building positive relationships is our priority. The first step to building a positive teacher student relationship is through an Elite Educator (who is a credentialed teacher). An Elite Educator offers a sense of community and belonging. This teacher will be with the Elite student throughout their experience with EAA to continuously support students, pass along general announcements, and work with parents to bridge student success. The Elite Educator will be the teacher of record who is responsible for maintaining all student records.

Master Agreement

A fully executed legally compliant written independent study agreement (Master Agreement) is required for each student prior to the student's attendance start date with EAA. This agreement shall be signed by the student, the parent/guardian/caregiver, the Elite Educator, and, the certificated employee designated as having responsibility for the special education programming of the student, if applicable. The agreement will list the student's courses and credits or other measures of academic accomplishment, the manner, time, frequency, and place for submitting the student's assignments, the objectives and methods of study, methods of evaluation, and specific resources, and the duration of the agreement. The Elite Educator will prepare this agreement prior to the student's first enrollment date with EAA and will send it out via email to the student and parent/guardian/caregiver for electronic signatures. Students must sign their own signature on the master agreement. We recommend the use of the electronic signature by all individuals.

Parent Involvement

Parent support* is vital in ensuring student success. The role of a parent at Elite Academic is as follows:

1. Respond to the school's communication in a timely manner.
2. Provide all required documentation for continued enrollment such as proof of residency.
3. Have students attend and complete all mandated school assessments.
4. Attend IEP/504 meetings (if applicable).
5. Provide any necessary documentation and information to the school in order to record attendance in accordance with applicable law. This includes signing the Learning Log documents promptly.

* See specific program for more details.

Communication

Communication is key for student success. Families, students, Elite Educators, counselors, administration, and school staff are expected to communicate frequently to ensure student academic, social, and emotional growth.

Contact Information

A valid and working email account and phone number is required for all parents. If a parent/guardian's email address, mailing address, IM address, or phone number changes, the information must be updated with the Admissions team. Please keep your Elite Educator informed of any changes in your contact information.

Academics

Academic Progress

Adequate academic progress is required each learning period and is determined by the quality and amount of work done in the student's courses. Adequate progress is determined by work toward learning period goals as developed by the student and Elite Educator.

If adequate academic progress is not being made, the Elite Educator will offer suggestions including but not limited to the following:

1. Weekly tutoring with their Elite Educator.
2. Tutoring through a community partner paid with students' educational funds. Tutoring can be virtual or in person.
3. Change of course or change of program placement (Elite Homeschool or Elite Virtual Academy).
4. Supplemental supports such as iReady, Aleks, Freckle, and/or Fast ForWord.

School Calendar

Please see the Elite Academic Academy Parent Portal for our up-to-date calendars and important resources to support your child: <https://www.eliteacademic.com/parent-portal/>

Course Grading Scale TK-5th

Report Cards are each given two times per academic school year, which is at the end of each semester. Grades are assigned in collaboration between the parent/legal guardian and the Elite Educator.

Students in grades TK-5 receive a 1-4 rating.

| | |
|---|-------------------------|
| 4 | Above Grade Level |
| 3 | At Grade Level |
| 2 | Approaching Grade Level |
| 1 | Below Grade Level |

Traditional report cards are meant to show parents how their students are doing. In a homeschool model, the parents know, so this is an opportunity to discuss progress towards grade level standards.

Course Grading Scale for Middle/High School

Student grades are determined by student performance on assessments (formal and informal), teacher-graded activities/assignments, auto-graded computerized assignments, participation, quizzes, exams, and projects. Cumulative grade point averages (GPA) are determined by course letter grades, honors, and AP courses. Elite Academic Academy's Grade Point Average scale is based on the College Board's scale (www.CollegeBoard.com). Many colleges will recalculate weighted GPA scores to unweighted GPA scores to ensure that when evaluating transcripts for college applications, candidates are being viewed from the same page before comparing or examining any AP or Honors courses the student took during their high school years (SparkAdmissions).

| Letter Grade | Percent Grade | Honors/AP Level GP | Standard Level GP |
|--------------|---------------|--------------------|-------------------|
| A+ | 97-100 | 5.3 | 4.0 |
| A | 93-96 | 5.0 | 4.0 |
| A- | 90-92 | 4.7 | 3.7 |
| B+ | 87-89 | 4.3 | 3.3 |
| B | 83-86 | 4.0 | 3.0 |
| B- | 80-82 | 3.7 | 2.7 |
| C+ | 77-79 | 3.3 | 2.3 |
| C | 73-76 | 3.0 | 2.0 |
| C- | 70-72 | 2.7 | 1.7 |
| D+ | 67-69 | 2.3 | 1.3 |
| D | 65-66 | 2.0 | 1.0 |
| E/F | Below 65 | 0.0 | 0.0 |

*High school students who have only finished half the coursework can earn 2.5 credits and the grade earned for the units completed.

Class Rank

Students' Class Rank is determined by the weighted GPA scale and is used to determine honors graduates, high honors, and National Honors Society determination, and used for college applications. Any grades that have been replaced by a higher grade from retaking a course will remain on the transcript but will not be calculated into the weighted total for class ranking.

Adding or Changing Courses

1. All course changes must be done within the first two weeks (10 school days)* of each semester.
2. Students or Parents/Guardians wanting to change a course in the middle of the semester must get permission from both the counselor and program administrator.
3. Students or Parents/Guardians wanting to change a course in the middle of the semester must present evidence of unsuccessful academic interventions (i.e tutoring, test retakes, etc.).
4. Students or Parents/Guardians wanting to add an extra course from what is being recommended will need to get permission from both the counselor and the program administrator.

* If a student changes a course, an addendum to the master agreement must be executed prior to or on the first day the student starts the new course.

Course Drop Procedures

Elite students are able to drop a course if the course drop request is submitted within three (3) days of the student's start date. This drop will not reflect on the student's transcript.

Course Withdrawal Procedures

Parents who wish to withdraw their student from an Elite course may do so up to the 10th day of the school session start date. The student's transcript may reflect one of the following:

1. If a gradebook item was submitted prior to the drop date, the student will receive a "W" on their transcript.
2. If a student withdraws after the 10th day of the course, students will receive a final grade that will be reflected on their transcript.
3. If a special circumstance determines the withdrawal, the administration will determine the approval of a "W" on the transcript.

Course Extensions for High School Students

Elite Academic Academy understands that there are times when a student may need additional time to complete the learning objectives of a course. Should a student need extra time in a course, a teacher of record will work with the student to request an extension from the Program Director. Extensions will need to be requested in writing via email to the Program Director at least eight weeks prior to the course end date (unless an extenuating circumstance occurs after that date, then it may be requested at the time of the circumstance). Extensions are reviewed and

approved or denied at the Director's discretion. Extensions may be granted in cases where the student has made acceptable progress in the course but has experienced an extenuating circumstance that will prohibit successful completion of the course.

Acceptable progress is defined as

- The student has actively participated in course activities up to the point of the extenuating circumstance.
- The student is current with all assignment submissions.
- The student has earned a grade of at least 65% (D) for work up to that point.

Course Extensions are limited to a three-business day extension for the student, per course, and will expire on 11:59 pm on the third day.

Extensions are not granted for lack of participation or failure to submit work on time by the student.

Academic and/or Attendance Problems and Concerns

To ensure successful and continuous enrollment at Elite Academic Academy, a student must keep scheduled appointments and complete all assignments by the due dates. Attendance and academic progress are measured by work completion and daily educational engagement.

The following are the criteria for what Elite Academic Academy defines as satisfactory educational progress of each pupil:

- The student's achievement and engagement in the independent study program, as indicated by the pupil's performance on applicable pupil level measures of pupil achievement and pupil engagement set forth in paragraphs (4) and (5) of subdivision (d) of Section 52060.
- The student is completing assignments, assessments, or other indicators that serve as evidence that the pupil is working on assignments.
- The student is learning required concepts, as determined by the supervising teacher.
- The student is progressing toward successful completion of the course of study or individual course, as determined by the supervising teacher.

Failing to adhere to the aforementioned academic standards will evoke the consequences outlined in the Independent Study Policy and including a placement review and possible withdrawal from the program.

The Charter School will implement procedures for tiered re-engagement strategies for the following pupils:

- a. All pupils who are not generating attendance for more than three (3) school days, or 60 percent of the instructional days in a school week, or 10 percent of the required minimum instructional time over four continuous weeks of the Charter School's approved instructional calendar.
- b. All pupils who are not participatory pursuant to Educational Code Section 51747.5 for more than the greater of three (3) school days or 60 percent of the scheduled days of synchronous instruction in a school month as applicable by grade span, or
- c. All pupils who are in violation of the written agreement pursuant to Education Code Section 51747(g).

These procedures shall include, but are not necessarily limited to, all of the following:

- a. Verification of current contact information for each enrolled pupil.
- b. Notification to parents or guardians of lack of participation within one (1) school day of the recording of a non-attendance day or lack of participation.
- c. Creation of a plan for outreach from the school to determine pupil needs, including connection with health and social services as necessary.
- d. Scheduling of a pupil-parent-educator conference (a meeting involving all individuals who signed the pupil's written independent study agreement) to review the pupil's written agreement and reconsider the independent study program's impact on the pupil's achievement and well-being, consistent with the policies adopted pursuant to paragraph(4) of subdivision (g) of Education Code Section 51747.

Plagiarism or Cheating

Academic integrity is one of the many values of Elite Academic Academy. Students are expected to display their own original thoughts and ideas in their work. If a student uses someone else's work or ideas, the reference must be accompanied by a specific citation identifying the original source(s). Citation formats differ according to courses. Please contact your instructor for citation and reference formats. All formal papers will be checked for plagiarism using the Turnitin program.

If an EAA student copies verbatim or paraphrases the ideas/works of another without reference, it is considered plagiarism. Below are some examples of what plagiarism, lack of academic integrity, and cheating can look like:

1. Copying answers from someone else's test or any other form of cheating on an examination.

2. Submitting an assignment that was used for another class, and not changing or enhancing the assignment.
3. Falsifying information on a document or assignment.
4. Providing another student with prior assignments for a course.

Participating in an online discussion thread, creating a presentation, essay, or any other form of an assignment, must be the original work of the student. Although students are encouraged to read, and research others' points of view, secondary sources, etc. they are to properly cite and document the source.

Consequences for Plagiarism/Cheating

If a student's work is in violation of academic integrity in any course during the student's enrollment at Elite Academic Academy, the following steps will be taken to address the violation.

| | |
|-----------------------|--|
| <p>First Offense</p> | <ul style="list-style-type: none"> ● Student may correct their mistake and redo the assignment within a one-week time span. ● Student's newly submitted assignment grade will be deducted by 20% due to the infraction. If the student does not redo the assignment, he/she will receive a zero on the assignment. ● A telephone conversation with parents, administrator, counselor, student, and teacher will be made upon first violation. ● A student may not redo the assignment if it is a final exam or project for the course. |
| <p>Second Offense</p> | <ul style="list-style-type: none"> ● Students will receive an assignment grade of zero, with no option to correct or redo the assignment. ● Telephone conference with school administrator, counselor, teacher, student, and parent will take place. ● Student will take a self-paced tutorial course on Plagiarism. |
| <p>Third Offense</p> | <ul style="list-style-type: none"> ● Student will receive a failed grade in the course in which the first two offenses occurred. ● Telephone conference with counselor, administrator, teacher, student, and parents. ● Documentation of violation will be added to the student's discipline record, where colleges and other educational institutes may be provided documentation if the student seeks to enroll, or transfer. |

| | |
|-----------------------------------|---|
| <p>Special Education Students</p> | <p>A student that holds a valid IEP or 504 plan will be referred to the Special Education Department Head where EAA will comply with all provisions of applicable law in addressing any student violations.</p> |
|-----------------------------------|---|

Student/Parent Grievance Procedure for Plagiarism

The following procedure is established by Elite Academic Academy to ensure that students' grievances are appropriately and fairly addressed in a timely manner. EAA prohibits discrimination against students and families based on disability, race, creed, gender, sexual orientation, color, national origin, or religion.

If a student is accused of plagiarism, cheating, or any other form of academic dishonesty, and the parent/student disagrees, the following Grievance procedure should be followed in a timely manner:

1. A written response to the Chief of Student Development Officer the grievance that explains why he/she disagrees with the accusation.
2. EAA administrator will investigate and respond to the parent(s)/guardian with a written response within ten (10) working days.
3. If the grievance is not resolved, the student and parent(s)/guardian may request within ten (10) working days, a review with the governing school board. The governing board will then investigate and then respond to the student and parent(s)/guardian within ten (10) working days. The governing board will base its decision on a simple majority vote. The governing board's decision is final.

Academic Enrichment

Student Clubs

Elite students in grades K-12 have the unique opportunity to participate in various club offerings. Each unique club has an advisor who facilitates meetings and trips. Student club opportunities are held in-person as well as virtually using the Zoom platform.

All Elite students are invited to participate in Club Rush at the beginning of each school year to learn more about Club offerings and opportunities. All Club Announcements and events will be placed in the Parent Square Calendar, including meeting locations, times, and zoom links, as applicable. Any student attending a club field trip must have the Elite-approved field trip documents signed by the student and parent/guardian and turned into the Club advisor 48 hours prior to the event.

To learn more about Club offerings and advisors, please visit the Elite Academic Academy website.

Students can only participate if they have a 2.0-grade point average and are making academic progress.

Career Technical Education (CTE)

CTE pathways are designed to prepare students for postsecondary education and training and to help them make a smooth transition into the workforce and/or college. Students have the opportunity to earn college credit, gain industry certifications, experience an internship, and more.

Students in grades 7-12 may participate in our Career Technical Education pathways. Elite Academic Academy currently offers a variety of Career and Technical Education (CTE) programs. CTE courses are weaved into your student's academic schedule and these courses prepare students for post-secondary college and careers in various industry sectors.

Most CTE courses are A-G approved for students interested in meeting the A-G or NCAA requirements for Cal State or CSU entrance.

To learn more about these programs, please contact the Chief Student Development Officer, Teacher of Record, or Program Director.

Athletics

The Elite Athletic Academy believes every child deserves the opportunity to play sports. EAA provides students/athletes of all levels the unique opportunity to customize their athletic development and experience. Students may choose their athletic interest and attend training or participate in sports using a Community Partner or their athletic club sport/training. Student-athletes who are interested in playing college-level sports are also eligible to register with NCAA. Creating a student account at NCAA.org is the first step to becoming an NCAA student-athlete.

Students can only participate in the enrichment academy if they have a 2.0-grade point average and are making continual academic progress.

For more information about Elite Athletic Community Partners or any other athletic questions, please contact Andy Allanson, CTE Liaison- Athletic Lead, at 1-866-354-8302 ext. 709.

