2021-2022 School Accountability Report Card
(Published During the 2022-2023 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview	By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC. For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/ For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/ For additional information about the school, parents/guardians and community members should contact the school principal or the district office.
DataQuest	DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).
California School Dashboard	The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
Internet Access	Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2022-23 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Elite Academic Academy uses a variety of state approved Common Core Aligned Curriculum in all core academic subject areas. We do not adopt one/two curriculum options, as many traditional schools do, but work to know our students and match a state approved curriculum to them. This allows for students to find the best curriculum for their specific needs. Teachers have curriculum guides, training manuals and there are a variety of choices for our families.Credentialed experts also create proprietary courses for our students to ensure relevancy in today's world. Please see our chartering petition and website for a list of the curriculum. Please note that as the state approved additional textbooks and instructional materials, this list grows. We are a WASC Accredited and NCAA school of choice. Our curriculum choices ensure rigor and ample opportunity for all students who want to pursue a four year degree and a college athletic scholarship. We also offer many CTE Pathways and ensure that our students who are interested in college/career have curriculum that allows for career advancement.

School Facility Conditions and Planned Improvements

Elite Academic Academy is a non-classroom based charter school. It does not currently have any resource centers. We meet with you families and students in mutually agreed upon public locations. We do have a central administrative office located in Temecula. It is very rare that we hold a parent meeting in this facility. It is meant for the operation and administrative purposed to ensure proper secure storage of business and student files.

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments
(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**
   The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

SARC Reporting in the 2020-2021 School Year Only
Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options
Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
English Language Arts/Literacy (grades 3-8 and 11)	N/A	63	N/A	40	N/A	47
Mathematics (grades 3-8 and 11)	N/A	47	N/A	25	N/A	33

2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

2021-22 Career Technical Education Programs

Career Technical Education (CTE) is an academic program that prepares students for postsecondary education for College and Career. CTE provides students with a unique opportunity to integrate core academic courses with technical skills and occupational knowledge and opportunities. Elite Academic provides students with various pathways to choose from in order to prepare students for their post-secondary career/education within the field of their choice. Students from Elite Academic CTE programs will be prepared to lead with 21st-century skills and industry certifications/skills.

CTE Pathways 9-12th
Arts, Media and Entertainment Pathway (VAPA Academy)
Marketing, Sales and Service Pathway (Marketing Academy)
Hospitality, Tourism & Recreation Pathway (Adventure Academy)
Public Service Pathway (Public Service Academy)

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2022-23 Opportunities for Parental Involvement

Elite Academic Academy educates and involves parents and community members to understand the school's
purpose by:
*Maintaining a robust website that has a parent resource section including access to student/parent handbook
*Inviting parents/students to virtual webinars, such as orientation, informational meetings, seminars, mental health, college and career readiness, and so much more!
*Hosting an annual Parent Advisory Committee Meetings to develop the LCAP and prepare for Assessment
*Providing parents with report cards and access to our Student information Parent Portal
*Distributing annual Survey(s) to get input and ensure we are meeting the needs of our stakeholders
*Conducting individual meetings with School Counselor and student/parent and SST team, as necessary
*Providing the Parent Square Communication App where parents get e-mails and direct access to their teacher at any time.
*Sending monthly newsletters to families from Counseling, Technology, VAPA, Athletics, Homeschool, Virtual, and Flex programs with contact information for parents to connect and get support from each department
*Hosting regularly scheduled Board Meetings open to the public

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

2022-23 School Safety Plan

Elite Academic Academy is an independent study program where students are schooled in the home and through various contracted vendors in the community. Typically, students are in the primary care of their parent/guardian for their schooling. There are a few instances when the school sponsors events, such as field trips and state testing, when it is important to have a clear emergency preparedness plan.The school's procedures for evacuation and emergency preparedness are outlined in our comprehensive safety plan that is updated in March of each school year. The roles of the responsible parties, the training necessary to perform those responsibilities, necessary resources, and emergency response actions, if applicable, are defined for each site where school operations are conducted. Further, it is important to clearly define the responsibilities of the school and parent/guardian, as well as the school's dismissal procedures, in the event of an emergency or disaster. This plan can be found on our website for review

2021-22 Types of Services Funded

Elite Academic Academy-Lucerne (EAA-LU) TK-12, the premier independent study educational option, opened its doors July 1, 2018. We focus on flexible and individualized homeschool, virtual, and blended independent study academies for students who are not successful or choose not to attend traditional brick and mortar schools. EAA-LU provides high quality and rigorous state board approved standards-based curriculum options to support students in meeting the challenging state academic achievement standards. We also offer unique academies with emphasis on Athletic Training, Visual and Performing Arts (VAPA), and Career Technical Education (CTE) opportunities to ensure our students graduate ready for college, their future careers, and the 21st-century workforce.

