Teacher Updates

February has been an incredible month. **Teachers are actively completing Middle of the Year iReady assessments, and discussing results with students and parents.** It's exciting to see and celebrate student growth. In addition to iReady, initial CAASSP training and planning has begun. Teachers have set up their TOMS accounts, and are beginning their Moodle training.

Teachers are meeting with each student and parents for about 1 hour at the end of the Learning Period to evaluate progress, discuss growth, goals, curriculum and course changes, etc.

MOY Assessments

Several Homeschool students surpassed their Typical & Stretch Annual Growth Goals and Stretch Growth Goals in i-Ready:

Student Highlight: Jeremy N.

Jeremy designed a website to highlight the "Best Campgrounds" in Southern California and Yosemite. Jeremy's Best Campgrounds is a great resource for all camping enthusiasts. On the website you will find brief overviews of each site including: amenities, nearby hikes, driving distance from San Diego, recommendations for the best time to go, and links to reserve your own campsite and photos.

Elite Virtual Academy

Director: Ms. Ashlea Kirkland-Haynes Assistant Director: Ms. Allison Watters

Virtual teachers have actively been working hard with students on beginning their Middle of the Year iReady assessments. Virtual teachers hosted a synchronous virtual MOY assessment on February 24, 2022. Additionally, teachers have begun preparing for CAASPP by working with students on their tech surveys, completing online training, and discussing CAASPP tips and tricks for success.

Virtual Connection Sessions 2/17

Ms. Curtis hosted an amazing Synchronous session on Scheduling/Organization tips and tricks (Google Calendar, Canvas, Tasks, etc). She had the students begin with a Kahoots game, then hosted a presentation followed by small group work with their teacher of record, and ended with a Jamboard. The picture below shows what the students learned during their session with Ms. Curtis!

Small Work Meetings

Ms. Hutchins hosts three work sessions meetings a week. During these work sessions, Ms. Hutchins has students working while she is there to offer support. Some students just like to attend to interact with the other kids, some truly need tutoring while others like to work with other kids on assignments.

Student Highlights

Congratulations to Sydney McDonald on her success with our Fast Forward program! She went from a 10thgrade reading level (still above grade level for her) to an 11.6 grade level in reading in just a short time! This program not only helps our low students but our on-target students have seen growth as well! Great job, Sydney!

In-Person Field Trips

Flex teachers enjoy meeting with their students in person. This allows us to connect more with students and get to know them outside of the Zoom platform. Students and teachers especially enjoyed the Cathedral Canyon Hike and The Living Desert Zoo field trips this month.

Elite Flex Academy

Director: Mrs. Monique Waithe

February has been dedicated to middle-of-the-year assessments, CAASPP Prep, and student engagement. Teachers continue to support students in making academic growth and finding success in our program. Teachers are creative and encourage/incorporate hands-on learning as much as possible. We believe that all students can learn and we do our best to find ways to engage students, celebrate their strengths and successes, and develop a love for learning.

MOY Data

Flex teachers have been working hard to administer middle-of-the-year assessments. Many of our students started below grade level and we are elated to see students show growth on their assessments. These assessments will be key to making new goals and continuing to support students in all areas of their learning.

of students who have completed Math MOY = 245
of students who have completed the Reading MOY = 227

CAASPP Prep

February has been CAASPP Prep month. Teachers set up their TOMs accounts, completed their Moodle CAASPP training, and completed tech surveys for all of their testing students. They also took a practice test on the CAASPP website to better support students. Flex has 266 students taking the CAASPP this year. To help prepare them to do their best on this assessment, Flex teachers ordered grade-level specific CAASSP Prep workbooks through Mimeo. Students will receive their workbooks by next week and teachers will review the content with them during their weekly synchronous sessions.

Flex Student Shout Out

Flex would like to give a huge shout-out to our third-grade students Ava and Solana. These two phenomenal students started the Rad Readers Club this month. They created a Rad Readers Club Commercial, a PowerPoint presentation, and facilitated their entire club meeting. They honored and respected the students who attended and had a blast reading with other students. About 15 students attended their first meeting. Way to go Ava and Solana!

Teacher Shout-Out

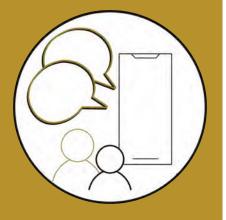

Flex would like to give a shout-out to Sarah O'Conner. This is Sarah's first year working with Elite. Since joining the Flex team, Sarah has done a phenomenal job supporting students and families. She takes pride in every student and works hard to create individualized plans that fit the needs of each student. She pushes students to do their best at all times and encourages them to explore areas they are passionate about. She recently went above and beyond by supporting her two third-grade students, Ava and Solana, in creating a reading club for all students at Elite. She helped them structure and promote the club. She also monitored the club as they facilitated their first meeting on February 22, 2022. Thank you for being Elite Sarah!

Synchronous Session Celebration

Tamara Radford and Jacinta Weitz co-host our Engish 6B live sessions. All Flex students are invited to these sessions. Since starting these live sessions, we have seen significant improvement in class attendance and engagement in this course. They also started an English 6B study hall session to support students who need additional support in this class. Students are loving their presentations and overall energy in these live sessions. We appreciate their collaboration to support all Flex students. #BeElite!

Marketing Academy

Students have been extremely busy in the Marketing Academy this month. **Digital Publishing students** have been working on the initial page layouts for events and clubs for this year's Yearbook. In Digital Marketing, students are conducting a SWOT analysis on a company of their choice. In JavaScript, students are learning the basics of using the Sublime text editor and adding a point system and sound effects to a game. In Wearable Technology, students are learning about product design and components of wearables.

For the Be Elite Podcast, students were a part of our eSports episode, where Mr. Smith and Mr. Allanson discussed what the eSports program will consist of here at Elite. Students will also be interviewing a student who wrote her own book this month, learning how this young author took her idea and made it a reality.

Elite Adventure CTE Pathway

Lead: Mr. Tom Olson Director: Ms. Ashlea Kirkland- Haynes

Adventure Academy

Students in the Adventure Academy have been focused on fundamentals up until the start of the 3rd Unit on February 28th. Boating Careers and Coastal Preparedness have been busy learning about the dangers and risks associated with recreation, as well as fundamental skills and terminology that is necessary to understand the upcoming topics. The 3rd Unit marks a major change in all of the Adventure Academy courses with hands-on projects and interactive lessons. Coastal Preparedness students work on completing their Red Cross First Aid Training, and prepare to start planning their coastal adventure. This project will be the foundation for the rest of the course, and will guide students through the process of planning a backpacking trip into remote wilderness. Boating Careers has a different focus as students have an entire week of rope skills coming up, including knot tying, coiling and hitching, as well as a tackle system lab.