Field Trip Policy

Elite Academic Academy students will be provided with the opportunity to attend field trips (local and overnight). Safety and learning of all students is the top priority of the staff at all times. Students who have a failing grade, poor attendance, or poor behavior history will be ineligible to participate.

Elite Academic Academy plans about 2 field trips per month (16-18 per year) depending on availability. Parents are welcome to suggest ideas for possible field trips to the Program Directors. All field trips are posted to ParentSquare. You will be able to RSVP, fill out the event waiver form, and pay (or request using educational funds), all through ParentSquare. Students are able to use their educational funds to pay for field trips.

Unless otherwise required by applicable law under certain circumstances, parents are required to transport their child on field trips. Parents and siblings are welcome to come along on field trips but must pay for the field trip on their own. Parents are required to fill out an Educational Activity form for all students participating, and the Parent/Sibling form for non-Elite Academic Academy students, and provide non-refundable payment prior to the field trip. If you are paying for the field trip out of pocket, payment is due 5 business days prior to the event. If you have RSVP'd and paid for a field trip, and then need to cancel, a refund is only available if EAA is able to fill the number of spots you reserved.

Educational Funds

Elite Educators are responsible for ensuring academic and Common Core alignment of educational funds. At Elite Academic Academy, parents work alongside their Elite Educator to ensure high quality and relevant use of funds. Educational Funds do not “belong” to the students or parents. Rather, they are available to cover the costs of providing educational services to students. It is the responsibility of the Elite Educator/Program Director to make sure state funds are spent wisely.

It is the obligation of the LEA to provide high-quality core educational materials and curricula that are standards-based to each student through educational funds, such that the school is providing curriculum and necessary materials for each assigned area of study prior to enrichment materials or services. Once core curriculum and necessary materials are ordered, funds may be used for enrichment materials or services.

Educational Fund accounts are managed by your Elite Educator to be used for various educational materials, tutoring, and Community Partner classes. Your Elite Educator may make recommendations for educational materials based on the individual needs of the student. Using their best professional judgment, the Elite Educators evaluate and approve all Educational Fund requests.

If a proposed selection is denied, then alternatives will be suggested by the Elite Educator. The parent/legal guardian may appeal a denial to the Program Director. The rationale provided by the parent/legal guardian concerning the educational merits will be reviewed and any decision made at this level is final.

If any unusual orders are noted outside the scope of these guidelines and are deemed unnecessary such orders may be denied.

The amount of funding allocated to each student’s academic plan is based on the academic calendar. Educational Fund allotments vary depending upon the student’s enrollment date.

Due to COVID 19 and potential state budget cuts the amount of funding is subject to change.

TK-8th Funding Allocation

Educational Funds Ordering Deadlines

The deadline to place orders for the 2022-2023 academic school year is **Friday, April 3rd, 2023**. Elite Educators will request order submissions prior to this date to ensure time for processing. It is the responsibility of the family to send order information in a timely manner to their Elite Educator. Orders will not be processed after this date. There is the potential for orders to be canceled during the school year because items become unavailable. If you wait to place orders at the deadline, it is possible that all items will not be available, and you will lose your ability to place another order.

Adequate Academic Progress

If adequate academic progress is not being made, the use of Educational Funds will be used first towards intervention/tutoring and curriculum to help instruction.

If a student is designated as needing intervention/tutoring, as determined by state and Elite benchmark testing, informal assessment, and work completion, the TOR shall earmark a minimum of \$200 per semester of Educational Funds to ensure funding for intervention, tutoring, or other means is available to close achievement gaps.

Requests for material and enrichment services other than tutoring and academic help may be denied if adequate academic progress is not being made.

Use of Educational Funds

When deciding how to use Educational Funds for instructional materials, it is important to consider the following:

Educational funding is allocated to the student for the support of new learning with a relatively minimal amount allotted to the maintenance of skills that have already been mastered. Elite Academic Academy will not provide instructional materials or classes disproportionate to what a similar student would receive in a traditional public school. It is imperative that the core curriculum is purchased first.

Acceptable Use of Educational Funds Include:

- Textbooks and workbooks
 - Tutoring
 - Supplemental Instructional Community Partner Classes – e.g. Art, PE, Music
 - Approved Online Learning Programs
 - Basic School Supplies - Excessive quantities of any item are not allowed.
1. **Educational Materials That Support New Learning:** When utilizing Educational Funds, materials and services selected must promote and advance student learning and achievement and reading (library type) books that correlate to the student's academic plan. We encourage students to use their public library for books outside that scope.
 2. **Tracking of Materials:** Each Elite Educator and parent/legal guardian bears the responsibility for tracking the expenses incurred to meet the educational needs and choices of each student.

3. **Responsibility for Instructional Materials:** Parents assume responsibility for instructional materials upon receipt from Elite Academic Academy. All non-consumable items must be returned to the school in good condition upon request or upon disenrolling from the program. Families are welcome to keep learning materials over the summer if they are re-enrolled or if they are going to use the materials with other siblings. This is subject to the discretion of the Elite Educator/Program Director.
4. **Need to Reflect on an Appropriate Course of Study:** The purchase of educational materials should be consistent with the academic plan agreed upon by the parent/legal guardian and the Elite Educator.
5. **Non-Consumable Materials:** All materials ordered with educational funds are the property of Elite Academic Academy. All non-consumable materials ordered or borrowed from Elite Academic Academy that are no longer being used by the student must be returned to your Elite Educator when the family is done using them. If it is determined that any student has an excessive quantity of non-consumable materials checked out, these items will be requested to be returned.
6. **Lost, Damaged, or Misplaced Non-Consumable Materials:** Parents/legal guardians are financially responsible for any non-consumable educational materials that are lost, misplaced, or damaged by the family during the current academic school year.
7. **Educational Funds Do Not Roll Over from Year to Year:** Educational Funds issued each year are to be used during the current academic school year.
8. **Family Accounts:** The transfer or “pooling” of Educational Funds is a privilege afforded to Elite Academic Academy families and must be demonstrably related to a specific objective in core academic areas. No more than \$250 of a student’s funds may be transferred to a sibling’s account. This must be approved by the Program Director and Elite Educator and they have the discretion to deny this request.

Additional Materials Ordering Information

1. **PE Equipment:** Educational funds may not be used for consumable PE-related items, which cannot be repurposed or subsequently used by another student (clothing, footwear, etc.) Basic sporting items such as a jump rope, a basketball, or a soccer ball **would be acceptable. Maximum of \$250 for athletic equipment.**
2. **Materials that create an “end product” (consumable):** A maximum of \$250 per student per year can be spent on supplies that have an “end product.” These supplies include science kits, history/social studies kits, scrapbooking, fabric, crocheting materials, knitting

materials, construction paper, paint, glue, art pencils, crayons, cardstock, and all other art materials.

3. **Instructional Games and Kits (non-consumable):** A maximum of \$150 per student with a maximum of \$300 per family.
4. **Microscope:** Up to \$250 in Educational funds may be used to order one (1) microscope per family per academic year if there is not one available.
5. **Musical Instruments:** Up to \$250 in educational funds may be used per family for musical instruments and any peripheral items necessary for the basic use of the item. Any type of registration fee for music-related events, competitions, and/or performances are not allowed. Instruments are non-consumable material items and are the property of Elite Academic Academy. Any kind of deposits needed to rent musical instruments are not allowed as they would be the responsibility of parents/legal guardians. Parents/legal guardians are financially responsible for the care and maintenance of the musical items. Instruments must be returned when they are no longer part of the student's academic plan.
6. **Supplies:** Two printer cartridges and 6 reams of paper are allowed per family per year.
7. **Technology:** Students may request a Chromebook for \$225 in Educational Funds. Students who qualify for Free/Reduced lunch and do not have home internet access may instead request a Chromebook with LTE access for \$350 in Educational Funds. LTE access is limited to TMobile's service area and may not be accessible for every student. Families can also apply for discounted internet through <https://www.everyoneon.org/>. All issued devices are to be used for academic purposes only, and as such, will have internet filters and limited functionality. Issued devices are the property of Elite Academic Academy and must be returned in working order when unenrolling from the school, or as requested by the Technology Department for upgrades and servicing. Repair costs resulting from misuse will be charged to Educational Funds.
8. **Online Classes:** Online classes are acceptable uses of funds. Examples are Strongmind, Rosetta Stone, Raz-Kids, Time for Learning, BYU Online, Brave Writer, ALEKS, Art of Problem Solving, Well Trained Mind Academy, Online G3, Accelerate Ed, Edmentum, and other approved Community Partners.
9. **Educational Activities:** Educational Funds can be used for any Elite Academic Academy-sponsored events (educational activities).
10. **Tutoring:** Approved tutors or tutoring agencies for core curriculum improvement.
11. **Gym Memberships** for 12 years old and up - waiver must be signed.

12. **Other memberships** will be evaluated by the Program Director on a case-by-case basis and must meet Common Core standards.

Unacceptable Use of Educational Funds

The following items are NOT allowed when using Educational Funds:

1. Excessive Quantities of any Educational Materials – No more than a reasonable per student quantity of items is permitted.
2. Generic library books intended for free reading and not a part of the student's academic plan. Please use your local public library.
3. Sophisticated Office Supplies: Filing or shelving units, paper shredders, paper cutters, laminate machines, electric pencil sharpeners, electric staplers, tape dispensers, etc.
4. Home and Office Equipment: DVD and CD players, tablets, faxes, phones, dictation equipment, TV's, three-in-one printer/copier/scanners, etc. It helps if a student's home is equipped with the basic home and office supplies.
5. Sectarian / Religious Service Community Partners or Materials: While some of our approved Community Partners may carry items that are religious in nature, such items cannot be ordered. (However, educational materials that survey a variety of world religions or viewpoints may be acceptable based on the academic plan at the discretion of the director.)
6. Food
7. Personal Hygiene Items
8. Kitchen Equipment
9. Yard Equipment
10. Special Education Services
11. Community Partners fees related to anything other than instruction: No fees unrelated to direct instruction will be allowed including registration fees.
12. Materials or services that may expose the student or Elite Educator to potential danger or serious injury are not permitted.
13. Dissection Tools and Science Kits (such as Chemistry) must be age appropriate.
14. Large or Heavy Items: Limited to those items which the staff can reasonably transport and house.
15. Inappropriate materials and/or services: Subject to review by the Elite Academic Academy Director.
16. Amusement Park Memberships are not appropriate for the use of Educational Funds.

This list is not all-inclusive. Elite Academic Academy reserves the right to refuse selections that

are deemed inappropriate. Contact your Elite Educator if you have questions or concerns.

Community Partners

An Elite Academic Academy community partner is an independent contractor who partners with EAA to provide materials and/or services for EAA students that are paid for with the student's educational funds. Requests to add new Community Partners to EAA's approved list can be made by providing an Elite Educator with the Community Partner name, phone number, email address, website, and type of Community Partner. Elite Community Partners must go through our selection process to qualify to serve EAA students. EAA aims to provide a diverse range of curriculum to help personalize education for each student and has the right to refuse a partnership that does not meet the Elite guidelines.

Elite Academic Academy works with several Community Partners to help support our educational model and philosophy. Students can attend in-person partner classes up to two days per week ONLY. Community Partners are private entities that help support a well-rounded independent study educational journey. Community Partners are to provide enrichment ONLY opportunities while Elite Academic Academy provides core curriculum.

Please Note: Elite Academic Academy will not support a Community Partner that looks to be a private school, acting as a school or claiming they are a school.

An Elite Academic Academy community partner is responsible to have all new employees/contractors (hired subsequent to being approved as a community partner) cleared using DOJ Live Scan prior to having any direct contact with students. Community Partners shall provide Elite with an updated certification pursuant to the Employer Fingerprinting Clearance Form for each new employee/contractor that will be in contact with students. Community Partner shall continually monitor the status of all its employees/contractors to ensure that any certification provided to Elite remains valid and accurate.

Parent Reimbursement

Students must be making satisfactory academic progress in core classes and must have the curriculum purchased prior to requesting reimbursements. All Community Partner educational opportunities need to be approved and put in the OPS system by your Elite Educator. If you want to be reimbursed for the approved curriculum, you must also have pre-approval in writing. (All Educational fund and Community Partner Policies outlined above also apply to enrichment.)

Working with a Community Partner, not on EAA's approved list, must be approved by an Elite Educator prior to enrolling. Reimbursements are only applicable to pre-approved Community Partners by the Elite Educators and Directors that are not on the EAA's approved list. Reimbursements are obtained by completing the required form and submitting the original receipt within 30 days of completed service. We do have organizations and items that are not

eligible for reimbursement so it is very important that pre-approval is given BEFORE attending a class or purchasing items. Please see your TOR for more information.

In addition:

1. Parents/Guardians must contact their Elite Educator prior to registration in the class to check on the availability of funds and ensure academic alignment.
2. Parents need approval in writing that the class is aligned with the students' academic program and they are eligible for reimbursement.
3. If funds are available, Parents/Guardians will submit the "Enrichment Experience Parent Pre Approval Reimbursement Request Ticket" located on the Parent Portal of the Elite Academic Academy website (<https://www.eliteacademic.com/student-parent-portal/>).
4. Elite Educators must include a description of the class/course and how it aligns with the standards.
5. Parents are reimbursed after completion of the class.
6. Reimbursements are only applicable to pre-approved Community Partners by the Elite Educators and Directors that are not on the EAA's approved list.
7. Reimbursements MUST be submitted no later than 30 days after the service is provided or good is received. Late reimbursements are subject to denial.

Assessment

The goals of assessment are multi-layered. The goal is for staff to use assessment data not only to monitor and demonstrate continuous student progress and identify the areas for improvement, but also to measure the effectiveness of teaching strategies, and progress toward meeting school-wide and state standards, and to evaluate the implementation of the annual strategic planning goals.

Elite Academic Academy recognizes that no single assessment can provide all of the necessary information to make fully informed curriculum and instruction decisions. A comprehensive assessment system, however, can provide useful data to assist the decision-making process. The following guiding principles are considered critical factors in the analysis of assessment data:

1. Assessments are an integral part of the instruction.
2. Using multiple indicators of assessment to evaluate success is essential.
3. Collecting and maintaining quality assessment data is important.
4. Emphasizing the comparison of assessment data from year to year is the centerpiece of our improvement.
5. Communication of assessment data helps make informed decisions.

Standardized Testing

CAASPP

State tests are an objective way of showing how well students met the expectations of the grade level. They are only one of many measures and aren't meant to tell the whole story of a student's performance. They should be combined with other information, such as report card grades, classwork and teacher observations to give families a more complete picture of their child's academic performance.

In California, students in third through eighth and 11th grade take the Smarter Balanced test in English language arts and math. It is part of the state assessment system known as the California Assessment of Student Performance and Progress (CAASPP).