All high school students have access to A-G approved courses through our own developed courses, as well as three online providers: Strongmind (primarily core/some elective), UC Scout (primarily core), and Edmentum (online elective classes). Credentialed teachers support the online classes through daily interactions via text, Zoom, and Canvas. Student achievement is assessed through a variety of measures such as: State standardized testing, teacher observations, teacher-created tasks, i-Ready assessments and personalized learning paths, school-created benchmark assessments, learning period meetings, weekly meetings, report cards, learning journals, portfolios, labs, quizzes, and finals. Students also have the opportunity to participate in concurrent enrollment with community colleges in the area.

Students in 6th -12th have the option of three learning academies: Virtual, Flex or Homeschool. Each learning option has highly qualified credentialed teachers who are meeting weekly with the student for 1- 4 hours to tutor and help ensure understanding. Middle school students participate in either online courses or use common core textbooks and curriculum to demonstrate learning.

Students who are in TK-5th grade are part of Elite Academic's Homeschool or Flex Academy where Elite's highly qualified, California credentialed teacher work with their assigned students and parents/guardians to identify and implement an individualized learning plan, (ILP). At least every 20 school days, the Elite teacher, student and parent/guardian meet so that the teacher can assess student understanding of the material covered thus far, reteach concepts not yet mastered, and administer benchmark assessments and other Common Core-aligned diagnostic tests to be sure that the students are gaining a true understanding of the concepts being presented.

Elite teachers provide weekly synchronous and live lessons aligned to the Common Core and all necessary materials to support these lessons. Elite students use Common Core SBE approved curricula such as Pearson, Glencoe, Prentice Hall, Evan-Moor, Houghton Mifflin-Harcourt, and other textbooks as described in the parent curriculum list.

Students are required to complete their monthly assignments in order to stay on track and meet their individualized goals. In addition to scheduled learning period meetings, students and parents/guardians have access to their teachers during the school day via phone, email, online domains, and one-on-one appointments, as needed. Elite's teachers act as partners of the parent/guardian to ensure student achievement through a flexible, rigorous, relevant, individualized, and standards-based aligned education.

Students have access to tutors, small group instruction, and enrichment opportunities to explore their individual passions and develop a solid foundation in the areas of their academic weaknesses as well. Students may choose to attend EAA-LU sponsored field trips and group activities.

Professional Development

Elite Academic Academy Professional Development is targeted and designed to improve the instruction of all learners.

The essential focus for upper lever administration (Cabinet and Directors) this year for Elite Academic Academy is student work and data. Bi-weekly Leadership meetings include professional development centered on multiple topics in support of this work: Understanding the Power of Presence; Defining High Quality Instruction; Supporting the Social Emotional Needs of Students; and Data-Informed Decision Making. This professional development takes place all year to ensure full implementation.

COVID has created diverse academic and emotional needs in students, families, and staff, as evidenced by parent workshops; student engagement levels; and local assessment data. To help staff support our families as well as themselves, we continue to partner with the YouSchool to provide a yearlong professional development series on the topic, "Guiding Students to Build Meaningful Lives." The series includes weekly videos for staff and families, as well as five professional development sessions with staff and two parent workshops.

Content Teachers continue to attend Professional Development focused on high quality curriculum and engaging delivery. The series focuses on learning objectives; the use of Universal Design for Learning principles; EdTech integration strategies; Formative and Summative assessment techniques; and student engagement. Teachers meet monthly and receive coaching support in-between meetings.

EAA also believes in building leadership at every level. At Elite we hire instructional lead teachers which are experienced teachers to serve as professional coaches focused on curriculum, teaching strategies, independent study best practices, literacy, and English Learners. Lead teachers provide individualized ongoing professional development in order to support student learning in the charter. They provide one-to-one support for newly hired or struggling teachers. These leads work directly for their unique Academy Directors as well as working with the Chief Academic Officer to provide teacher workshops and family engagement workshops.