Quest Crew

The Quest Crew had an exciting month during February! Our explorers headed to the desert to discover natural sciences through experiences. On February 8th, over 60 Elite students and family members convened at the Palm Springs Aerial Tram for a day of experiments and exploration. The day began with a lesson on atmospheric pressure, and students tested the phenomena of changing pressure due to elevation using a balloon. **Each student created a hypothesis as to if the change in elevation would cause the gas inside the balloon to expand, contract or remain the same.** We further exemplified the effect of atmospheric pressure by boiling water at the base of the tram, and boiling it again at the tip of the tram. The Palm Springs Aerial tram rises over 6000', and our experiments showed that water boiled at 96°C at 2600' of elevation, and boiled at 90°C at 8,600' - a remarkable difference. We changed topics after our experiment and students embarked on a forest scavenger hunt for the trees that call San Jacinto home.

Students follow Mr. O through the forest of San Jacinto State Park on an ecology scavenger hunt.

On the next day, the adventure continued as a group of a dozen Elite students joined Mr. O for a desert wander up Cathedral Canyon. The crew picked their way up the wash of the canyon, weaving through creosote bush, brittlebush and catsclaw acacia. **Students had a great time scaling the boulders and rocks in the canyon, and a few adventurous students found a bighorn sheep horn!** This sparked an impromptu lesson on horns versus antlers, and fur versus hair. It turns out, the horns of a bighorn sheep are a conglomerate of keratin; essentially the equivalent of hair and toenails growing out of your head. Kids found that fact rather gross, but it didn't keep them from passing around the horn to get their picture taken.

Students explore the walls of Cathedral Canyon and vie for a turn with the horn we found.

Elite 579 Club members gear up for the California Physical Fitness Test.

2021-2022 California Physical Fitness Test- D.I.Y. Rock the Test!

The Physical Fitness Test (PFT) is a comprehensive, health-related physical fitness battery of tests for students in California. The State Board of Education designated the FITNESSGRAM® as the PFT for students in California public schools. The test has five parts that show a level of fitness that offer a degree of defense against diseases that come from inactivity. The test results can be used by students, teachers, and parents. The FITNESSGRAM® consists of five fitness areas: Aerobic Capacity, Abdominal Strength and Endurance, Upper Body Strength and Endurance, Trunk Extensor Strength and Flexibility. The FITNESSGRAM® results are one piece of information students and their families can use, along with other information, to monitor overall fitness. The results are also useful for schools to monitor their physical education programs. The PFT is given to all students enrolled in a California public school in grades five, seven, and nine. Students with disabilities should be given as much of the test as each student's physical condition permits. The PFT is a physical fitness test and requires every student in grades five, seven, and nine to perform a series of physical tasks. For any questions, please contact us at (866) ELITE-02 ext. 709 or <u>aallanson@eliteacademic.com</u>.

CAASPP training is underway for teachers and proctors. Teachers attended the first workshop in early February and will attend a workshop each month to discuss key concepts, tech requirements and review resources. The theme for this year is "Rock the Test". Each workshop will focus on incorporating test strategies and platform practice into instruction or synchronous sessions to ensure our students are well prepared.

Special Education

<u>Counseling</u>

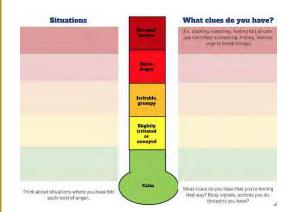

The first half of February brought increased interest in individual counseling! Our school social worker is now meeting with 20 students regularly and has 5 on her waitlist. In this first half of February, Melissa has provided 27 direct counseling hours, approximately 16 hours of treatment planning, 6 hours creating new intervention materials, and roughly 15 hours of parent & teacher contact to coordinate

Our school social worker is thrilled to announce that we had our first GSA (Genders & Sexualities Alliance) meeting on Friday! This club welcomes all high school students who are looking for a safe place to be themselves and be accepted exactly as they are. We had 5 high school students and 1 teacher join us, so we are looking forward to growing the club throughout the semester.

AT-WILL EMPLOYMENT AGREEMENT

Between Elite Academic Academy Charter - Lucerne

Name:

in the position of

Title: Teacher of Record - Flex

February 4, 2022

We are pleased to offer you the position of full-time exempt Teacher of Record - Flex, with Elite Academic Academy - Lucerne (the "School") which commenced February 1, 2022. We are delighted you chose to continue with the Elite Academic team. The terms of your employment offer are set forth in this At-Will Employment Agreement (the "Agreement"), and are conditioned upon the receipt of proof of your legal eligibility to work in the United States (IRS I-9) and successful completion of all background (Livescan) checks (both of which have already been completed and cleared). They are as follows:

Your job duties are detailed in the attached job description (which you previously signed on and you will report to the Director of Flex, or designee.

You are compensated for the general value of services you perform and not for the amount of time you spend on the job. Thus, you will generally be paid your set salary notwithstanding the number of hours you work. However, to ensure that you can be reached by your supervisor and communicate with those individuals who will assist you in performing your job duties, you are generally expected to work Monday to Friday during normal business hours.

Due to funding uncertainties generally, and more specifically associated with the School's required participation in the SB 740 funding process for non-seat-time charter schools, as well as the unpredictability of legislation affecting charter schools, the total amount of School funds available for employee compensation is often unknown to the School at the outset of any academic year. Accordingly, you will be paid a minimum annual salary of \$62,000 less applicable withholdings for 187 days of work (per the staffing calendar you previously signed on August 23, 2021), which amount may be adjusted upward, during or at the conclusion of the academic year, by the School's governing board in its sole discretion. [Note: Your monthly salary will be \$5,636.36 for the months of February 2022 thru June 2022; \$62,000 divided by 11 months (which is what your 187 staffing calendar represents) is \$5,636.36.].

You will also receive a stipend of \$50.00 a month for mileage (in lieu of mileage reimbursement). You will be paid once a month on, or before, the 26th of each month.

Salary increases and annual bonuses may be awarded at the end of each calendar year, at the sole and absolute discretion of the CEO, based upon, among other things, an employee's performance and the School's overall performance during the calendar year.