Learn more about the test by going to: <https://ca.startingsmarter.org/>

| Area | Content | Test | Participants | Grades | Window |
|-----------------|---|--|--|-----------------------------|---|
| CAASPP | ELA and Math | Smarter Balanced | All students at designated grade levels Exceptions: Students participating in CAAs and Els who are in their first year of attending US school | 3-8 and 11 | Spring |
| CAASPP | ELA and Math | Smarter Balanced Alternative Assessment | Students with the most cognitive disabilities whose active IEP designates the use of an alternate assessment | 3-8 and 11 | Spring |
| CAASPP Interims | ELA and Math | Smarter Balanced | All students | K-12 | Optional test available at any time throughout the year |
| CAASPP | Science | CAST | All students at designated grade levels Exceptions: Students eligible for CAA for Science | 5,8 and once in high school | Spring |
| ELPAC | Listening Speaking, Reading, and Writing | Initial ELPAC | All students whose primary language is not English as indicated on the Home Language Survey | K-12 | Administered within 30 days of enrollment |
| ELPAC | Listening, Speaking, Reading, and Writing | Summative ELPAC | Identified English learners until they are re-designated as fluent English proficient | K-12 | Feb 1 – May 31 |
| PFT | Physical Fitness | Fitness gram | All students in designated grade levels | 5,7,9 | Feb 1 – May 31 |

ELPAC

The ELPAC is the required state test for English language proficiency (ELP) that must be given to students whose primary language is a language other than English. State and federal law require that local educational agencies administer a state test of ELP to eligible students in kindergarten through grade twelve. The ELPAC is aligned with the 2012 California English Language Development Standards. It consists of two separate ELP assessments: one for the initial identification of students as English learners (ELs), and a second for the annual summative assessment to measure a student's progress in learning English and to identify the student's level of ELP.

PFT

The physical fitness test (PFT) for students in California schools is the FITNESSGRAM®. The main goal of the test is to help students in starting life-long habits of regular physical activity.

Students in grades five, seven, and nine take the fitness test.

Elite Internal Benchmark Assessments

It is required that all Elite Academic Academy students grades 2-12 take the iReady diagnostic at least once yearly and K-1 use the EasyCBM as a constant progress monitoring tool with a minimum of three diagnostics per year. Elite reserves the right to use alternative and more frequent informal assessments to support in gaining knowledge on the student's academic ability.

iReady Diagnostic

iReady is an adaptive math and reading assessment designed to provide teachers with actionable insight into student needs. It offers a complete picture of student performance and growth, eliminating the need for multiple redundant tests. By adapting to student responses and assessing a broad range of skills—including skills above and below a student's chronological grade—the iReady Diagnostic pinpoints student ability level, identifies the specific skills students need to learn to accelerate their growth, and charts a personalized learning path for each student.

EasyCBM (K-1)

What are CBMs? CBMs are standardized measures that sample from a year's worth of curriculum to assess the degree to which students have mastered the skills and knowledge deemed critical at each grade level. At each grade level, alternate forms of each measure type are designed to be of equivalent difficulty, so as teachers monitor student progress over time, changes in score reflect changes in student skill rather than changes in the test forms.

The reading tests include measures of: Alphabetic Principle (Phoneme Segmenting, Letter Names), Phonics (Letter Sounds), Fluency (Word Reading Fluency, Passage Reading Fluency), Vocabulary, and Comprehension (Multiple Choice Reading Comprehension). These measures are based on the "Big Five" from the National Reading Panel. Phonemic Awareness Alphabetic Principle Accuracy and Fluency with text Vocabulary Comprehension

The math tests are based on the National Council of Teachers of Mathematics (NCTM) Focal Point Standards in Mathematics and include three test types per grade (aligned with the NCTM Curriculum Focal Points for each grade level). Each of the math tests is comprised of 16 items.

Optional Assessments

SAT/ACT

The SAT Reasoning Test and the American College Testing Program (ACT) are standardized tests for college admissions. ACT and SAT tests are paid for individually by families or by fee waivers from the School Counselor. Most colleges accept the SAT or Subject Tests as part of their

admissions process. The ACT test assesses high school student's general educational development and their ability to complete college-level work. For the latest SAT/ACT schedule and practice materials go to the website <https://collegereadiness.collegeboard.org/sat>.

PSAT/NMSQT

The Preliminary SAT/National Merit Scholarship Qualifying Test is a co-sponsored program by the College Board and National Merit Scholarship Corporation (NMSC). PSAT/NMSQT stands for **Preliminary** SAT/National Merit Scholarship Qualifying Test. It is a practice test for the SAT Reasoning Test and gives students a chance to enter the National Merit Scholarship Corporation (NMSC) scholarship programs. The PSAT measures critical reading skills, math problem-solving skills, and writing skills. Students can register for these tests independent of EAA but can see an administrator or counselor for more information or fee waiver criteria. For the latest PSAT/NMSQT testing schedule or practice, material go to the website <https://collegereadiness.collegeboard.org/sat>.

Grade Level Promotion, Retention, & Acceleration

Provisions for successful student progress toward identified benchmark expectations in meeting the California Content Standards shall be made by offering educational experiences of increasing complexity.

Each student's Academic Learning Plan shall be an integral part of the educational experience; providing students in need with the appropriate prevention, early intervention, remediation, and ongoing assessment and support services to help ensure success.

Decisions on the grade placement of students shall be based on academic performance and analysis of appropriate student data within a standards-based education system. Factors to be weighed in the decision for grades K-8 include:

1. Achievement is demonstrated by academic performance and successful progress in meeting identified benchmarks as specified in the California Common Core Standards.
2. Multiple student data sources and supporting evidence including:
 - a. Report card and General Learner Outcomes ratings;
 - b. School assessments;
 - c. Student portfolios;
 - d. Student performance on the CAASPP; and
 - e. Student progress on an Individualized Education Program (IEP).

Should the decision regarding promotion/retention/acceleration of a student be in question, the final decision of placement will be made by the Director upon completion of an SST and review of documentation and recommendation of the student's teacher(s) and in consultation with parents, and may include:

1. Promotion – placement in the next succeeding grade.
2. Conditional promotion – placement in the next succeeding grade with reservation.
3. Retention – placement in the same grade.
4. Acceleration – placement in a grade higher than the next succeeding grade.

Grade Level Retention

1. There can only be one retention for children grades K-8.
2. Parents have the right to voluntary retention one time in a child's K-6 career and must complete this board-approved waiver. This form can only be completed using DocuSign, and will NOT be accepted prior to a meeting with parents.
3. Currently enrolled students in grades 7-8 can only be retained for primarily academic purposes as deemed throughout the SST process.

4. Parents must attend an SST and be given research and literature on the benefits and risks both academically and socially for retention.
5. Students must have an academic plan in place to support continued growth.
6. Students being recommended for retention may need to complete at least two months of intervention using Fast ForWord or a designated program before retention is approved
7. Voluntary Retention is not a part of the enrollment process. Retention is something that must be discussed with the academic team AFTER enrollment has been completed.
8. Parents may appeal retention to the CEO or designee with their decision being final.
9. Students who have been retained once and are still experiencing academic difficulty should be referred to a Student Study Team, to ensure appropriate supports and services are in place for student success.
10. If a student has an IEP, retention would be an IEP team decision.
11. Retention/Promotion meetings take place in May (Year Round) and August (Traditional) each school year for the next year placement.
12. If a student is newly enrolled, and parents bring up a concern, a SST the meeting will take place within the first two weeks of enrollment as long as that enrollment is before October 31st. Enrollment after October 31st will lead to retention for the following school year.
13. Students must be enrolled in their current grade level upon enrollment.
14. Mid- year retentions are not permitted.

Acceleration/Advancement

This procedure is used when a request is made for a child to be placed in one or more grade levels above the next sequential grade, otherwise known as “double promoted.”

Identification of children for advancement is through parent referral, Teacher of Record, and/or Academy Director.

Children are first provided enrichment and acceleration activities within the regular curriculum to differentiate and appropriately challenge their giftedness. On occasion, a child is so advanced intellectually, physically, socially, and emotionally that a grade advancement/double promotion is requested by a parent and/or recommended by staff.

Once a child has been identified as a potential candidate, the Academy Director explains the assessment process to the parent.

1. Academy Director arranges for an initial SST meeting to determine if a more intense response to the current curriculum and enrichment activities is necessary. Participants share observations and review test data on reading, writing, and mathematics, as well as the current curriculum to understand the child's intellectual, achievement, and social/emotional development level and needs. Participants include the Academy Director, parent, Teacher of Record, School Counselor (if middle or high school student), and Special Education representative. Other team members may include the content teacher, social worker, speech/language therapist, or other people of interest. If the team concludes that the current curriculum meets the student's needs, no additional steps are required at this time. The Teacher of Record continues to monitor the child's progress to continue providing appropriate enrichment as needed.

If the team seeks more information, these next steps are followed.

2. The SST team recommends a battery of assessments to be completed by staff. The process concludes when any measure does not meet Double Promotion criteria.
 - a. Above Grade-Level iReady assessment in alignment with the grade level the student will be moved into. For example, if a sixth-grade student is being considered to move to seventh grade at the start of the second semester, the child should show the proficiency of seventh grade, semester 1 concepts on iReady assessments.
 - b. Elite's contracted School Psychologist administers the WISC-V Wechsler Intelligence Scale for Children test (WISC®-V), an intelligence test that measures a child's intellectual ability and 5 cognitive domains that impact performance. Only if the child meets the cognitive/ability score requirement are further academic and social-emotional assessments conducted.
 - c. Once data is collected, the Academy Director meets with the SST team and parents to determine student eligibility for double promotion. Each professional reports assessment results and observations. Criteria for Double Promotion are clearly stated and adhered to during the meeting.
 - d. If the student's performance meets requirements and the various factors have been seriously considered with satisfaction, support for Double Promotion is warranted. In that case, parents make the ultimate decision. If the recommendation is for the child to remain in the current grade level or not to be promoted, the team and parents discuss options for enrichment and/or differentiation opportunities, as needed.
 - e. The School Counselor verifies the decision in a letter to the parents and places a copy in the child's school records.

High School Students

EAA's graduation requirements emphasize university preparatory courses of English, Mathematics, Science, Social Science, a Language Other Than English, and Visual and Performing Arts.

Credit and Graduation Requirements

EAA awards five credits per course, per semester. High school students are expected to be enrolled in a minimum of 30 units per semester; 230 credits are required to graduate. Students are eligible for a high school diploma when all requirements have been met. Please note that for UC/CSU admission eligibility, students will need to pass all A-G classes with a grade of C or higher. High School students are assigned a grade level based on the year of 9th-grade entry. See your Academy Teacher and counselor for course options.

Graduation/Promotion Ceremony

Graduation and Promotion ceremonies are an exciting time for Elite staff, students, and families! Graduation and Promotion ceremonies take place once a year at the end of the school year at various locations. Students and parents will be notified of graduation and promotion locations, dates, and times in ample time for planning. The number of ceremony tickets per graduate for families and friends to attend will depend each year on the venue size and amount of graduates.

Ceremony Participation for Summer Graduates

Graduating students who still need to complete two or fewer courses will be allowed to participate in the June graduation ceremony with the expectation that they complete their remaining courses in the summer. Students who need more than two courses to graduate will not be able to participate in the June Ceremony, but will be invited to attend the ceremony the following year.

High School Graduation Speakers

It is the policy of Elite Academic Academy to encourage the involvement of as many students as possible in the graduation ceremony. Therefore, the selection of student speakers should not be confined only to those students with academic honors. In addition to a Valedictorian and Salutatorian, EAA academy directors will select 3 students, one per academy, to be keynote speakers at graduation. Students will have 2-3 minutes to present their speech during the ceremony.

High School Graduate “with Honors”

EAA graduates with an overall GPA of 3.5 or higher after the completion of the first semester of their graduation year will be distinguished with gold honor cords at graduation in recognition of their academic achievement.

Transfer Credits/Transcripts

EAA seeks to work with each of the school districts in which students may be re-enrolling to agree upon transfer credit back to the district.

All students will be provided the information about the transferability of academic credit to other public high schools and the eligibility to meet college entrance requirements at the time of enrollment.

If a course title is amended, the new title of the course will be reflected on any current transcripts. EAA will retain a comprehensive list of courses.

Repeated Courses/Credit Recovery

Courses that may be repeated for credit will be listed in the course description (e.g. English 9A). Courses in which grades of a D/F are earned may be repeated. The highest grade will be used in the GPA calculation. UC only allows a course to be repeated one time for grade replacement.

Partial Credit

A high school student is eligible to earn partial credit if they complete at least one-half of the course. Students will earn either 2.5 or 5 credits for a course.

Community College Information-Concurrent Enrollment

Per Ed Code 48800 high school students may enroll in two community college courses each semester to earn both high school and Community College Credit as part of an advanced academic option with the approval of the School Academic Counselor while also taking a minimum of four Elite Academic Academy classes (20 credits).

Courses may be taken at a Community College for dual enrollment/concurrent enrollment credit if the following circumstances have been met:

1. Must be in good academic standing with Elite Academic Academy (to ensure the student has enough ability for college rigor).
 - a. Have received a 2.5 GPA in his/her most recent semester.
 - b. Have received a minimum of 20 credits in his/her most recent semester.
 - c. Demonstrate good attendance.

- d. Must be enrolled in a minimum of 20 credits with Elite Academic Academy each semester.
 - e. Demonstrates adequate preparation in the discipline to be studied (Ed Code 48800 d).
 - f. For Summer Courses: Exhausts all opportunities to enroll in an equivalent course, if any, at his or her school of attendance (Ed Code 48800 d)
2. College courses must be approved by the school counselor to enroll in the courses, to ensure courses meet one of the student's graduation requirements and/or post-secondary plans.
 3. A concurrent course form needs to be completed by the school counselor and needs both parent and student signatures. The School Counselor must sign the college approval forms prior to the student's entry to community college. Community college courses that are "100" level or above will earn an extra point on the grade scale, beginning in 10th grade, so an A would be worth 5 points on a 4-point high school scale.

Community College Credit

High school credit will be awarded as follows for students in grades 9-12: Courses that are "3 units" or above. One semester of community college is equivalent to one year of high school credit. One community college course of 3 units or above = 10 high school credits (one year).

Community College Course Units Conversion:

1 Unit = 2.5 High School Credits

2 Units = 5 High School Credits

3 or More Units = 10 High School Credits

Middle School Students

Middle School students may enroll in high school level classes in both world language and mathematics as part of their middle school coursework with approval from the school counselor. Middle school students will need to meet a criteria on their i-Ready testing for Mathematics. The course of study taken at the middle school is comparable to those same courses which are taken at the high school level; however, no high school credit will be granted for these courses taken in middle school. Students who are designated as double advanced and/or gifted according to state and local tests may be eligible for highschool credits. This would be determined on a case by case basis by the SST team, School Psychologist, School Counselor Director and/or superior and in alignment with our grade level promotion policy. For students exiting Elite Academic Academy, the course and grade may be entered on the high school transcript, but under no circumstance will the grade be calculated into the student's high school GPA.

