Year-Round Opportunities	3

Elite High School's Class of 2023 is gearing up for its much-awaited commencement ceremony, which will take place on June 14, 2023, at the beautiful Hawk Ranch in Murrieta, California. The students and staff members are eagerly looking forward to celebrating the fantastic accomplishments of our graduates.

This year, Elite High School is proud to have two Valedictorians and two Salutatorians for their 2023 graduating class. **Calliope Hall** has been named as Homeschool Academy's Valedictorian, while **Ashlyn Solano** has secured the title of Salutatorian for Homeschool Academy. **Caleb Davies** has been awarded the prestigious title of Valedictorian for Virtual Academy, followed by **Samantha Atamain** as the Salutatorian for Virtual Academy. Congratulations to all four students for this exemplary achievement!

When interviewed about their experience, many of the graduates acknowledged the unwavering support and guidance of their teachers and staff members. Ryza S. shared how grateful she was for the support she received from her teacher of record and support teacher when she was facing challenges with assignments. Alyssa C. appreciated the excellent communication and care she received from her teachers, while Victoria C. highlighted the close-knit community at Elite that played a pivotal role in her success.

With the help of their teachers and staff members, the Class of 2023 has achieved remarkable feats and is now ready to embark on a new journey towards success in their post-graduation endeavors. Congratulations to Elite High School's Class of 2023, and we wish them all the best in their future endeavors!

CLASS
OF
2023

SENIOR SPOTLIGHT: SALUTATORIAN SAMANTHA A.

Samantha's remarkable journey with Elite will conclude this June, marking the commencement of an exciting chapter in her life.

We are thrilled to announce that Samantha has officially committed to Arizona State University, a decision that fills her with absolute enthusiasm. With ASU as her undergraduate institution, Samantha sets her sights on the University of Chicago for her graduate program.

However, before her educational pursuits resume in the upcoming fall, Samantha has an extraordinary adventure awaiting her. She will visit Japan during the summer months, a destination that has held the top spot on her must-visit list for quite some time.

Her achievements fill us with immense pride, and we wholeheartedly congratulate her on her well-deserved success. As she sets forth on her educational journey at ASU, we eagerly anticipate extraordinary opportunities and achievements in her future. Samantha's future is radiant with promise, and we cannot wait to witness her continued growth and accomplishments.

K, 5TH AND 8TH GRADE PROMOTERS SOAR

In June, Elite will be hosting virtual celebrations to honor our students who are advancing from kindergarten, 5th, and 8th grades. We celebrate the accomplishments of all our promoted students, and we would like to shine a spotlight on three outstanding individuals, each representing one of the grade levels.

Cooper, who is promoted to high school next year, has truly gone above and beyond in his pursuit of knowledge. He has eagerly embraced a wide array of learning experiences, enrolling in two virtual high school courses and participating in Elite Student Leadership. Additionally, he was selected as a delegate to the esteemed 2023 4H Youth Ignite Summit, where he attended leadership seminars and engaging STEM workshops in Washington, DC.

Lorelei, a remarkable fifth-grade student, recently showcased her talent in the ballet production of CINDERELLA at the renowned Pechanga Theater in Temecula. She has consistently displayed her exceptional skills in a multitude of performances here in Southern California.

Lastly, let us recognize the remarkable perseverance and kind-heartedness of Orion, a kindergarten student. Despite encountering challenging lessons, he maintains a positive attitude and demonstrates unwavering determination.

To all our promoting students, we extend our heartfelt congratulations on your achievements!

K-8 YEAR-ROUND LEARNING OPPORTUNITIES

SUMMER GROWTH ACADEMY

Current 1st-8th graders are invited to participate in Elite's Summer Growth Academy and receive an exciting selection of books in the mail to read.

These students meet with an Elite educator every Tuesday and Thursday from July 6th to August 3rd, building community, discussing their reading, and having fun while learning! If you are a Summer Growth Academy student, we look forward to seeing you in July!

S.O.A.R.

S.O.A.R. is the perfect space for our current 1st - 8th graders looking for extended opportunities to explore and challenge themselves this summer.

Students who participate will jump into dynamic game development courses provided through Stanford University's Digital Literacy Academy from July 5th to August 4th. Students will meet every Monday and Wednesday with an Elite educator who will guide and support them through the lessons! Visit ParentSquare to apply!

HIGH SCHOOL YEAR-ROUND LEARNING OPPORTUNITIES

Our **Credit Recovery** program allows students to recover ten credits to ensure requirements for graduation are met on time! Students have access to our full Level Up virtual course catalog, including A-G & NCAA-approved courses in the area of core academics, world languages, health, and other electives.

Students looking to get ahead of schedule, take intensive courses, and expand their horizons are perfect candidates for our Acceleration program. Whether students are looking to take core classes early or explore areas such as web design, Esports, and creative songwriting, Elite is prepared to help students soar!

Are you a student-athlete looking to level up your game? **Peak Performance** is a cutting-edge athletic program that focuses on the connection between mind, body, and top athletic performance. Students will complete ten credits of rigorous, engaging sports-centered coursework while participating in daily athletic training with their coach.

The deadline for Credit Recovery/Acceleration and Peak Performance is June 17th! Visit ParentSquare for more information and visit the Level Up webpage at www.eliteacademic.com under the Academies tab.