You will be eligible for all benefits as generally offered to similarly situated employees of the School, including accrual of sick pay, and contributions to California State Teachers Retirement System, as further described in the Employee Handbook.

The charter offers Health and Welfare benefits, totaling \$10,800 a year (or \$900 a month), which can be used to purchase medical, dental, and vision insurance benefits offered through the Charter providers. You may "opt out" of medical insurance provided by the charter, and retain a monthly allotment of \$200. You will be eligible for the Health and Welfare benefits, beginning March 1, 2022.

Your employment at the School is "at will," which means that it is of no definite duration and will continue only as long as both you and the School consider it of mutual benefit. Either you or the School is free to terminate the employment relationship at any time, with or without cause and with or without notice. Although your job duties, title, compensation and benefits, as well as our personnel policies and procedures, may change from time-to-time, the "at will" nature of your employment may only be changed in a document signed by you and the CEO of the School.

It is a condition of your employment that you sign our Arbitration Agreement (which you previously signed) which provides that any disputes between you and the School be submitted to binding arbitration. You should notify the School in writing of any complaints you have with respect to your employment so that any issues can immediately be addressed and rectified.

It is also a condition of your employment that, upon starting employment, you sign our Confidentiality Agreement (which you previously signed), which contains additional requirements for the protection of the School's trade secret, confidential and proprietary information as well as an assignment to the School of the ideas, concepts and other intellectual property that you create while you are employed by the School. The School is an equal opportunity employer. School policy prohibits discrimination, retaliation, or harassment based on actual or perceived ancestry, race, color, religion, including religious dress and grooming practices, national origin, including language use and possession of a driver's license issued to persons unable to prove their presence in the United States is authorized under federal law, citizenship, marital status, sex, pregnancy, childbirth, breastfeeding, or related medical conditions, gender, gender identity, gender expression, sexual orientation, age (40 and above), military or veteran status, physical or mental disability, including HIV and AIDS, medical condition, including cancer or a record or history of cancer, genetic characteristic or information, protected medical leaves (e.g., leave under the Family and Medical Leave Actor or the California Family Rights Act), domestic violence victim status, political affiliation, and any other status protected by federal, state, or local laws. This commitment applies to all personnel decisions and to all persons involved in the operations of the School. In addition, you are expressly prohibited from discriminating against, retaliating against, or harassing any student of the School. You must treat all students and third parties working for or on behalf of the School respectfully and appropriately.

You affirm that you are not a party to any agreement(s) such as a non-competition agreement that would prohibit you from employment with us.

This letter agreement, when accepted by you, constitutes our entire agreement and supersedes all prior agreements and representations whether written or oral. This letter agreement may be amended only by a writing signed by both yourself and the School.

On your first day of work you will be required to complete the INS form I-9. Please bring appropriate identification that shows your eligibility to work in the United States.

If these terms are acceptable to you, please sign one copy of this offer letter and return it at your earliest convenience. This offer will remain open for 5 working days.

We are looking forward to you contributing to the Certificated Teaching Department, and personally growing with the School.

[NEW HIRE] [HOME ADDRESS]

Dear [NEW HIRE],

We are pleased to offer you the position of full-time exempt [POSITION TITLE] with Elite Academic Academy- [SCHOOL] (the "School") commencing July 1, 2022 (please see below regarding employment start date) and including 3 Professional Development days (DATE, DATE, AND DATE). We are delighted you chose to join the Certificated Teaching Department and are confident you will enjoy it here. The purpose of this letter is to summarize the terms of your employment with the School as set forth in this At-Will Employment Agreement (the "Agreement"), should you accept our offer. This offer of employment is conditioned upon the receipt of proof of your legal eligibility to work in the United States (IRS I-9) and successful completion of all background (Livescan) checks.

The terms of your employment with the School are as follows:

1. <u>Iob Duties.</u> Your job duties are detailed in the attached job description (Exhibit A) and you will report to [SUPERVISOR TITLE], or designee.

2. <u>At-Will Employment.</u> Your employment at the School is "at will," which means that it is of no definite duration and will continue only as long as both you and the School consider it of mutual benefit. Either you or the School is free to terminate the employment relationship at any time, with or without cause and with or without notice. Although your job duties, title, compensation, and benefits, as well as our personnel policies and procedures, may change from time-to-time, the "at will" nature of your employment may only be changed in a document signed by you and the CEO of the School.

3. <u>Work Hours.</u> You are compensated for the general value of services you perform and not for the amount of time you spend on the job. Thus, you will generally be paid your set salary notwithstanding the number of hours you work. However, to ensure that you can be reached by your supervisor and communicate with those individuals who will assist you in performing your job duties, you are generally expected to work Monday to Friday during normal business hours.

4. Compensation. Due to funding uncertainties generally, and more specifically associated with the School's required participation in the SB 740 funding process for non-seat-time charter schools, as well as the unpredictability of legislation affecting charter schools, the total amount of School funds available for employee compensation is often unknown to the School at the outset of any academic year. Accordingly, you will be paid a minimum annual salary of \$62,000, less applicable withholdings, for 187 days of work (see calendar attached) and 3 days of Professional Development (see above), which amount may be adjusted upward during or at the conclusion of the academic year by the School's governing board in its sole discretion. You will also receive a stipend of \$50.00 a month for mileage (in lieu of mileage reimbursement). [IF REMOTE: You will also receive a \$10,000 "Travel" stipend (\$833.33 a month), to be used in order for you to travel to California, approximately 4 to 6 times in a school year. [Note: Such travel (including airfare, rental car, lodging, food, etc) must be reasonable and comparable to non-profit organizational travel; and not consist of First Class accommodations.] You will be paid once a month on, or before, the 26th of each month. Salary increases and annual bonuses may be awarded at the end of each calendar year, at the sole and absolute discretion of the CEO, based upon, among other things, your performance and the School's overall performance during the calendar year.

<u>Paid Leave of Absence</u>: From July 1, 2022 through August 17, 2022 (the "Summer"), you are not expected to render teaching services to students. Therefore, during the Summer, you shall be on a paid leave of absence and will receive your regular salary and health insurance benefits during those months per the schedule noted above.

5. <u>Benefits.</u> You will be eligible for all benefits as generally offered to similarly situated employees of the School, including contributions to California State Teachers Retirement System, as further described in our Employee Handbook. The School also offers Health and Welfare benefits, after one month of employment, totaling \$10,800 a year (or \$900 a month), which can be used to purchase medical, dental, and vision insurance benefits offered through the Charter providers. You may "opt out" of medical insurance provided by the Charter and retain a monthly allotment of \$200. For more information, please see the plan

benefits.