This policy also applies to students in middle school who take advanced placement courses at the high school. Enrollment in these courses is on a space-available basis with the approval of both the high school and the middle school Academy Directors and school counselor.

Student Support Services

The Student Support Services Team fosters positive relationships among educators and students through social-emotional learning, academic interventions and support, college and career readiness plans, and collaborative problem solving to ensure every student thrives - all in one team. We are responsible for the “whole child” and provide support to ensure the success of all students.

School Counselor

Our Elite Academic Academy (EAA) School Counselor is available to support students with their academic, college, career, and social/emotional needs. Our counselor works collaboratively with students, parents, Elite Educators, and the Student Support Services team to advocate for and empower students and to ensure that the best decisions are being made for each student and their individualized education plan. Working alongside students and staff, our counselor ensures all Elite students are college ready by helping choose appropriate courses to meet A-G and NCAA eligibility as appropriate. Our School Counselor is also the Dual Enrollment coordinator and can assist students interested in taking community college classes.

School Social Worker

Our Elite Academic Academy (EAA) School Social Worker is a mental health professional who is available to support caregivers and students with social-emotional needs. School social workers collaborate with students and families to reduce any barriers to school engagement at school-wide to individual levels. Our school social worker provides short-term individual mental health counseling, resource linkage for families, schoolwide psychoeducation and training, parent/guardian support and information, and crisis interventions. Short-term counseling can address any emotional, social, or developmental needs the student has that present an obstacle to school. Students in need of longer-term or more intensive emotional support can continue to meet with the social worker, and will additionally be referred to CareSolace; Elite partners with CareSolace in order to connect families to access mental health care outside of school. Our school social worker also serves as our Crisis Response Team Lead, Suicide Prevention Liasion, and McKinney-Vento Liasion.

Student Support Teams - SST

The SST is a school-based problem-solving team composed primarily of general educators who provide support to teachers to improve the quality of the general education program and reduce the underachievement of students.

The purpose of the SST is to design a support system for students having difficulty in the regular classroom. The SST is a group formed within the school to further examine a student's academic,

behavioral, and social-emotional progress. The SST team will propose interventions for the student.

Academic Probation

Elite Educators, counselors, and administration will ensure that student success is one of our top priorities. If a student is not making academic progress, Elite Educators will put together an SST plan to help ensure student success. The Student Support Services team will oversee this process and ensure students' needs are being met. This could include additional meetings or outside tutoring. If, after the intervention, insufficient progress continues, the student may be placed on academic probation:

1. Student has failed the last two (2) courses assigned.
2. Students have more than two (2) failing grades on record within an academic year.
3. Students do not comply with Elite Academic Academy's attendance policies.
4. Students have not attempted or complied with the "SST Plan" designed by the Elite staff for support.

English Language Learners (EL)

Elite Academic Academy (EAA) will translate documents for families, as required by law. Documents including English Language Proficiency Assessment for California (ELPAC) testing correspondence and reclassification materials will be translated as needed.

A Home Language Survey is sent home prior to the beginning of the school year, which targets students whose primary language at home is a language other than English. Those whose primary language is other than English will be classified as a To Be Determined (TBD) English Learner (EL).

The process for English Learners is as follows:

1. Newly identified (TBD) English Learners are tested at the beginning of each school year or within 30 days of enrollment using the Initial English Language Proficiency Assessment for California (ELPAC).
2. Previously identified EL students take the Summative English Language Proficiency Assessment for California in Spring
3. After the State ELPAC scores are released, parents have notified of the results within 30 days.
4. EL students who do not accelerate one level per year on the ELPAC, or a similar benchmark, will be monitored and offered extra targeted support services.

All EAA students are in the English Language Mainstream academic program, with an EL Support Course (Such as English Language Development ELD). The mainstream curriculum is supported by EL-authorized teachers and includes vocabulary, visual, and thematic based support. EL students are accommodated within the curriculum by providing multiple opportunities to demonstrate mastery on all assessments, including writing assignments.

Criteria for Reclassifying Fluent English Proficient (RFEP)

The following criteria are used in tandem to determine reclassification:

1. Early Advanced or Advanced with no subscore below Intermediate, or (3) on the Summative ELPAC.
2. Parent Approval.
3. Teacher, Academy Director, or Assessment Director approval based on work product, performance in courses, or other relevant academic criteria.

Special Education/504

Elite Academic Academy adheres to all laws regarding special education including the California Education Code; the Individuals with Disabilities Education Act (IDEA); Section 504 of the Rehabilitation Act; and the Americans with Disabilities Act (ADA).

As a public school, Elite Academic Academy provides eligible students with disabilities a free appropriate public education (FAPE) through the provision of special education and/or related services, depending on their disability and level of need, under an Individualized Education Program or a Section 504 Plan.

Contact Elite Academic Academy's Special Education Coordinator for more information on Elite Academic Academy's policies and procedures related to the identification, evaluation, placement, and provision of FAPE to students with disabilities.

Child Find

Elite Academic Academy ensures that all children with disabilities within its jurisdiction, including children with disabilities, who are homeless, or wards of the state, regardless of the severity of their disability, and who are in need of special education and related services are identified, located, evaluated, and given proper special services provided by the school. If you suspect your child has a disability, please contact the Elite school counselor for further steps.

Technology

Acceptable Use Agreement

Elite Academic Academy (“EAA”) offers its educational community a wide range of technologies and online tools to support teaching and learning. EAA is committed to promoting a respectful, secure, and responsible learning environment in all areas of the educational setting, including the digital context. This Technology Acceptable Use Agreement (“AUA”) provides students and parents (all references to “parents” in this AUA include parents and/or legal guardians) with the rules, expectations, and guidance for a student’s appropriate use of EAA technology.

Use of EAA technology shall comply with all Elite Academic Academy Board policies and procedures as well as all applicable federal and state laws. California Education Code 48900 also applies to this AUA.

EAA technology includes computing devices and peripherals (e.g., computers, laptops, tablets, wearable technology, etc.); network and communication devices/services (telephones, wireless networks including WiFi access points, email systems, etc.); EAA-managed online services (such as G-Suite/Google Apps For Education, Parent/Student Square, StrongMind, etc.); access to all online collaboration and information sources; and any and all future technology provided to students.

The use of EAA-provided online accounts and technology is a school-sponsored activity. Actions and behaviors while using school accounts and/or technology falls under the purview of this AUA. Students are cautioned to communicate responsibly while online at all times to ensure the school environment remains safe and welcoming to all.

By accepting and using EAA technology students and parents agree to the following:

1. Students and parents grant specific consent, as defined by the California Electronic Communications Privacy Act (also known as “CalECPA” or Senate Bill 178), for EAA to review and monitor all electronic communication information and electronic device information created with, stored on, or transmitted via EAA technology.
2. Student use of EAA technology may be monitored or accessed without any further advanced notice. Students have no reasonable expectation of any right to privacy while using EAA technology; which includes any and all files and communications traveling over or stored on its network, or while using EAA provisioned accounts and online resources including email and online collaboration tools.
3. Elite Academic Academy staff may act as an authorized agent for the creation of online student accounts solely for educational purposes in accordance with state and federal student information privacy laws (COPPA, FERPA, SOPIPIA, etc.). EAA-managed student accounts may include, but are not limited to, online accounts created to access Google

G-Suite (Google Apps for Education), StrongMind, ParentSquare, Fast ForWord, and any other apps, programs, or online services and digital curriculum resources for the purpose of student learning.

By law, parents may choose to opt-out of this implied parental consent by obtaining a Student Online Account Opt Out Form from the Instructional Technology Dept, completing the form, and scheduling a conference with the school Director to discuss the reasons for and the consequences of opting out, which may include an inability to continue accessing the EAA curriculum.

4. The following activities or uses of technology are prohibited to ensure a respectful digital learning environment:
 - Using technology to threaten, bully, or harass others by sending, accessing, uploading, downloading, or distributing text, images, or other materials or means that are offensive, threatening, profane, obscene, or sexually suggestive or that could be construed as harassment or disparagement of others based on their race/ethnicity, national origin, sex, gender, sexual orientation, age, disability, religion or political beliefs.
 - Searching for, accessing, creating, or possessing lewd, sexually suggestive, graphically violent, illegal, or derogatory/demeaning images and/or media files.
 - Bypassing (or attempting to bypass) the EAA's internet content filter through a web proxy, anonymizers, or other means from an EAA device.

EAA Online Netiquette and Policies

"If you wouldn't do or say it in real life, don't do it online either."

Netiquette refers to the rules that apply to EAA's online communication. Below are guidelines for students to adhere to for email and when posting online for class discussions, collaboration, and presentations:

1. Do not type in ALL CAPS! To others reading your screen, it seems as though you are yelling!
2. Stay on topic; if the conversation leads you in a completely different direction, leave the other topic for discussion via IM, online chat groups, clubs, in person, or on the phone.
3. Do not badmouth others or call them names. If you disagree with a classmate on a topic, state your opinion without name calling.
4. Address classmates with their names. Always say "please" and "thank you." Manners go a long way!
5. Make sure you read through the entire discussion thread before responding. Someone else may have already posted your idea.

6. Always check spelling, and grammar, and read through your response before posting. Autocorrect can sometimes be incorrect.
7. Be forgiving of your classmates if they make a mistake. We are all in this together to learn and sometimes the best lessons come from simple mistakes.

Cyberbullying and Harassment

Elite Academic Academy have a zero-tolerance policy for cyberbullying or harassment of any kind. Students are responsible for behaving in an appropriate, responsible, ethical, and legal manner when communicating online or in person.

1. Harassment is defined as any unwanted conduct or creating an unpleasant or hostile situation based on a protected class (i.e. race, color, national origin, religion, gender, age, disability, or sexual orientation).
2. Cyberbullying can be, but is not limited to, threats, insults, verbal abuse, racial slurs, and sharing negative, harmful, false, or mean content about someone else through digital devices and platforms (IM, email, discussion threads, chat rooms, websites, social media, etc.).
3. Offensive content is defined as, but is not limited to, sexual comments, sexual images, racial slurs, gender-specific comments, disabilities, color, race, or economic status. Examples of this behavior include but are not limited to:
 - Sending false, cruel, vicious messages.
 - Creating websites that have stories, cartoons, pictures, and jokes ridiculing others.
 - Breaking into an email account and sending vicious or embarrassing materials to others.
 - Engaging someone in electronic communication, tricking that person into revealing sensitive personal information and forwarding that information to others.
 - Posting a picture of someone else without their permission.

When communicating in the EAA online environment, students are expected to adhere to the following procedures, regulations, and policies:

1. Accepting an instant message (IM) means it will be used properly for school purposes and communication with faculty and staff will be appropriate and free from cyberbullying or harassment.
2. Communication via email or Live Sessions will be free from cyberbullying and harassment. Contents in an email or Live Sessions will be school appropriate.
3. Cyberbullying or harassment by any faculty, parent/guardian, or student will not be tolerated in the online environment or in person.

Harassment, cyber-bullying, and offensive content are actions that present situations which interfere with the culture of Elite Academic Academy and student academic and social success; they will not be tolerated.

Student Reporting for Cyberbullying/Harassment

If a student feels that he/she is a victim of cyber-bullying or harassment, the following steps should be followed:

- Do NOT respond to the person accused of harassment or cyberbullying.
- Keep evidence of cyber-bullying and record the times, dates, and descriptions or screenshots of the bullying.
- If the cyberbullying from another student occurs during a live session or group assignment, notify the Elite Educator and send the Elite Educator documentation as soon as possible.
- If Cyberbullying or harassment occurs from another Elite student outside of the classroom environment, document the incident and send the documentation to the Program Director as soon as possible.
- If the Cyberbullying or harassment is from an Elite Faculty member, document the incident and report it to the Program Director as soon as possible.
- If the Cyberbullying or harassment is from an Elite Administrator, document the incident and report it to the School Counselor as soon as possible who will report it to the Chief Executive Officer.

Administrative Action Plan for Cyberbullying/Harassment

When a student reports an incident of cyber-bullying or harassment to an Elite Educator, the Elite Educator will follow the protocol below:

1. Review documentation of abusive communication from the student.
2. The Elite Educator will discuss the incident with the accused student and determine the best course of corrective action. If the incident is severe enough, the teacher will contact the Program Director. Documentation of the incident will be placed in the student's discipline file.
3. The Elite Educator will schedule a phone conference with the accused student's parent(s)/guardian to discuss the matter.
4. If, in the sole discretion of EAA the incident warrants consideration of expulsion, EAA may initiate the expulsion process.

When a student reports an incident of cyberbullying or harassment to a Program Director, the following protocol will occur:

1. The Program Director will collect all available documentation concerning the incident.
2. The Program Director will discuss the incident with the student and will decide what further actions if any, are appropriate. Documentation of the incident will be placed in the student's discipline file.

If a student reports harassment or cyberbullying by an EAA staff member or Community Partner, EAA will take necessary actions in accordance with EAA policies and as required by state and federal law.

Consequences for students who partake in Cyberbullying or Harassment may include:

1. Participate in a parent(s)/guardian conference.
2. Receive a warning about a possible expulsion for a repeated offense.
3. Work with the school counselor to complete a bullying prevention program.
4. Attend counseling sessions.
5. Referred to be a candidate for expulsion.
6. Notification sent to Law Enforcement.

The Program Director will promptly notify the parents or guardians of the target and the aggressor about the results of the investigation; and, if bullying or harassment is found, what action is being taken to prevent further acts of bullying or retaliation. Because of the legal requirements regarding the confidentiality of student records, the Program Director cannot report specific information to the target's parent or guardian about the disciplinary action taken unless it involves a "stay away" order or other directive that the target must be aware of in order to report violations.

Elite Google Accounts

Students will use Elite-issued Google Suite accounts to complete assignments, communicate with their teachers, sign in to Chromebooks (when issued), and learn 21st-century digital citizenship skills.

These tools include:

- Gmail: an email account within the Elite domain, i.e. Joe.Chavez@eliteacademic.com (with limited capabilities)
- Google Docs: word processing, spreadsheet, presentation and drawing applications that allows multi user access and editing.
- Google Drive: document storage that allows the student to access documents from any device with web capabilities.

Remember that G Suite is a school environment. You are responsible for following all Elite Academic Academy guidelines when using these tools. Although parents may request that students share the password with them, it should not be shared with anyone else.

Elite-Issued Chromebooks

Students needing access to technology may have an Elite Chromebook issued to them. Use of this equipment/property is for the benefit of the student and any other use is not authorized.

1. Loaned equipment/property shall be reasonably safeguarded and secured.
2. Loaned equipment/property remains the property of Elite and will be returned when the student ends enrollment or upon the request of Elite staff.
3. Any loss or damage of equipment/property SHALL be immediately reported to Elite Academic Academy Charter School (EAA). The borrower is fully liable for any damage or loss occurring to the equipment due to negligence during the period of its use. The cost for repairs or replacement will be taken from instructional funds. Users shall not be responsible for damage due to normal wear and tear or due to an internal hardware/software failure.
4. Students will only use their Elite-issued school Google account when using an issued Chromebook.
5. Chromebooks are filtered and monitored for inappropriate internet usage. Repeated violations could result in forfeiture of the use of the device, and/or disciplinary action.

Elite-Provided Internet Access

Internet access allows students to meet the attendance requirement for courses; offers valuable information for the students academic research; and allows diversity for learning; however, access to the internet must be used in a responsible, ethical, safe, and legal manner.

On a global internet network, it is impossible to control all materials and sometimes students may discover controversial information by accident or deliberately. Elite-issued Chromebooks are equipped with a web filter and monitor program to limit exposure to inappropriate material, but Elite Academic Academy (EAA) families should be aware that some material available and accessible on the internet may contain inaccurate information, offensive information, and some potentially illegal items.

With this said, Elite Academic Academy does not authorize and does reject all claims accessed via the internet. This disclaimer includes direct, incidental, consequential, indirect, or punitive damages arising from the use of the internet. EAA believes that the benefits from the use of the internet for academic purposes far outweigh that of material that users may procure which is inconsistent with EAA's academic goals.

Internet access is a privilege, not a right; therefore, students, families, and staff must adhere to the strict guidelines of EA internet use. Below are examples of internet usage which may result in punishable infractions:

- Using obscene, profane, lewd, vulgar, rude, threatening, or disrespectful language (CA Law & EVA policy)
- Copying or plagiarizing internet content.
- Creating or distributing computer viruses or content that may be harmful to others' computers
- Hacking into others' systems
- Sending spam mail

When students end their enrollment with Elite, the family is responsible for packaging the device so as to prevent breakage and returning it to Elite Academic Academy within 14 days of withdrawal.

Failure to return the device will result in a bill of charges being sent to the family.

Canvas Learning Management System (LMS) Technology Requirements

For best performance, the Canvas Learning Management System should be used on the current or first previous major release of Chrome or Firefox. Although Canvas runs on Safari, some StrongMind courses are not compatible with this browser. Because Canvas is built using web standards, it runs on Windows, Mac, Linux, iOS, Android, or any other device with a modern web browser.

Canvas only requires an operating system that can run the latest compatible web browsers. Your computer operating system should be kept up to date with the latest recommended security updates and upgrades.

For troubleshooting help, please contact the Technology Department for assistance.

Student Portal Pictures on Canvas LMS

When uploading your student picture in the LMS, there are guidelines to follow. Your portal photo should follow these guidelines:

1. A single headshot from the shoulders up; do not include photos with groups of people.
2. A current photo.
3. Make sure your photo is right-side up and not slanted or sideways.
4. Do not use blurry photos or photos with a filter.
5. Writing on the photo is not permitted.
6. Not include any profanity, grand-related symbols, or offensive content

Elite Academies

Homeschool Academy

Elite Homeschool Academy (EHA) is for students and families who love the flexibility of learning from their own home! Parents work in conjunction with Elite Educators in this model. Every student benefits from the expertise and support of a California Credentialed Elite Educator.

Parent's Role

Parent support is vital in ensuring student success. The role of a parent, as the primary provider of instruction to the student at Elite Homeschool Academy, is as follows:

1. Provide all required documentation for enrollment.
2. Attend IEP or 504 meetings, if applicable.
3. Select curriculum, plan and implement daily lessons with the support and guidance of an Elite Educator. The Elite Educator will assist in curriculum selection, and/or creating lesson plans, and daily schedules.
4. Provide academic instruction daily in at least two or more subjects, in accordance with Independent Study Policy (see 'Attendance' section below)
 - a. TK/Kindergarten - 3.5 hours of core instruction per day which includes physical education, music, and art
 - b. 1st -3rd Grade - 4.8 hours of core instruction per day which includes physical education, music, and art
 - c. 4th-8th grade - 5.2 hours per day of core instruction which includes physical education, music, art, or foreign language
 - d. 9th-12th grade - 6.2 hours per day of core instruction which includes all high school classes
5. Have students attend and complete all mandated school assessments, plans of intervention, tutoring sessions, synchronous sessions, and teacher meetings.
6. Communicate regularly with their Elite Educators and return emails and/or phone messages within a 24-hour period. Failure to communicate and submit school work to ensure learning is happening with Elite Staff in a timely manner will result in an evaluation meeting to determine if a student needs an academy/teacher change or should be exited from the program. Access to a computer and email is vital.
7. Touch base with their Elite Educator once per week and meet in person if required.
8. Sign all necessary documentation in a timely manner (Master Agreements, Learning Logs, etc.)
9. Submit proof of learning through student work weekly to their Elite Educator.

10. Be prepared and meet with their Elite Educator at least once approximately every 20-35 school days for an Academic Consultation. (Meetings are approximately 45 minutes – 60 minutes per student). At the Academic Consultation, the parents should be prepared to do the following:
 - a. Have each student prepared to discuss all of the learning that occurred over the learning period.
 - b. Arrive on time to scheduled meetings with all necessary materials.
 - c. Provide a comprehensive review, summary, and reporting of student work that was done.
 - d. Provide parent-reviewed assignments, assessments, and writings that were completed during the learning period.
 - e. Bring in the whole body of work that was completed during the learning period to the meeting. Be prepared for the Elite Educator to look over the work and to pick one sample from the body of work that will be put in the student/s portfolio.
11. Submit Reimbursement Pre-Approval and Reimbursement Ticket Submissions for Unapproved Elite vendors in a timely manner.

Homeschool Elite Educator's Role

The Elite Educator is the parent's/legal guardian's primary contact for the student's educational needs. The Homeschool Elite Educator will:

1. Assist parent/legal guardian in creating a comprehensive academic plan and oversee progress towards that plan.
2. Offer guidance with respect to curricular choices and suggest various resources to help meet a student's needs or learning style.
3. Document student learning, and assess progress at each of the learning periods in the academic year in five (5) academic areas: English/Language Arts, Math, Science, History/Social Studies, and Physical Education.
4. Keep students engaged with weekly meetings/check-ins, and provide academic support/tutoring as needed to ensure success.
5. Proctor all state and local assessments.
6. Order and deliver curriculum or other instructional resources in a timely manner.
7. Works with parents to ensure students have proper tools to engage in curriculum daily (wifi, computer, supplemental materials).

8. Connects students with VAPA or Athletics Leads, identifies struggling students, and provides and oversees progress in tutoring or other necessary resources (Lexia, Fast Forward, ALEKS, i-Ready, etc).
9. Provide assistance or training as needed for families regarding educational online resources offered by the school.
10. Provide information to parent/legal guardians concerning Elite Academic Academy Community Partner options, testing, field trips, and other special events throughout the school year.
11. Provide information related to Elite Academic Academy policies and procedures.
12. Meet with the parent/legal guardian and student at least once every 35 school days for an academic consultation to verify attendance, collect portfolio samples and ensure that progress has been made based on the established educational plan.
13. Keep a running record of available educational funds and ensure funds are used for acceptable educational enrichment after core curriculum needs are fulfilled.
14. Elite Educator will approve and process reimbursements for approved materials as well as outside services. All reimbursements must be approved by the Elite Educator as well as the Virtual Director and will only be approved if academic progress is being made.
15. Elite Educator will provide synchronous Instruction for students. Based on each student's grade level, Elite Educators will offer opportunities for synchronous instruction and/or daily live interaction.
 - a. Grades TK-3: Daily Synchronous Instruction
 - b. Grades 4-8: Weekly Synchronous Instruction, Daily Live Interaction
 - c. Grades 9-12: Weekly Synchronous Instruction

Learning Period Meetings

The purpose of the Learning Period Meeting is to meet with the student and parent/legal guardian to document the learning that has taken place during the prior attendance period and to determine whether or not progress has been made based on the educational plan that was established for the learning period. Meetings are approximately 45 minutes – 60 minutes per student. There will be seven academic consultations during the school year. At this meeting, the Elite Educator will:

1. Review with you and your student(s) the whole body of work, and learning that has occurred, discuss how the learning has occurred, and consider how the learning was assessed or evaluated.
2. The Elite Educator assesses the student's academic progress in each learning area through discussion and review of completed work.
3. Review the work produced by each student (chat with your child and listen to all they have learned) and use the work produced to verify attendance.
4. Determine if sufficient work has been completed for the learning period - if not, attendance will be docked, and tutoring might be required to catch up on missed work. This will be determined by your Elite Educator. If insufficient work is done, additional tutoring will be required (by Elite Educator once per week) and additional tutor-paid out of educational funds if needed. Educational funds for enrichment activities will not be provided if insufficient work is done. More than 10% of absences in a 4-week period may require a meeting with the Director to discuss if homeschooling is an appropriate placement and steps toward academic success.
5. Collect portfolio samples for each learning period-one to two samples per subject: language arts (includes reading comprehension, writing, vocabulary, grammar, and spelling), math, science, social studies (includes history and geography), and one physical education log with a written summary.
6. Assess progress by reviewing graded student work, assessments, and learning activities and confirm attendance by work samples.
7. Take notes to complete the student's assignment and work record, which officially documents the student's educational progress in each academic area.
8. The Elite Educator may also request the parent/legal guardian email an outline of what was done on a daily basis prior to the academic consultation meeting.
9. Document Community Partner services and discuss reimbursements for unapproved Community Partners if sufficient academic progress is being made and give written approval.
10. Assist the parent/legal guardian in establishing academic goals, the pace of learning, or methods of instruction for the upcoming learning period(s).
11. Administer various local assessments and assist in setting additional academic goals for student progress based on the assessment results. Academic consultations can be a time when local assessments are proctored.
12. Discuss and review grades for each learning period, report cards, and final assessment grades.

These meetings provide time for the parent/legal guardian to ask for and receive support in areas such as curriculum selection, teaching strategies, pacing, and educational methodology. The student will have time to discuss the various assignments and the Elite Educator will discuss/evaluate student learning/progress. This can occur through games, discussions, and

presentations made by the student. Have your student be prepared to share what they have learned. Bring pictures, books, and summaries of experiments done. During the academic consultation, the Elite Educator will continue to monitor progress made toward the academic plan. The Elite Educator may also initiate various types of informal assessments to help guide the instruction as well as mandate more frequent meeting requirements.

Elite Educators are available to answer any general questions about the school. If he/she is unable to answer a specific question, the Elite Educator will research the answer and respond.

Attendance Portfolios

Elite Academic Academy must comply with independent study regulations, which require work samples to be submitted to the Elite Educator for each student. Portfolio samples will be collected by Elite Educators at each Academic Consultation. The portfolio samples can be returned at the end of the year if requested, otherwise, they will not be returned.

Items required in a student's portfolio: One to two samples from each core academic area at each meeting. Samples can be the following:

1. Original written work samples
2. Photographs of projects with a written description of the activity (Dictation is permitted for TK – 2nd-grade children if they do not know how to write or are just beginning to learn how to express their thoughts in writing; otherwise the student should be the one who is composing and submitting a writing sample to accompany the picture)
3. Proof of projects, performances, etc.
4. All samples must have something written or drawn by the student.

Guidelines for Portfolio Submissions:

1. Student name must be on each sample.
2. All samples should be clean and presentable. Portfolio samples should represent a student's best work.
3. Samples need to be indicative of each student's level of academic ability.
4. For photograph samples, the portfolio sample photo must include a student written (or dictated by for K-2) description of what was learned.
5. Portfolio sample submissions must be reviewed by the parent/legal guardian.

Activity-based learning logs are acceptable for portfolio samples (i.e. PE logs, Music Logs) if they include a short, hand-written summary of what was learned or practiced in the student's writing.

Transitional Kindergarten

Transitional Kindergarten (TK): Students must turn 5 between September 2-February 2. Kindergarten age-eligible students are allowed to choose TK if their 5th birthday is between June 1st-September 1st; however, they must sign the Kindergarten Continuance Form verifying that the parent/guardian agrees to have his/her child continue in kindergarten for one additional year. Students may not be promoted from TK to 1st grade.

Kindergarten: Students must turn 5 on or before September 1.

Kindergarten-Eighth Grade

It is important when planning your child's learning to include activities or assignments that cover all five academic areas.

The five (5) academic areas are:

- English/Language Arts (Reading / Grammar / Writing / Vocabulary)
- Mathematics
- Science
- History / Social Studies / Geography
- Physical Education

Home School High School

Homeschooling differs from independent study programs (ie. Flex Learning, Virtual Academy) due to the high level of parent/guardian involvement. To participate in this program effectively, students should have resources available within the home that provide them the tools to be successful in learning.

Students enrolled in Elite Academic Academy Home High School must meet with their Elite Educator weekly in addition to the academic consultation meetings. This is to ensure that adequate progress is being made and to help the student develop good learning habits. The Elite Educator will help set daily and weekly goals. The nature of Elite Academic Academy's Home High School program is to provide students with flexible learning opportunities within their communities. While the Elite Educator works with the parent/guardian to create an academic learning plan, it is the responsibility of the parent/guardian to ensure that the student is receiving adequate instruction and meeting his/her learning objectives.

The school counselor will work with the family and Elite Educator to develop a four-year plan following California State guidelines. Families will work with the counselor to create a 4-year plan based on the student's post-secondary goals and interests. The Elite Educator will work to ensure that each student can meet their goals after high school. Community College courses taken by the student will need to be signed and approved by our school counselor. Your Elite

Educator will work with the Elite Academic Academy School Counselor to ensure all requirements are met.

High school credit can be earned by taking courses at a community college, online, or using books. Parents will be provided with a syllabus and your Elite Educator will pace out the assignments at the weekly meetings. For high school credit to be applied, transcripts from the community college must be presented and submitted to our high school counselor.

Online Courses

Online courses through specific Community Partners are available for students. Elite Virtual Academy, Strongmind, BYU, UC Scout, and Williamsburg are a few of the many options. These may include A-G approved courses, core courses, and electives. Students must understand the responsibilities of taking online courses, including regular communication with the Elite Educator as well as the online instructor to ensure completing coursework in a timely manner. Online courses must all be paid for from Educational Funds.

Custom Courses

Custom courses are permissible as approved by the Elite Educator and Homeschool Director. Please use the Custom Course Form in order to apply for a newly created course. Custom courses must meet California state standard requirements.