6. <u>Arbitration</u>. It is a condition of your employment that you review our Arbitration Agreement (attached) which provides that any disputes between you and the School be submitted to binding arbitration. You should notify the School in writing of any complaints you have with respect to your employment so that any issues can immediately be addressed and rectified.

7. <u>Confidentiality</u>. Because of the nature of our work and the highly confidential information we provide to our employees, you will be required to execute a Confidentiality and Non-Disclosure agreement (attached), which will remain in full force and effect after your employment.

8. Equal Employment Opportunity. The School is an equal opportunity employer. School policy prohibits discrimination, retaliation, or harassment based on actual or perceived ancestry, race, color, religion, including religious dress and grooming practices, national origin, including language use and possession of a driver's license, citizenship, marital status, sex, pregnancy, childbirth, breastfeeding, or related medical conditions, gender, gender identity, gender expression, sexual orientation, age (40 and above), military or veteran status, physical or mental disability, including HIV and AIDS, medical condition, including cancer or a record or history of cancer, genetic characteristic or information, protected medical leaves (e.g., leave under the Family and Medical Leave Actor or the California Family Rights Act), domestic violence victim status, political affiliation, and any other status protected by federal, state, or local laws. This commitment applies to all personnel decisions and to all persons involved in the operations of the School. In addition, you are expressly prohibited from discriminating against, retaliating against, or harassing any student of the School. You must treat all students and third parties working for or on behalf of the School respectfully and appropriately.

9. <u>Prior Agreements.</u> You affirm that you are not a party to any agreement(s) such as a non-competition agreement that would prohibit you from employment with us.

10. <u>Organization Policies.</u> If you accept this offer and begin employment, on your first day of employment, you will be given additional information about the School, including but not limited to its Employee Handbook and other policies and procedures

11. <u>Entire Agreement.</u> This Agreement and its Exhibit A, and accompanying attachments, when accepted by you, constitutes our entire agreement and supersedes all prior agreements and representations whether written or oral. This Agreement may be amended only by a writing signed by both yourself and the CEO of the School. To the extent this Agreement or its attachments conflict with our Employee Handbook or any other policy or procedure, this Agreement or its attachments, as the case may be, shall control.

On your first day of work, you will be required to complete the INS form I-9. Please bring appropriate identification that shows your eligibility to work in the United States.

If these terms are acceptable to you, please sign one copy of this offer letter and return it at your earliest convenience. This offer will remain open for 5 working days.

Once again, we are looking forward to you joining the Elite Academic Academy- [SCHOOL] team, contributing to the Certificated Teaching Department, and personally growing with the School.

Sincerely,

Meghan Freeman CEO

CERTIFICATED NOTICE OF EMPLOYMENT

I hereby accept this offer of employment (as outlined in the attached job description) and agree to comply fully with each and every condition thereof, and to fulfill faithfully all of the duties of employment as **TITLE** of Elite Academic Academy- School for the 2022-2023 school year.

The terms of your employment offer are conditioned upon the receipt of proof of legal eligibility to work in the United States (IRS I-9) and successful completion of all background (Livescan) checks.

It is understood that the period of employment will be from July 1, 2022 - June 30, 2023.

Due to funding uncertainties generally, and more specifically associated with the School's required participation in the SB 740 funding process for non-seat-time charter schools, as well as the unpredictability of legislation affecting charter schools, the total amount of School funds available for employee compensation is often unknown to the School at the outset of any academic year. Accordingly, you will be paid a minimum annual salary of \$125,000, less applicable withholdings for 232 days of work (see calendar attached), which amount may be adjusted upward, during or at the conclusion of the academic year, by the School's governing board in its sole discretion. You will also receive a stipend of \$250 a month for travel and mileage (in lieu of mileage reimbursement).

You will be paid once a month on, or before, the 26th of each month. Salary increases and annual bonuses may be awarded at the end of each calendar year, at the sole and absolute discretion of the CEO, based upon, among other things, your performance and the School's overall performance during the calendar year.

You will be eligible for all benefits as generally offered to similarly situated employees of the School, including contributions to California State Teachers Retirement System, as further described in our Employee Handbook. The School also offers Health and Welfare benefits, after one month of employment, totaling \$10,800 a year (or \$900 a month), which can be used to purchase medical, dental, and vision insurance benefits

offered through the Charter providers. You may "opt out" of medical insurance provided by the Charter and retain a monthly allotment of \$200. For more information, please see the plan benefits.

You will accrue 15 vacation days per year (1.25 per month), verified by your work calendar that must be used by the end of the contracted year, with a maximum of a 5-day rollover. The **TITLE** will also accrue sick days (as outlined in the Employee Handbook).

Notwithstanding any other provisions of this Agreement, the Board, at its sole discretion, shall upon giving thirty (30) days' written notice, have the option to terminate this agreement without cause. Within the 30-day notice period, the TITLE shall have the opportunity to propose a cure and correction plan to the CEO, and the Board shall have the sole discretion to allow the TITLE to implement the cure and correction plan. If the Board elects the option to terminate this agreement, however, it shall pay the TITLE in one (1) lump sum payment within one hundred twenty (120) days of giving written notice of termination, an amount equal to the lesser of the salary for a period of three (3) months or the salary for the number of months remaining on the agreement, if such remainder is less than three (3) months. In addition, the health benefits will be maintained by the charter school covering the same length of time or until the TITLE finds other employment, whichever is less. The calculation for purposes of the lump sum payment shall not include any payment for vacation that would have been earned following thirty (30) days after the date of the notice of termination. If this agreement is terminated for cause, none of the aforementioned benefits will apply and the employee will forfeit any claims.

It is a condition of your employment that you review our Arbitration Agreement (attached) which provides that any disputes between you and the School be submitted to binding arbitration. You should notify the School in writing of any complaints you have with respect to your employment so that any issues can immediately be addressed and rectified.

It is also a condition of your employment that you sign our Confidentiality and Non-Disclosure Agreement (attached), which contains additional requirements for the protection of the School's trade secret, confidential and proprietary information as well as an assignment to the School of the ideas, concepts and other intellectual property that you create while you are employed by the School.

This offer of employment is subject to the laws of the State of California and Rules and Regulations of the State Board of Education and the Governing Board of the Charter. The terms and conditions set forth herein may be changed at any time by mutual consent of the contracting parties. The terms and conditions set forth herein may be changed at any time by mutual consent of the contracting parties. In the event that ADA declines or projections are not met after P1/P2 certification, resulting in a declining ending fund balance, the CEO reserves the right to re-negotiate and adjust the financial

terms of the contract within 30 days of a written notice. The CEO reserves the right to make any assignment that your credential authorizes and to change that assignment at its discretion. The above salary rate is subject to review (upward or downward) of official transcripts and if verified experience does not agree with the unofficial information supplied in your application.

If you wish to accept this offer of employment, please sign and return within 5 days.

Dear <mark>NAME</mark>,

We are pleased to offer you the position of full -time (non-exempt) ______ with Elite Academic Academy – COMPANY NAME (the "School") commencing July 1, 2022. We are delighted you chose to join the Elite Academic Academy team and are confident you will enjoy it here. The purpose of this letter is to summarize the terms of your employment with the School as set forth in this At-Will Employment Agreement (the "Agreement"), should you accept our offer. This offer of employment is conditioned upon the receipt of proof of your legal eligibility to work in the United States (IRS I-9) and successful completion of all background (Livescan) checks.

The terms of your employment with the School are as follows:

- 1. <u>Job Duties.</u> Your job duties are detailed in the attached job description ("Exhibit A") which is incorporated herein, and you will report to the <u>SUPERVISOR TITLE</u>, or designee. The duties set forth in Exhibit A may be amended from time to time at the sole discretion of the School.
- 2. <u>At-Will Employment.</u> Your employment at Elite Academic Academy is "at will," which means that it is of no definite duration and will continue only as long as both you and the School consider it of mutual benefit. Either you or the School is free to terminate the employment relationship at any time, with or without cause and with or without notice. Although your job duties, title, compensation and benefits, as well as our personnel policies and procedures, may change from time-to-time, the "at will" nature of your employment may

only be changed in a document signed by you and the Chief Executive Officer of the School.

- 3. <u>Hours of Employment.</u> Your days of work, and hours of employment, will be Monday through Friday at hours determined by the School and your direct supervisor, provided that ordinary working hours shall not exceed 8 hours per day, or 40 hours per week, *unless agreed upon by the School in advance.* We anticipate that there will be occasions when we will ask you to work overtime. All overtime hours must be approved in advance by your supervisor
- 4. <u>Best Efforts.</u> You agree that you will at all times faithfully, industriously, and to the best of your ability perform all of the duties that may be required of you by the School which shall include:
 - a. Fulfilling the job duties and functions enumerated in the job description, attached hereto as Exhibit A;
 - b. Such other duties as assigned by the Board of the School or your supervisor from time-to-time as necessary in the School's discretion and judgment to effectuate the purposes of this Agreement including assignments that are in addition to those expressly described in this Agreement or its Exhibit A;
 - c. Attending any scheduled School events or training or planning sessions before or during the school year if requested by your direct supervisor; and
 - d. Following and abiding by the School's policies and procedures as adopted and amended from time-to-time, including those policies and procedures set forth in the School's current Employee Handbook, which may be amended from time to time at the sole discretion of the School.
- 5. <u>Non-Competition During Employment.</u> You agree that while you are working for the School, you will not render services in person or by electronic means, paid or otherwise, to any other entity, unless prior written approval is given by the CEO.
- 6. <u>Compensation</u>. Due to funding uncertainties generally, and more specifically associated with the School's required participation in the SB 740 funding process for non-seat-time charter schools, as well as the unpredictability of legislation affecting charter schools, the total amount of School funds available for employee compensation is often unknown to the School at the outset of any academic year. Accordingly, you will be paid a minimum annual salary of **\$RATE**, which is a monthly salary of **\$___**, and is **\$___** per pay period, less applicable withholdings for 239 days of work (see calendar attached), which amount may be adjusted upward during or at the conclusion of the academic year by the School's governing board in its sole discretion. We anticipate that there will be occasions when we will ask you to work overtime. For any overtime hours worked, you will also receive a stipend of **\$___** a month (or **\$__** per pay period) for travel and mileage (in lieu of mileage reimbursement). [IF APPLIES.] You will be paid twice a month on, or around, the 10th and 26th of each month. Human Resources will confirm your exact pay dates.

- 7. <u>Benefits.</u> You will be eligible for all benefits as generally offered to similarly situated employees of the School as described in the School's Employee Handbook. The School also offers Health and Welfare benefits, after one month of employment, totaling \$10,800 a year (or \$900 a month), which can be used to purchase medical, dental, and vision insurance benefits offered through the Charter providers. You may "opt out" of medical insurance provided by the Charter, and retain a monthly allotment of \$200. For more information, please see the plan benefits.
- 8. <u>Meal and Rest Periods.</u> You shall be given a duty-free, uninterrupted unpaid meal period of at least thirty minutes for a work period of over 5 hours in a day and one rest break of 10 minutes for every 4 hours worked or major fraction thereof. Your supervisor will schedule the times for your meal and rest periods.
- 9. <u>Timekeeping</u>. You are required to record your time via our timekeeping system, in Paycom. You will be provided with specific instructions regarding this system. You will be responsible for reviewing, approving, and submitting your time to your supervisor. You must report any instance where you believe your time, or pay, is inaccurate to the payroll department.
- 10. <u>Arbitration</u>. It is a condition of your employment that you review the School's Arbitration Agreement (attached) which provides that any disputes between you and the School be submitted to binding arbitration. You should notify the School in writing of any complaints you have with respect to your employment so that any issues can immediately be addressed and rectified.
- 11. <u>Confidentiality.</u> Because of the nature of our work and the highly confidential information we provide to our employees, you will be required to execute a Confidentiality and Non-Disclosure Agreement (attached), which will remain in full force and effect after your employment.
- 12. Equal Employment Opportunity. The School is an equal opportunity employer. School policy prohibits discrimination, retaliation, or harassment based on practices, national origin, including language use and possession of a driver's license issued actual or perceived ancestry, race, color, religion, including religious dress and grooming practices, national origin, including language use and possession of a driver's license, citizenship, marital status, sex, pregnancy, childbirth, breastfeeding, or related medical conditions, gender, gender identity, gender expression, sexual orientation, age (40 and above), military or veteran status, physical or mental disability, including HIV and AIDS, medical condition, including cancer or a record or history of cancer, genetic characteristic or information, protected medical leaves (e.g., leave under the Family and Medical Leave Actor or the California Family Rights Act), domestic violence victim status, political affiliation, and any other status protected by federal, state, or local laws. This commitment applies to all personnel decisions and to all persons involved in the operations of the School. In addition, you are expressly prohibited from discriminating against, retaliating against, or harassing any student of the School. You must treat all students and third parties working for or on behalf of the School respectfully and appropriately.
- 13. Prior Agreements. You affirm that you are not a party to any agreement(s) such as a

non-competition agreement that would prohibit you from employment with us.