Flex Academy

Students in TK-8th grades enrolled in the Elite Flex Academy (EFA) enjoy a flexible and creative environment in which students and parents can customize their learning and prepare themselves for the future. Flex Academy provides structured flexibility with intensive support. Flex students enjoy weekly virtual instructional meetings with their Elite Educator and individualized pacing guides to support them with their daily activities. The EFA is a blend of both virtual and offline independent study programs for students who need more hands-on support from credentialed teachers to ensure success in school. Students may choose to participate in core and enrichment classes and meet with their California Credentialed Elite Educator at a mutually agreed upon public location or virtually. Our dedicated staff know and understand student needs and may interact with their students as much as three times a week in this independent-study model. EFA educators are available to encourage, support, and guide Elite students and parents on their flexible education journey.

Parent's Role

Parent support is vital in ensuring student success. The role of a parent at Elite Flex Academy is the following:

1. Provide all required documentation for enrollment.
2. Attend SST, IEP, or 504 meetings if applicable.
3. Make sure students are working daily on their coursework.
4. Have students attend and complete all mandated school assessments.
5. Update Elite Educators on current phone numbers, emails, and addresses.
6. Communicate regularly with their Elite Educators and return emails and/or phone messages within a 24-hour time period.
7. Make sure students are touching base with their Elite Educators at least two times a week.
8. Upload/turn in student work weekly if applicable.

Elite Educator's Role

The Elite Educator is the student's primary contact for educational needs. The Elite Educator will:

1. Assist students in creating a comprehensive academic plan and oversee progress towards that plan.
2. Choose an appropriate curriculum for each individual student.
3. Suggest various resources to help meet a student's needs or learning style.
4. Document student learning and assess student progress in all coursework and proctor all state and local assessments.
4. Order and deliver curriculum or other instructional resources in a timely manner.

5. Provide information to parent/legal guardian concerning Elite Flex Academy Community Partner options, testing, field trips, and other special events throughout the school year.
6. Provide information related to Elite Flex Academy policies and procedures.
7. Communicate with the student weekly, meet weekly if needed to ensure academic success, and provide weekly tutoring.
8. Meet with the parent/legal guardian at least once every 30 school days for an academic consultation to verify attendance and ensure that progress has been made based on the established educational plan.
9. Provide report cards at the end of every semester.

TK-8th Grade

TK-8th students will be given a schedule that includes activities or assignments that cover all five academic areas.

The five (5) academic areas are:

- English/Language Arts (Reading / Grammar / Writing / Vocabulary)
- Mathematics
- Science
- History / Social Studies / Geography
- Physical Education

Students in TK-8th grade are able to choose between offline, online, or a combination of curricula. They are given a pacing guide to support them in organizing and creating their school work routines. They are required to complete work daily and submit work weekly to their Elite Educator. They are required to interact with their Elite educator twice a week and are encouraged to participate in group conversations, Elite virtual webinars, field trips, and workshops.

TK-8 Flex Acceleration Tools/Supports

It is recommended that all TK-2nd grade students use Math and Reading supplemental supports. They can choose from Raz Kids, Fast ForWord, Freckle ELA/Math, and/or i-Ready online supplemental support programs. Offline resources are available upon request.

All 3-8 students are required to use Fast ForWord, i-Ready, and/or Freckle ELA/Math online supplemental supports if they are below grade level in Reading and/or Math. It is recommended that students use at least 1 of these programs for acceleration if they are at or above grade level in reading and/or Math.

Intervention: 3-8 students are required to receive intervention support for at least one hour a week if they are below grade level in reading and/or Math. They may choose their own tutor if

they have one already or an approved Elite Community Partner. Students will be asked to use educational funds for tutoring before they can use it on other enrichment if they are below grade level in reading and/or Math.

Missed Meeting

It is the responsibility of the parent/legal guardian to ensure the student attends weekly meetings as scheduled with the Elite Educator and/or content teacher. The student will have an opportunity to attend a makeup meeting as designated by the Elite Educator and/or content teacher. Failure to attend scheduled or rescheduled meetings on a regular basis will jeopardize your child's enrollment and could ultimately result in being withdrawn from Elite Flex Academy. Parents are also responsible to bring their child(ren) to scheduled tutoring sessions as required by the Elite Educator and ensuring their student communicates weekly with their Elite Educator.

Curriculum

EFA offers a variety of curricula. The Elite Educator and student work together to determine the most appropriate curriculum choice to ensure school success. Depending on the student's grade, curriculum options may be in textbook form, virtual, project-based, packets or a variety of all four. Many options are available to make the school experience fun and engaging. EFA educators can meet with students in public locations to help in all classes if proximity permits. Students can participate in novel studies and literature discussions. Students can also participate in hands-on elective classes like yoga, music classes, theatre classes, book clubs, art appreciation, current events, career exploration, and physical fitness like golf, cross training and Jiu Jitsu. These offerings may vary by Community Partner center location. Students and Elite Educators determine the variety of elective classes offered based on student interests. Students may participate in concurrent enrollment at a local community college upon director approval.

Elite Virtual Academy

Parent's Role

Parent support is vital in ensuring student success. To ensure student academic, emotional, and social growth, it is vital the parent takes interest in their student's education. As an Elite Parent, it is vital that parents/guardians:

1. Provide all required documentation for enrollment.
2. Attend IEP, SST, and 504 meetings, if applicable.
3. Ensure the student has technology and internet access.
4. Have student attend and complete all mandated school assessments.
5. Communicate regularly with their Elite Educators and return emails, and text messages, and/or phone messages within a 24-hour time period. (Access to a computer and email is vital)
6. Ensure students touch base with their Elite Educator once per week via phone, Zoom, email, or through the Learning Management System, attends Live Sessions with their Content Teacher, and Synchronous Sessions with Teacher or Record.
7. Sign all necessary documentation for Elite Virtual Learning in a timely manner (Master Agreements, Learning Logs, etc.)

Elite Educator's Role

The Elite Educator is the parent's/legal guardian's primary contact for their student's educational needs. The Elite Educator will:

1. Oversee/monitor student progress in virtual courses.
2. Maintain announcements in the virtual Homeroom classroom.
3. Document student learning.
4. Proctor all state and local assessments.
5. Provide assistance or training as needed for families regarding educational online resources offered by the school.

11. Work together with Elite Virtual Academy's school counselor to ensure academic, emotional, and social progress is being made by each student.
12. Work together with Elite Virtual Academy's school counselor to provide college and career opportunities for each student.

Academic Progress

Adequate academic progress is required each learning period and is determined by the quality and amount of work done in the student's virtual courses. Adequate progress is determined by work toward learning period goals as developed by the parent and the Elite Educator.

If adequate academic progress is not being made, the Elite Educator will offer suggestions including but not limited to the following:

1. Weekly Virtual tutoring with their Elite Educator, Elite Content subject teacher, or Elite tutor.
2. Change of course or change of program placement (Elite Homeschool or Flex Academy).
3. Tutoring by an off-site tutor paid with students' educational funds.

If after the changes are implemented and there is still no adequate progress, the Elite Educator, Elite Counselor, and Elite Virtual Director will meet to discuss how to ensure progress is being made. This can include, but is not limited to, a Student Success Team (SST) where stakeholders come together to create a plan of interventions for student success.

Online Courses

Elite Virtual Academy online courses are offered through the Canvas Learning Management (LMS) system. A-G approved core and elective courses, as well as non A-G courses, may come from Elite proprietary courses, StrongMind, Edmentum, UC Scout, or other approved course publishers. Students must understand the responsibilities of taking online courses, including regular communication with the Elite Educator, as well as the online content Elite teacher, to ensure completing coursework in a timely manner.

Students may retake assignments within the course up to two (2) times. Exams may be taken only one (1) time. The only exception to allowing students to retake an Exam is that the student must meet with the content teacher to review the standards and concepts. Once the teacher sees a mastery of the content/standard(s), the teacher will re-open the exam for the student to retake. The elite content teacher will provide feedback to students within a week of students turning a graded assignment in for a grade.

Each semester, middle school students will complete either five core courses or six including an elective. High school students will be enrolled in six courses each semester to complete graduation requirements. Students who are close to meeting graduation requirements will take a minimum of four courses if that is all that is left to complete their graduation requirements. If less than four courses are left to complete the requirements during the semester, students will take the last courses left for completion and can accelerate the courses toward completion.

Virtual Program - Use of Educational Funds

Elite students will use their educational funds to first purchase their yearly curriculum. The rest of the educational funds are to be used for tutoring (if insufficient academic progress is made) or for enrichment activities (if sufficient academic progress is being made). Should a student need to borrow a computer and hotspot for a Wi-Fi connection, students may use their educational funds toward the use of a computer (\$325 for a device with LTE service with a \$100 annual for each continuing year). Should the student unenroll from Elite Academic Academy, the computer needs to be returned to the school.

Synchronous and Live Sessions

Elite Virtual Academy provides students with weekly learning sessions. Students are provided the opportunity to receive live instruction from their Elite Educator on concepts and competencies to be learned that week. Students have the flexibility of attending the session synchronously (in real-time) or asynchronously (at a later time). Students are required to attend a lesson synchronously with their teacher of Record/Elite Educator weekly. Live Sessions with their Elite Content Teacher are offered daily as well as tutoring sessions with their Content Teachers.

Syllabus

Each course in the Canvas learning management system contains a course syllabus. Please be sure to check the course syllabus for any important information such as Live Session times and dates and other expectations.

Elite Course Announcements

Each Elite student can find the weekly course announcements in their specific course under Course Announcements. Students are expected to read weekly announcements as they guide students through the weekly synchronous lessons, asynchronous lessons, and the outline of the course's weekly assignments.

High School Prerequisites

Some courses require students to successfully complete a prerequisite before enrolling in the course. Students need to master a certain body of knowledge and “successfully complete” the course before enrolling in the course that contains a prerequisite. An earned grade of “A”, “B”, “C”, “D”, or “P” is defined as a student successfully completing a prerequisite. Students will need to present proof of a passing grade on their transcript in order to enroll in courses that require a student to meet the prerequisite for the course.

Policies, Procedures, and Regulations

Residency Policy

Elite Academic Academy shall offer independent study to students who are legal residents of the state of California and reside within the Charter's enrollment boundaries. The policies found herein define the standards of residency which will be used by Elite Academy Academic (the Charter School).

The following written policies have been adopted by the Board for implementation at the Charter School:

1. Definition of Residency: A student has residency in the state and county of the residence of the parent/guardian with whom that student maintains their place of abode. Residence denotes any factual place of abode of some permanency that is more than a mere temporary stay. Owning a home in California or any particular county does not qualify a student to attend Elite Academic Academy unless this is the student's primary residence.

Only students who are residents within Elite Academic Academy's enrollment boundaries shall be permitted to enroll pursuant to the following California Education Code:

Notwithstanding paragraph (1) of subdivision (e) of Section 47605 or any other law, community school and independent study average daily attendance shall be claimed by school districts, county superintendents of schools, and charter schools only for pupils who are residents of the county in which the apportionment claim is reported, or who are residents of a county immediately adjacent to the county in which the apportionment claim is reported. [EC §§ 51747.3 (b)(1)]

Likewise, only students who are residents of the state of California shall be permitted to enroll pursuant to the following California Education Code:

Thus, the average daily attendance in a charter school may not, in any event, be generated by a pupil who is not a California resident. Therefore, a student who is not a resident of the state of California is not eligible to attend Elite Academic Academy. [EC §§ 47612(b)]

Additionally, reasonable evidence of residency for a pupil living with his or her parent or legal guardian shall be established by current documentation showing the name and address of the parent or legal guardian within the school's boundaries, including, but not limited to, any of the following documentation [EC §§ 48204.1]:

- Property tax payment receipts
- Rental property contract, lease, or payment receipts
- Utility service contract, statement, or payment receipts

- Pay stubs
 - Voter registration
 - Correspondence from a government agency
 - Declaration of residency executed by the parent or legal guardian of a pupil
2. Residency for a Student on an Extended Traveling* Vacation: A student on an extended vacation lasting longer than four weeks will not be deemed to have lost California residency by the Charter. Prior approval will be needed by the CEO, or designee, for any travel longer than four weeks.

*Families that are residing in a family-owned home, out of attendance areas, for more than four weeks in a school year are not considered to be traveling and will have lost eligibility to attend our school. The school does not allow for out-of-state education for extended periods of time (more than 4 weeks in a school year) even if the family continues to own a home in our attendance area, it will be deemed they are not residing, in our attendance area.

3. Location Material Will Be Mailed To: All materials will ONLY be mailed to the address identified in the student's records in their proof of residence documentation.
4. In Person Services; Elite Academic Academy is not obligated to provide any in person services or schedule in person meetings while students are traveling. Zoom meetings may continue , as applicable, and in alignment with all credentialing/licensing laws while a student temporarily travels.
5. Student's Residency is in Question: If there is reason to believe that a student's residency is in question, Elite Academic Academy may investigate to determine the home address's authenticity.

When it is determined that a student lives outside of its boundaries, Elite Academic Academy will provide written notice of the determination of nonresidency within five days of its intention to disenroll the student. If the parent/guardian has not provided the Proof of Residency or affidavit within five (5) school days, Elite Academic Academy will disenroll the student from the the school.

The McKinney-Vento Homeless Assistance Act defines homeless as:

(A) individuals who lack a fixed, regular, and adequate nighttime residence; and

(B) includes-

- (i) children and youths who are sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason; are living in motels, hotels, trailer parks, or camping grounds due to the lack of alternative adequate accommodations; are living in emergency or transitional shelters; or are abandoned in hospitals;

The School encourages complainants to first address the issue with the other person directly using conflict resolution skills when possible.

2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA. Parents or eligible students who wish to ask the school to amend a record should write to the Program Director, clearly identify the part of the record they want changed, and specify why it should be changed. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. For this purpose, a school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel), or a person serving on the school board. A school official also may include a volunteer or contractor outside of the school who performs an institutional service or function for which the school would otherwise use its own employees, and who is under the direct control of the school with respect to the use and maintenance of PII from education

records, such as an attorney, auditor, medical consultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the school to comply with the requirements of FERPA. The name and address of the Office that processes FERPA complaints are:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202

FERPA permits the disclosure of PII from students' education records, without consent of the parent or eligible student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the parent or eligible student, §99.32 of the FERPA regulations requires the school to record the disclosure. Parents and eligible students have a right to inspect and review the record of disclosures. A school may disclose PII from the education records of a student without obtaining the prior written consent of the parents or the eligible student:

1. To other school officials, including teachers, within the educational agency or institution whom the school has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in §99.31(a)(1)(i)(B)(1) - (a)(1)(i)(B)(2) are met.
2. To officials of another school, school system, or institution of postsecondary education where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student's enrollment or transfer, subject to the requirements of §99.34.
3. To authorized representatives of the U.S. Comptroller General, the U.S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as the CDE. Disclosures under this provision may be made, subject to the requirements of §99.35, in connection with an audit or evaluation of Federal- or State-supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, enforcement or compliance activity on their behalf.