- 14. <u>Organization Policies</u>. If you accept this offer and begin employment, on your first day of employment, you will be given additional information about the School, including but not limited to its Employee Handbook and other policies and procedures
- 15. <u>Entire Agreement.</u> This Agreement and its Exhibit A, and accompanying attachments, when accepted by you, constitutes our entire agreement and supersedes all prior agreements and representations whether written or oral. This Agreement may be amended only by a writing signed by both yourself and the CEO of the School. (d) To borrow money and to incur indebtedness on behalf of the Corporation, and to cause to be executed and delivered for the purposes of the corporation, in the corporate name,

promissory notes, bonds, debentures, deeds of trust, mortgages, pledges, hypothecations, or other evidences of debt and securities.

(e) To change the principal executive office or the principal office in the State of California from one location to another; to cause the Corporation to be qualified to conduct its activities in any other state, territory, dependency, or country and conduct its activities within or outside the State of California; and to designate any place within or outside the State of California for the holding of any Board of Directors meeting or meetings.

(f) To make donations for the public welfare or for community funds, hospital, charitable, educational, scientific, civic, religious, or similar purposes.

(g) To act as a trustee under any trust incidental to the principal objects of the corporation, and to receive, to hold, to administer, to exchange, and to expend funds and property subject to such trust.

(h) To receive endowments, devises, bequests, gifts, and donations of all kinds of property for its own use, or in trust, in order to carry out or to assist in carrying out, the objects and purposes of the corporation and to do all things and acts necessary or proper to carry out each and all of the purposes and provisions of such endowments, devises, bequests, gifts, and donations with full power to mortgage, sell, lease, or otherwise to deal with or dispose of the same in accordance with the terms thereof.

(i) To sell any property, real, personal, or mixed, owned by the Corporation at any time, and from time to time upon such terms as the board of directors may deem advisable, at public or private sale, for cash or upon credit.

(j) To retain sums received by the Corporation uninvested, if, in the discretion of the Board of Directors, such sums cannot be invested advantageously.

(k) To retain all or any part of any securities or property acquired by the Corporation in whatever manner, and to invest and reinvest any funds held by the Corporation, according to the judgment of the Board of Directors without being restricted to the class of investments that the Board of Directors is or may hereafter be permitted by law to make or any similar restriction; provided, however, that no action shall be taken by or on behalf of the Corporation if such action is a prohibited transaction or would result in the denial of the tax exemption under IRC Section 501 or Section 23701 of the California Revenue and Taxation Code.

(1) To invest funds received by the Corporation in stocks, bonds, mortgages, loans, whether secured or unsecured, or other investments as the Board of Directors shall deem advisable.

6.2. NUMBER AND QUALIFICATION. The authorized number of directors shall be no less than two (2) and no more than eleven (11), unless changed by amendments to these Bylaws.

6.3. RESTRICTION ON INTERESTED PERSONS AS DIRECTORS. No more than 49 percent of the persons serving on the Board of Directors may be interested persons (as defined in this Section 6.3). An "interested person" is (a) any person compensated by the Corporation for services rendered to it within the previous 12 months, whether as a full- or part-time employee, independent contractor, or otherwise, excluding any reasonable compensation, if any, paid to a director as director; or (b) any brother, sister, ancestor, descendant, spouse, brother-in-law, sister-in-law, son-in-law, daughter-in-law, mother-in-law, or father-in-law of any such person.

6.4. TERM OF OFFICE. Each director shall hold office for one (1) year. Each director, including a director elected to fill a vacancy, shall hold office until the expiration of the term for which elected and until a successor has been elected and qualified. Directors may serve consecutive terms. No reduction of the authorized number of directors shall have the effect of removing any director prior to the expiration of that director's term of office.

6.5. REMOVAL WITH CAUSE. A director shall be removed from the Board upon the occurrence of any of the following: (a) a declaration by a final order of court that a director is of unsound mind; (b) a conviction of a director for a felony; or (c) a finding by a final order of judgment of any court that a director has breached a duty under Article 3 of Chapter 2 of the Law.

6.6. REMOVAL WITHOUT CAUSE. Any director may be removed from office without cause by a vote of at least two-thirds (2/3) of the Directors entitled to vote and present at any meeting of the Board of Directors at which a quorum is present.

6.7. RESIGNATION. Except as provided below, any director may resign by giving written notice to the chairman of the Board, if any, or to the president, or the secretary, or to the Board of Directors. The resignation shall be effective when the notice is given unless the notice specifies a later time for the resignation to become effective. Except upon notice to the Attorney General of California, no director may resign if the corporation would then be left without a duly elected director or directors in charge of its affairs.

6.8. VACANCIES. Vacancies in the Board of Directors, including vacancies resulting from an increase in the number of Directors, shall be filled by a majority vote of the Directors remaining in office even if they constitute less than a quorum. A Director appointed to fill a vacancy shall take office immediately upon appointment and shall hold office for the unexpired term of his or her predecessor.

6.9. PLACE OF MEETINGS AND MEETINGS BY TELEPHONE. Any meeting of the Board of Directors may be held at any place within or outside the State of California that has been designated from time to time by resolution of the Board or in the notice of the meeting. In the

absence of such designation, meetings shall be held at the principal executive office of the Corporation. Any meeting, annual, regular or special, may be held by conference telephone or similar communication equipment, so long as all directors participating in the meeting can hear one another. All such directors shall be deemed to be present in person at such telephonic meeting.

6.10. ANNUAL AND REGULAR MEETINGS. The annual meeting of the Board of Directors shall be held each year on the date and time as may be fixed by the Board of Directors. At such annual meeting, officers shall be elected and any other proper business may be transacted. Other regular meetings of the board of directors shall be held at such time as shall from time to time be fixed by the board of directors. Notice of regular meetings shall not be required if the time and place of such meeting is fixed by these Bylaws or by the Board of Directors.

6.11. SPECIAL MEETINGS. Special meetings of the Board of Directors for any purpose or purposes may be called at any time by the chairman of the board, the president, any vice president, the secretary, or any two directors.