4. In connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid
5. To State and local officials or authorities to whom information is specifically allowed to be reported or disclosed by a State statute that concerns the juvenile justice system and the system's ability to effectively serve, prior to adjudication, the student whose records were released, subject to §99.38.
6. To organizations conducting studies for, or on behalf of, the school, in order to: (a) develop, validate, or administer predictive tests; (b) administer student aid programs; or (c) improve instruction.
7. To accrediting organizations to carry out their accrediting functions.
8. To parents of an eligible student if the student is a dependent for IRS tax purposes.
9. To comply with a judicial order or lawfully issued subpoena.
10. To appropriate officials in connection with a health or safety emergency, subject to §99.36.
11. Information the school has designated as "directory information" under §99.37.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. The primary purpose of directory information is to allow the school to include information from your child's education records in certain school publications. Examples include:

1. A playbill, showing your student's role in a drama production.
2. An annual yearbook.
3. Honor roll or other recognition lists; and graduation programs.

Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. If you do not want the school to disclose any or all of the types of information designated below to outside organizations as directory information from your child's education records without your prior written consent, you must notify the school and "opt-out" of the directory.

All of the following items of directory information relating to a student may be released to a designated recipient unless a written request is on file to withhold its release:

- Name
- Address
- Date of birth
- Dates of attendance (e.g., by academic year or semester)
- Current and most previous school(s) attended

- Degrees and awards received

In addition, two federal laws require a school receiving assistance under the Elementary and Secondary Education Act of 1965, as amended, to provide military recruiters, upon request, with the following information: names, addresses and telephone listings, unless parents have advised the school that they do not want their student's information disclosed without their prior written consent.

Title IX Notice of Discrimination

Elite Academic Academy does not discriminate on the basis of race, color, national origin, gender, sexual orientation, disability, or age in its programs and activities, and provides equal access to the Boy Scouts and other designated youth groups. The following person has been designated to handle inquiries regarding the school's non-discrimination policies:

Ms. Tracy Hasper

Parent Liability for Student Conduct

The law states that a parent or guardian of any minor whose willful misconduct results in injury or death to any student or any person employed by, or performing volunteer services for, a school, or who willfully cuts, defaces, or otherwise injures in any way any property, real or personal, belonging to a school, or personal property of any school employee, shall be liable for all damages so caused by the minor.

Further, the parent or guardian of a minor shall be liable to a school for all property belonging to the school loaned to the minor and not returned upon demand of an employee of the school authorized to make the demand.

Any school whose real or personal property has been willfully cut, defaced, or otherwise injured, or whose property is loaned to a student and willfully not returned upon demand of an employee of the school authorized to make the demand, may, after affording the student his or her due process rights, withhold the grades, diploma, and transcripts of the student responsible for the damage until the student or the student's parent or guardian has paid for the damages thereto. The school will notify the parent or guardian of the student's alleged misconduct before withholding the student's grades, diploma, or transcripts.

If the minor and parent are unable to pay for the damages or to return the property, the school may consider providing a program of voluntary work for the minor in lieu of the payment of monetary damages.

Child Abuse Reporting

Teachers, instructional aides, classified staff, and other school employees are required by law to report all known or suspected cases of child abuse or neglect to the appropriate law enforcement or child welfare agency (Pen.Code, § 11166.)

Civility Policy

School personnel, parents, and students are required to be civil in all of their interpersonal school-related interactions. Civility does not require unqualified agreement or conformity of opinion. An expression of disagreement or a discussion of a controversial viewpoint is not uncivil if such expression or discussion is appropriately and respectfully presented and does not disrupt a school-related activity.

For purposes of this policy, “to be civil” means to act with self-discipline in a courteous, respectful, and orderly way in every interpersonal communication and behavior with the goal of providing a safe and harassment-free environment for our students and staff while maintaining individual rights to freedom of expression. Examples of uncivil conduct include, but are not limited to

1. using an inappropriately loud voice;
2. using profane, vulgar, or obscene words or gestures;
3. belittling, jeering, or taunting;
4. using personal epithets;
5. using violent or aggressive gestures or body-language;
6. repeatedly and inappropriately interrupting another speaker;
7. repeatedly demanding personal attention at inappropriate times;
8. purposefully and inappropriately invading personal space;
9. purposefully ignoring appropriate communications;
10. wrongfully interfering with another person's freedom of movement;
11. wrongfully invading another person's private possessions; or;
12. any other behavior that inappropriately disrupts school-related activities.

In the event that any party is uncivil during a school-related activity, the following steps will occur:

1. Communicate - The party experiencing the uncivil behavior will communicate that the behavior is not civil and that the uncivil behavior must cease immediately.
2. End Activity/Meeting - If the uncivil party fails to correct the uncivil behavior as directed, the affected party shall end the activity/meeting.
3. Referral - The reporting party shall refer the situation to the school administration with a written summary of the uncivil behavior and how he/she responded.

4. Determination - If it is determined that uncivil behavior occurred, proper disciplinary action will be taken, which may include suspension or expulsion.

Suicide Prevention

Protecting the health and well-being of all students is of utmost importance to EAA. The EAA governing board has adopted a suicide prevention policy that is intended to protect all students through the following steps:

1. Information about recognizing and responding to warning signs of suicide in friends, using coping skills, using support systems, and seeking help for themselves and friends will be provided. At the beginning of each school year, an informational pamphlet will be provided to each student's parent or guardian. It is the responsibility of each student's parent or guardian to review this information with him or her. If parents or guardians have any questions about the material, they can contact the school's appointed suicide prevention liaison:

School Social Worker
(866) 354-8302

2. The school has designated a suicide prevention coordinator (school social worker) to serve as a point of contact for school staff to communicate with when students are in crisis and are in need of referrals to the appropriate resources for support.
3. When a student is identified as being at risk, they will be assessed by a school employed mental health professional who will work with the student and help connect them to appropriate local resources.
4. Students will have access to national resources which they can contact for additional support, such as:
 - a. The National Suicide Prevention Lifeline – 1.800.273.8255 (TALK),
 - b. The Trevor Lifeline – 1.866.488.7386, The Trevor Project
 - c. Crisis Text Line, text START to 741-741
5. All students will be expected to help create a school culture of respect and support in which students feel comfortable seeking help for themselves or friends. Students are encouraged to tell any staff member if they, or a friend, are feeling suicidal or in need of help.
6. Students should also know that because of the life or death nature of these matters, confidentiality or privacy concerns are secondary to seeking help for students in crisis.
7. For a more detailed review of the school policy, please see our full comprehensive suicide prevention policy. This policy has been developed and adapted from the "Model School District Policy on Suicide Prevention," which is a resource that outlines comprehensive model policies and best practices for schools to follow to protect the health and safety of all students. This resource was developed by examining strong local policies, ensuring that they are in line with the latest research in the field of suicide prevention, and identifying best practices for a national framework.

Suspension and Expulsion Policy

This Pupil Suspension and Expulsion Policy (the “Policy”) for **Elite Academic Academy** (“School”) has been established in order to promote learning and protect the safety and well-being of all students. When the Policy is violated, it may be necessary to suspend or expel a student from regular classroom instruction. At the same time, the School intends to provide effective interventions for pupils who engage in acts of problematic behavior to help them change their behavior and avoid exclusion from the School.

Staff shall enforce disciplinary rules and procedures fairly and consistently amongst all students. The Policy will be printed and distributed as part of the Student Handbook and will clearly describe discipline expectations. The **Chief Operations Officer** shall ensure that students and their parents/guardians are notified in writing upon enrollment of all discipline policies and procedures. The notice shall state that this Policy is available on request at the **Admissions** office.

Discipline includes, but is not limited to, advising and counseling students, conferring with parents/guardians, detention during and after school hours, community service on or off campus, the use of alternative educational environments, suspension, and expulsion. Corporal punishment shall not be used as a disciplinary measure against any student. Corporal punishment includes the willful infliction of, or willfully causing the infliction of, physical pain on a student. For purposes of the Policy, corporal punishment does not include an employee’s use of reasonable force necessary to protect the employee, students, staff, or other persons or to prevent damage to school property.

A student has the right to be free from the use of seclusion and behavioral restraints of any form imposed as a means of coercion, discipline, convenience, or retaliation by staff. This right includes, but is not limited to, the right to be free from the use of a drug administered to the student in order to control the student’s behavior or to restrict the student’s freedom of movement if that drug is not a standard treatment for the student’s medical or psychiatric condition. School staff may use seclusion or a behavior restraint only to control behavior that poses a clear and present danger of serious physical harm to the pupil or others that cannot be immediately prevented by a response that is less restrictive. School staff shall avoid, whenever possible, the use of seclusion or behavioral restraint techniques.

School staff shall not do any of the following:

- Use seclusion or a behavioral restraint for the purpose of coercion, discipline, convenience, or retaliation.
- Use locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use a locked room.
- Use a physical restraint technique that obstructs a pupil's respiratory airway or impairs the pupil's breathing or respiratory capacity, including techniques in which a staff member places pressure on a pupil's back or places his or her body weight against the pupil's torso or back.

- Use a behavioral restraint technique that restricts breathing, including, but not limited to, using a pillow, blanket, carpet, mat, or another item to cover a pupil's face.
- Place a pupil in a facedown position with the pupil's hands held or restrained behind the pupil's back.
- Use a behavioral restraint for longer than is necessary to contain the behavior that poses a clear and present danger of serious physical harm to the pupil or others.

A student identified as an individual with disabilities or for whom the School has a basis of knowledge of a suspected disability pursuant to the Individuals with Disabilities in Education Act ("IDEA") or who is qualified for services under Section 504 of the Rehabilitation Act of 1973 ("Section 504") is subject to the same grounds for suspension and expulsion and is accorded the same due process procedures applicable to regular education students except when federal and state law mandates additional or different procedures. The School will follow Section 504, the IDEA, the Americans with Disabilities Act of 1990 ("ADA"), and all applicable federal and state laws when imposing any form of discipline on a student identified as an individual with disabilities or for whom the School has a basis of knowledge of a suspected disability or who is otherwise qualified for such services or protections in according due process to such students.

Suspension

Definition

Suspension is the temporary removal of a pupil from class instruction for adjustment or disciplinary reasons. Suspension does not mean any of the following:

- Reassignment to another education program or class at the School where the pupil will receive continuing instruction for the length of day prescribed by the Board or **Chief Student Development Officer or designee** for pupils of the same grade level;

While suspended, the pupil may not loiter on or about any School grounds at any time, nor attend or participate in any School activity at any time, no matter where such activity is taking place. Violation may result in further disciplinary action. Suspended students shall be excluded from all School and School-related activities unless otherwise agreed during the period of suspension. The School shall consider suspension from School only when other means of correction fail to bring about proper conduct or where the student's presence would constitute a danger to persons or property or seriously disrupt the educational process.

Authority

A teacher may suspend a student only from his/her classroom for the day of the suspension plus the following school day. The Director or his/her designee may suspend a student from class,

The above list is not exhaustive and depending upon the offense, a pupil may be suspended or recommended for expulsion for misconduct not specified above.

Procedures Required to Suspend

Step One

The **Chief Student Development Officer or designee** shall investigate the incident and determine whether or not it merits a suspension.

Searches: In order to investigate an incident, a student's attire,¹ personal property, vehicle, or school property, including books, desks, school lockers, computers, and other electronic devices, may be searched by a Principal or designee who has reasonable suspicion that a student has violated or is violating the law or the rules of the school. *Illegally possessed items shall be confiscated and turned over to the police.*

Step Two

Unless a student poses a continuing danger to persons or property or an ongoing threat of disrupting the academic process, a suspension will be preceded by an informal conference between the **Chief Student Development Officer or designee** and the student in which the student shall be orally informed of the reason for the suspension, the evidence against him/her, the other means of correction that were attempted before the suspension and be given the opportunity to present informal proof of his/her side of the story. If the student poses a continuing danger to persons or property or an ongoing threat of disrupting the academic process, the informal conference will be held within two school days, unless the pupil waives this right or is physically unable to attend for any reason, including, but not limited to, hospitalization or detention in a correctional facility.

At the time of the suspension, a School employee shall make a reasonable effort to contact the parent/guardian by telephone or in person to inform him/her of the suspension and the reasons therefor and it may state the date and time when the student may return to school.

If a student is suspended without the informal conference, both the student and the parent/guardian will be notified of a student's right to return to school for the purpose of a conference.

¹ This does not include removing clothing to permit visual inspection of the under clothing, breasts, buttocks or genitalia of the pupil.

Step Three

The **Chief Student Development Officer or designee** determines the appropriate length of the suspension (up to 5 days). When suspensions do not include a recommendation for expulsion, they shall not exceed 5 consecutive school days per suspension.

Step Four

The **Chief Student Development Officer or designee** fills out a Notice of Suspension Form, a copy of which will be sent to the student's parent/guardian and to the student. A copy of this form is also placed in the student's cumulative file at the School. The Notice of Suspension Form shall state the fact of suspension, its duration and the specific offense committed by the student. In addition, the notice may state the date and time when the student may return to school. The notice shall also state that if desired by the parent/guardian, a prompt meeting or hearing will be held at which the suspension may be discussed and at which the student may be present and afforded an opportunity to present informal proof of his/her side of the case. Additionally, if the School officials wish to ask the parent/guardian to confer regarding matters pertinent to the suspension, the notice may request the parent/guardian to respond to such requests without delay.

Step Five

The **Chief Student Development Officer or designee** determines whether the offense warrants a police report. **Chief Student Development Officer or designee** will report certain offenses to law enforcement authorities in accordance with Education Code section 48902.

When **Chief Student Development Officer or designee** releases a minor pupil to a peace officer for the purpose of removing the minor from the school premises, the **Chief Student Development Officer or designee** shall take immediate steps to notify the parent, guardian, or responsible relative of the minor regarding the release of the minor to the officer and regarding the place to which the minor is reportedly being taken, unless the minor has been taken into custody as a victim of suspected child abuse. Education Code § 48906.

Step Six

The **Chief Student Development Officer or designee** may require the student and his/her parent/guardian to sign a contract that states the conditions that the student is expected to meet while at the School. Copies of the signed contract are kept by the school and given to the parent/guardian.

Step Seven

Upon the request of a parent/guardian/educational rights holder/student, a teacher shall provide to a student in any of grades 1 to 12 who has been suspended from the School for two or more schooldays, the homework that the pupil would otherwise have been assigned. If a homework assignment that is requested and turned in to the teacher by the student either upon the student's return to school from suspension or within the timeframe originally prescribed by the

teacher, whichever is later, is not graded before the end of the academic term, that assignment shall not be included in the calculation for the student's overall grade in the class.

Special Education and Section 504 Student Suspensions

When suspensions involve special education students or students with a 504 plan, a manifestation determination meeting shall be held no later than the 10th suspension day (whether consecutive or cumulative for the school year). The **Chief Student Development Officer or designee** shall notify the student's special education teacher or regular education teacher when the student's cumulative days of suspension for that school year reach eight. That teacher shall promptly notify the Special Educational Coordinator and Director of the need for the manifestation determination meeting. The manifestation determination meeting shall include the LEA, the parent, and relevant members of the student's IEP Team or 504 Plan Team (as determined by the parent and the LEA).