(a) Notice of the time and place of special meetings shall be delivered to each director personally or by telephone or sent by first-class mail, postage prepaid, or telegram, charges prepaid, addressed to each director at his or her address as it is shown on the records of the Corporation. In case the notice is mailed, it shall be deposited in the United States mail at least four (4) days prior to the time of the holding of the meeting. In case such notice is delivered personally or by telephone or telegraph, it shall be delivered personally or by telephone or to the telegraph company at least forty-eight (48) hours prior to the time of the holding of the meeting. Any oral notice given personally or by telephone may be communicated either to the director or to the person at the office of the director. The notice need not specify the purpose of the meeting nor the place if the meeting is to be held at the principal executive office of the Corporation.

6.12. QUORUM. A majority of the authorized number of directors shall constitute a quorum for the transaction of business, except to adjourn as provided in Section 6.13 below. Every act or decision done or made by a majority of the directors present at a meeting duly held at which a quorum is present shall be regarded as the act of the Board of Directors, subject to the provisions of Section 5212 of the Corp. Code (appointment of committees), Section 5233 of the Corp. Code (approval of contracts or transactions in which a director has a direct or indirect material financial interest), Section 5234 of the Corp. Code (approval of certain transactions between corporations having common directorships), Section 5235 of the Corp. Code (compensation of directors or officers), and Section 5238(e) of the Corp. Code (indemnification of directors). A meeting at which a quorum is initially present may continue to transact business notwithstanding the withdrawal of directors, if any action taken is approved by at least a majority of the required quorum for such meeting, or such greater number as is required by the Articles of Incorporation, these Bylaws, or the Law.

6.13. WAIVER OF NOTICE; CONSENT. Notice of a meeting need not be given to any director who, either before or after the meeting, signs a waiver of notice, a consent to holding the meeting, or an approval of the minutes of the meeting. The waiver of notice or consent need not specify the purpose of the meeting. All such waivers, consents, and approvals shall be filed with the corporate records or made a part of the minutes of the meeting. Notice of meeting shall also be deemed given to any director who attends the meeting without protesting, before or at the commencement of the meeting, the lack of notice to that director.

6.14. ADJOURNMENT. A majority of the directors present, whether or not constituting a quorum, may adjourn any meeting to another time and place. Notice of the time and place of holding an adjourned meeting need not be given, unless the meeting is adjourned for more than twenty-four (24) hours, in which case notice of such time and place shall be given prior to the time of the adjourned meeting, in the manner specified in Section 6.11, to the directors who were not present at the time of the adjournment.

6.15. ACTION WITHOUT MEETING. Any action required or permitted to be taken by the Board of Directors may be taken without a meeting, if all directors shall individually or collectively consent in writing to such action. Such action by written consent shall have the same force and effect as a unanimous vote of the Board of Directors. The written consent or consents shall be filed with the minutes of the proceedings of the Board.

6.16. FEES AND COMPENSATION. Directors and members of committees shall receive no compensation for their services; provided however, that directors and members of committees may receive reimbursement of out-of-pocket expenses, as determined by resolution of the Board of Directors. Nothing contained herein shall be construed to preclude any director from serving the Corporation in any other capacity as an officer, agent, employee, or otherwise, and receiving compensation for such services if compensation is awarded by the Board of Directors.

ARTICLE VII. OFFICERS

7.1. OFFICERS. The officers of the Corporation shall be a President, Treasurer, and a Secretary. The Corporation may also have, at the discretion of the Board of Directors, a Chairman of the Board, one or more assistant secretaries, one or more assistant treasurers, and such other officers as may be appointed in accordance with the provisions of Section 7.3. Any number of offices may be held by the same person, except that neither the Secretary nor the Treasurer may serve concurrently as the President or the Chairman of the Board.

7.2. ELECTION. The officers of the Corporation, except such officers as may be appointed in accordance with the provisions of Section 7.3 or Section 7.5, shall be chosen by the

Board of Directors, and each shall serve at the pleasure of the Board, subject to the rights, if any, of an officer under any contract of employment.

7.3. OTHER OFFICERS. The Board of Directors may appoint, and may empower the President to appoint, such other officers as the activities of the Corporation may require, each of whom shall hold office for such period, have such authority, and perform such duties as are provided in the Bylaws or as the Board of Directors may from time to time determine.

7.4. REMOVAL AND RESIGNATION. Subject to the rights, if any, of any officer under any contract of employment, any officer may be removed, either with or without cause, by the Board of Directors or, except in case of an officer chosen by the Board of Directors, by any officer upon whom such power of removal may be conferred by the Board of Directors.

(a) Any officer may resign at any time by giving written notice to the Corporation. Any such resignation shall take effect at the date of the receipt of such notice or at any later time specified therein; and, unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective. Any such resignation is without prejudice to the rights, if any, of the Corporation under any contract to which the officer is a party.

7.5. VACANCIES. A vacancy in any office because of death, resignation, removal, disqualification, or any other cause shall be filled in the manner prescribed in these Bylaws for regular appointments to such office.

7.6. CHAIRMAN OF THE BOARD. The Chairman of the Board, if such an officer be elected, shall, if present, preside at meetings of the Board of Directors and exercise and perform such other powers and duties as may be from time to time assigned to him or her by the Board of Directors or prescribed by the Bylaws. If there is no President, the Chairman of the Board will in addition be the Chief Executive Officer of the Corporation and shall have the powers and duties prescribed in Section 7.7.

7.7. PRESIDENT. Subject to such supervisory powers, if any, as may be given by the Board of Directors to the Chairman of the Board, if there be such an officer, the President shall be the Chief Executive Officer of the Corporation and shall, subject to the control of the Board of Directors, have general supervision, direction, and control of the activities and the officers of the Corporation. He or she shall preside, in the absence of the Chairman of the Board, or if there be none, at all meetings of the Board of Directors. He or she shall have the general powers and duties of management usually vested in the office of President of the Corporation and shall have such other powers and duties as may be prescribed by the Board of Directors or the Bylaws.

7.8. VICE PRESIDENTS. In the absence or disability of the president, the Vice Presidents, if any, in order of their rank as fixed by the Board of Directors or, if not ranked, a Vice President designated by the Board of Directors, shall perform all the duties of the President, and

when so acting shall have all the powers of, and be subject to all the restrictions upon, the President. The Vice Presidents shall have such other powers and perform such other duties as from time to time may be prescribed for them respectively by the Board of Directors or the Bylaws and the President or the Chairman of the Board.