The student shall be treated as a general education student for disciplinary purposes, except to the extent that educational services must continue, if at the manifestation determination meeting the following are both determined in the negative, after reviewing all relevant information in the student's file, including the student's IEP or 504 Plan, any teacher observations and any relevant information provided by the parents: 1) the conduct in question was caused by, or had a direct and substantial relationship to, the student's disability under the IDEA or section 504; or 2) the conduct in question was the direct result of the LEA's failure to implement the IEP or 504 Plan. If it is determined at the manifestation determination meeting that 1) or 2) is answered in the affirmative, the conduct is deemed a manifestation of the disability.

If the conduct is deemed a manifestation of the disability, the IEP Team or 504 Plan Team must conduct a functional behavioral assessment (or other appropriate assessment for the 504 students), create a plan, and implement it, or if the plan is preexisting, review it and modify it as necessary to address the behavior.

In the case of a manifestation of a disability, the student will be returned to the placement from which he/she was removed, unless the LEA and parent agree to a change of placement as part of the modification of the behavioral intervention plan or updated 504 Plan. For special education and 504 students, a new manifestation determination meeting is required for all proposed suspensions exceeding ten cumulative days in one school year.

The special education student may be removed from school to an interim alternative educational setting for not more than 45 school days without regard to whether the behavior is determined to be a manifestation of the student's disability if the student: 1) carries a weapon to or possesses a weapon at school, on school premises or to or at a school function under the jurisdiction of the School; 2) knowingly possesses or uses illegal drugs or sells or solicits the sale of a controlled substance, while at school, on school premises, or at a school function under the jurisdiction of the School; or 3) has inflicted serious bodily injury upon another person while at school, on school premises, or at a school function under the jurisdiction of the School.

Appeal Process

A student or the student's parent/guardian may appeal those disciplinary actions, other than expulsion, imposed upon a student for his/her School related offenses. Appeals must be made first in writing at the School level, and should be directed to the **Chief Student Development Officer or designee** within 5 of days of the School sending the Notice of Suspension Form to the parent/guardian and the student. The **Chief Student Development Officer or designee** will attempt to resolve the appeal with a written response within ten school days of receiving the written appeal. After appeal at the School level, if further appeal is desired, the student or his/her parent/guardian should appeal in writing to the School Board within 5 days of the date of the School level written response and should direct it to the **School Board President** for final resolution within 15 school days. If any appeal is denied, the student, and his/her parent/guardian may place a written rebuttal to the action in the student's file.

Expulsion

Definition

Expulsion means involuntary disenrollment from the charter school.

Authority

A student may be expelled either by the Board following a hearing before it or by the Board upon a recommendation of an Administrative Panel to be assigned by the Board as needed. The Panel may recommend expulsion of any student found to have committed an expellable offense.

The Board, upon voting to expel a pupil, may suspend the enforcement of the expulsion order for a period of not more than one calendar year and may, as a condition of the suspension of enforcement, assign the pupil to a school, class, or program that is deemed appropriate for the rehabilitation of the pupil [or other conditions such as good behavior, attendance, etc.]. The rehabilitation program to which the pupil is assigned may provide for the involvement of the pupil's parent or guardian in his or her child's education in ways that are specified in the rehabilitation program. A parent or guardian's refusal to participate in the rehabilitation program shall not be considered in the Board's determination as to whether the pupil has satisfactorily completed the rehabilitation program.

A. Grounds for Expulsion

B. Category I Expulsions – Mandatory Recommendation for Expulsion

The **Chief Student Development Officer or designee** shall immediately suspend a student, and recommend for expulsion, a student who has committed one or more of the following acts:

- Possessing, selling or otherwise furnishing a firearm when a school employee verifies firearm possession, unless the student obtained prior written permission to possess the

firearm from a certificated school employee, which is concurred in by the principal or his/her designee

- Brandishing a knife at another person
- Unlawfully selling a controlled substance
- Committing or attempting to commit a sexual assault or committing a sexual battery
- Possession of an explosive

Category II Expulsions – Recommendation for Expulsion Required, Unless Inappropriate Under the Circumstances

A student who has committed one of the following acts of misconduct must be recommended for expulsion unless the **Chief Student Development Officer or designee** determines that expulsion should not be recommended under the circumstances or that an alternative means of correction would address the conduct.

- Causing physical injury to another person, except in self-defense
- Possession of any knife, explosive, or another dangerous object of no reasonable use to the student
- Unlawful possession of any controlled substance, except for the first offense for the possession of not more than one ounce of marijuana, other than concentrated cannabis or for possession of over-the-counter medication for use by the pupil for medical purposes or medication prescribed for the pupil by a physician
- Robbery or extortion
- Assault or battery on a school employee

Category III Expulsions – Discretionary Expulsion Recommendation

In the discretion of the **Chief Student Development Officer or designee**, any act that warrants suspension may warrant expulsion. Additionally, a student may be expelled for misconduct that is not listed above if the acts disrupt and/or present ongoing health and/or safety concerns, or the student has repeatedly engaged in the misconduct.

In no event, however, will a student be expelled for disrupting school activities or otherwise willfully defying the valid authority of supervisors, teachers, administrators, other school officials or other school personnel engaged in the performance of their duties.

Procedures to Expel a Student

Step One

Chief Student Development Officer or designee investigates the incident and determines whether the offense results in a suspension. If so, the **Chief Student Development Officer or designee** follows the procedures to suspend the student as outlined above.

Step Two

In the discretion of the **Chief Student Development Officer or designee**, a student's suspension may be extended pending expulsion. If such extended suspension exceeds 10 days, and for any suspension exceeding 10 days, the following procedures must be followed: 1) The Executive Director shall provide timely, written notice of the charges against the student and an explanation of the student's basic rights; 2) The School will provide a hearing adjudicated by a neutral officer within a reasonable number of days at which the student has a fair opportunity to present testimony, evidence, and witnesses and confront and cross-examine adverse witnesses, and at which the pupil has the right to bring legal counsel. At this hearing, it will be determined whether the presence of the student at the School would cause a danger to persons or property or a threat of disrupting the instructional process pending the results of an expulsion hearing.

If the proposed extended suspension is under 10 days, a meeting is held within 5 school days of the student's suspension to extend the suspension. The student and his/her parent/guardian are invited to attend this meeting with **[insert title]** or his/her designee. The **Chief Student Development Officer or designee** may also be present.

At this meeting, the offense and the repercussions are discussed. An extension of the suspension may be granted only if the **Chief Student Development Officer or designee** has determined, after the meeting, that the presence of the student at the School would cause a danger to persons or property or a threat of disrupting the instructional process. If the student has committed an offense that requires a mandatory expulsion recommendation, this is discussed so that it is understood by all parties. The purpose of the meeting is to decide upon the extension of the suspension order and may be held in conjunction with the initial meeting with the parents after the suspension.

Step Three

The School shall send a letter to the student and parent/guardian regarding the expulsion hearing. The expulsion hearing shall be held no later than 30 school days from the date that expulsion is recommended unless a brief extension is requested by the student or his/her parent/guardian.

The letter shall be sent via certified mail to the student and his/her parent/guardian to the address reflected in the pupil's student file at least 10 calendar days before the date of the hearing. The letter shall notify the student and parent/guardian when and where the expulsion hearing will take place and the rights of the student with respect to the hearing, including:

- The date and place of the expulsion hearing;
- A statement of the facts, charges and offenses upon which the proposed expulsion is based;
- A copy of the School's disciplinary rules relating to the alleged violation;
- Notification of the student's or parent/guardian's obligation to provide information about the student's status at the School to any other school district or school to which the student seeks enrollment;

- The opportunity for the student or the student's parent/guardian to appear in person and/or to employ and be represented by counsel or an advocate;
- The right to inspect and obtain copies of all documents to be used at the hearing;
- The opportunity to present testimony, evidence and witnesses and confront and question witnesses who testify at the hearing;
- The opportunity to question all evidence presented and to present oral and documentary evidence on the student's behalf, including witness testimony.

Step Four

The **Chief Student Development Officer or designee** shall maintain documents that may be used at the hearing and make them available for review by the student and/or his/her parent/guardian. These papers may include, but are not limited to, the following: A record of the student's attendance and grades, a record of previous infractions, a statement of the facts surrounding the case made by a **Chief Student Development Officer or designee**; a statement of the facts surrounding the case made by a witness, a law enforcement agency's report and any other relevant matter.

Step Five

An expulsion hearing shall be held before **the school board**. A record of the hearing shall be made and may be maintained by any means, including electronic recording, as long as a reasonably accurate and complete written transcription of the proceedings can be made.

While the technical rules of evidence do not apply to expulsion hearings, evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. A recommendation by **Chief Student Development Officer or designee** to expel must be supported by substantial evidence that the student committed an expellable offense.

Findings of fact shall be based solely on evidence produced at the hearing. While hearsay evidence is admissible, no decision to expel shall be based solely on hearsay evidence, although sworn declarations may be admitted as testimony from witnesses who are determined by the **School Board** that disclosure of their identity or live testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm.

If due to a written request by the expelled pupil, the hearing is held at a public meeting, and the charge is committing or attempting to commit a sexual assault or committing a sexual battery as defined in Education Code section 48900, a complaining witness shall have the right to have his or her testimony heard in a session closed to the public.

Step Six

The decision of the **Chief Student Development Officer or designee** shall be in the form of a written recommendation, with findings of fact, to the Board of Directors who will make a final determination regarding the expulsion. The final decision by the **school board** shall be made within 10 days following the conclusion of the hearing, or within 40 school days after the date of

the pupil's removal from the School for the incident for which the recommendation for expulsion is made. If the school board decides not to recommend expulsion, the pupil shall be reinstated and permitted to return to classroom programs. The decision not to recommend expulsion shall be final.

Step Seven

The **Chief Student Development Officer or designee** following a decision of the Board of Directors to expel a student, shall send written notice of the decision to expel, including the **school board's** findings of fact, to the student or parent/guardian. The notice shall include the following:

- Notice of the specific offense committed by the student;
- Notice of the right to appeal the expulsion to the County Board of Education. If that Board does not hear such appeals, the student may submit a written objection and request for reconsideration to the school's Board of Directors within 10 days. Decisions of the Board of Directors shall be final.
- Notice of the student's or parent/guardian's obligation to inform any new district in which the student seeks to enroll of the student's status within the charter school

Within 30 days of the decision to expel, the school board shall send written notice of the decision to expel to the student's district of residence, the County Office of Education and the charter granting district (if different than the student's district of residence). This notice shall include the student's name and the specific expellable offense committed by the student.

Step Eight

Expelled students are responsible for seeking alternative education programs, including but not limited to, programs within the County or their school district of residence.

Step Nine

The school shall maintain records of all student suspensions and expulsions at the school site. Such records shall be made available for **Elite Academic Academy's** review upon request.

Students who are expelled from the charter school shall be given a rehabilitation plan upon expulsion as developed by the Board of Directors, or its designee, at the time of the expulsion order, which may include, but is not limited to, a periodic review as well as assessment at the time of review for readmission. The rehabilitation plan should include a date not later than one year from the date of expulsion when the pupil may reapply to the school for readmission.

The decision to readmit a pupil or to admit a previously expelled pupil from another school district or charter school shall be in the sole discretion of the Board of Directors or its designee following a meeting with the **Chief Student Development Officer or designee** and the pupil and parent/guardian to determine whether the pupil has successfully completed the rehabilitation plan and to determine whether the pupil poses a threat to others or will be disruptive to the school environment. The **Chief Student Development Officer or designee** shall make a

recommendation to the Board of Directors following the meeting regarding his/her determination. The pupil's readmission is also contingent upon the school's capacity and any other admission requirements in effect at the time the student seeks admission or readmission.

California Healthy Youth Act (CHYA) (AB 2601)

CHYA requires that all California public schools provide comprehensive sexual health and HIV prevention once in middle school and once in high school. AB 2601 extended that requirement to charter schools. The law requires the following:

1. To provide pupils with the knowledge and skills necessary to protect their sexual and reproductive health from HIV and other sexually transmitted infections and from unintended pregnancy;
2. To provide pupils with the knowledge and skills they need to develop healthy attitudes concerning adolescent growth and development, body image, gender, sexual orientation, relationships, marriage, and family;
3. To promote understanding of sexuality as a normal part of human development;
4. To ensure pupils receive integrated, comprehensive, accurate, and unbiased sexual health and HIV prevention instruction and provide educators with clear tools and guidance to accomplish that end;
5. To provide pupils with the knowledge and skills necessary to have healthy, positive, and safe relationships and behaviors

You as a parent also have the right to excuse your child from participating. If you choose to not participate please write a handwritten letter or email to the Director of your program with the following:

1. Name of Student
2. Date
3. Signature
4. State that you are excusing your child from CHYA instruction
5. This must be done once in high school and once in middle school

Community Service Hours High School Elective Credits

All high school students enrolled at Elite Academic Academy have the opportunity to complete up to 180 hours of unpaid community service for a non-profit agency, for 10 total elective credits. 90 hours of Community Service equals 5 elective credits. Therefore, 45 hours of community service equals 2.5 elective credits for high school students.

This can include volunteering at the school. These hours may be completed in grades 9 through 12. Community Service is added to the student's transcript as "Credit" and does not count toward their GPA.

NOTE: LATE LOGS ARE NOT ACCEPTED. LOGS ARE DUE EACH LEARNING PERIOD.

The student needs to:

- Contact an agency to determine if the agency has a non-profit tax status (Schools, government offices and libraries are examples).
- Arrange with the personnel staff there to work at regularly scheduled times.
- Determine the appropriate clothing for the volunteer site and duties.
- Each time the student completes hours toward Community Service please ensure the Log is signed by all parties. Complete the reflection on your Log each learning period.
- Turn in the signed log for each learning period to your Elite Educator. Once the set amount of hours have been completed for credit, your Elite Educator will report the credits on your Report Card. Additional Information:
- Students who have volunteered through a religious organization to participate in a strictly nondenominational outreach (beyond the members of the church) activity that focus on providing assistance to disenfranchised individuals or groups of individuals for the sole purpose of providing some type of relief (food, clothing, housing, financial assistance, etc.), not to include the dissemination of religious literature, may receive HS elective credit for Community Service.
- Chief Student Development Officer or designee may review, upon request, the merit of activities that do not strictly follow the above guidelines.
- If you aren't sure, please ask. Don't assume what will and or won't count toward Community Service hours. Unacceptable Placements (for profit):
- Veterinarians' Offices- but animal rescue organizations are acceptable.
- Private Schools
- Medical Doctor or Dentist Office – unless this is an outreach service such as County Health.