7.9. SECRETARY. The Secretary shall keep, or cause to be kept, at the principal executive office or such other place as the Board of Directors may direct, a book of minutes of all meetings and actions of directors, and committees of directors, with the time and place of holding, whether regular or special, and, if special, how authorized, the notice thereof given, the names of those present at directors and committee meetings, and the proceedings thereof.

(a) The Secretary shall give, or cause to be given, notice of all meetings of the Board of Directors required by the Bylaws or by law to be given, and he or she shall keep the seal of the Corporation, if one be adopted, in safe custody, and shall have such other powers and perform such other duties as may be prescribed by the Board of Directors or by the Bylaws.

7.10. TREASURER. The Treasurer shall keep and maintain, or cause to be kept and maintained, adequate and correct books and records of accounts of the properties and business transactions of the Corporation, including accounts of its assets, liabilities, receipts, disbursements, gains, losses, capital, retained earnings, and other matters customarily included in financial statements. The books of account shall at all reasonable times be open to inspection by any director.

(a) The Treasurer shall deposit, or cause to be deposited, all monies and other valuables in the name and to the credit of the Corporation with such depositaries as may be designated by the Board of Directors. He or she shall distribute, or cause to be disbursed, the funds of the Corporation as may be ordered by the Board of Directors, shall render to the President and directors, whenever they request it, an account of all financial transactions and of the financial condition of the Corporation, and shall have such other powers and perform such other duties as may be prescribed by the Board of Directors or the Bylaws.

(b) If required by the Board of Directors, the Treasurer shall give the Corporation a bond in the amount and with the surety or sureties specified by the Board for faithful performance of the duties of his or her office and for restoration to the Corporation of all of its books, papers, vouchers, money, and other property of every kind in his or her possession or under his or her control on the death, resignation, retirement, or removal from office of the Treasurer.

ARTICLE VIII. INDEMNIFICATION OF DIRECTORS, OFFICERS, EMPLOYEES

8.1. DEFINITIONS. For the purposes of this Article VIII, the definition of the terms "agent", "proceeding", and "expenses" shall be governed by Section 5238 of the Corp. Code.

8.2. **INDEMNIFICATION IN ACTIONS BY THIRD PARTIES.** The Corporation shall have power to indemnify any person who was or is a party or is threatened to be made a party to any proceeding (other than an action by or in the right of the Corporation to procure a judgment in its favor, an action brought under Section 5233 of the Corp. Code, or an action brought by the Attorney General of California or a person granted relator status by the Attorney General of California for any breach of duty relating to assets held in charitable trust) by reason of the fact that such person is or was an agent of the Corporation, against expenses, judgments, fines, settlements, and other amounts actually and reasonably incurred in connection with such proceeding if such person acted in good faith and in a manner such person reasonably believed to be in the best interests of the Corporation and, in the case of a criminal proceeding, had no reasonable cause to believe the conduct of such person was unlawful. The termination of any proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent shall not, of itself, create a presumption that the person did not act in good faith and in a manner which the person reasonably believed to be in the best interests of the Corporation or that the person had reasonable cause to believe that the person's conduct was unlawful.

8.3. INDEMNIFICATION IN ACTIONS BY OR IN THE RIGHT OF THE CORPORATION. The Corporation shall have power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action by or in the right of the Corporation, or brought under Section 5233 of the Corp. Code, or brought by the Attorney General of California or a person granted relator status by the Attorney General of California for breach of duty relating to assets held in charitable trust, to procure a judgment in its favor by reason of the fact that such person is or was an agent of the Corporation, against expenses actually and reasonably incurred by such person in connection with the defense or settlement of such action if such person acted in good faith, in a manner such person believed to be in the best interests of the Corporation, and with such care, including reasonable inquiry, as an ordinarily prudent person in a like position would use under similar circumstances. No indemnification shall be made under this Section 8.3 for any of the following:

(a) Any claim, issue, or matter as to which such person shall have been adjudged to be liable to the Corporation in the performance of such person's duty to the Corporation, unless and only to the extent that the court in which such action was brought shall determine upon application that, in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for the expenses which such court shall determine;

(b) Amounts paid in settling or otherwise disposing of a threatened or pending action, with or without court approval; or

(c) Expenses incurred in defending a threatened or pending action which is settled or otherwise disposed of without court approval, unless it is settled with the approval of the Attorney General of California.

8.4. INDEMNIFICATION AGAINST EXPENSES. To the extent that an agent of the Corporation has been successful on the merits in defense of any proceeding referred to in Sections 8.2 or 8.3 or in defense of any claim, issue, or matter therein, the agent shall be indemnified against expenses actually and reasonably incurred by the agent in connection therewith.

8.5. REQUIRED DETERMINATIONS. Except as provided in Section 8.4, any indemnification under this Article shall be made by the Corporation only if authorized in the specific case, upon a determination that indemnification of the agent is proper in the circumstances because the agent has met the applicable standard of conduct set forth in Sections 8.2 or 8.3 by:

(a) A majority vote of a quorum consisting of directors who are not parties to such proceeding; or

(b) The court in which such proceeding is or was pending upon application made by the Corporation or the agent or the attorney or other person rendering services in connection with the defense, whether or not such application by the agent, attorney, or other person is opposed by the Corporation.

8.6. ADVANCE OF EXPENSES. Expenses incurred in defending any proceeding may be advanced by the Corporation prior to the final disposition of such proceeding upon receipt of an undertaking by or on behalf of the agent to repay such amount unless it shall be determined ultimately that the agent is entitled to be indemnified as authorized in this Article VIII.

8.7. OTHER INDEMNIFICATION. No provision made by the Corporation to indemnify its directors or officers for the defense of any proceeding, whether contained in the Articles of Incorporation, Bylaws, a resolution of directors, an agreement, or otherwise, shall be valid unless consistent with this Article VIII. Nothing contained in this Article VIII shall affect any right to indemnification to which persons other than such directors and officers may be entitled by contract or otherwise.

8.8. FORMS OF INDEMNIFICATION NOT PERMITTED. No indemnification or advance shall be made under this Article VIII, except as provided in Section 8.4 or Section 8.5(b), in any circumstance if it appears that:

(a) It would be inconsistent with a provision of the Articles of Incorporation, Bylaws, or an agreement in effect at the time of the accrual of the alleged cause of action asserted in the proceeding in which the expenses were incurred or other amounts were paid, which prohibits or otherwise limits indemnification; or

(b) It would be inconsistent with any condition expressly imposed by a court in approving a settlement.

8.9. INSURANCE. The Corporation shall have the power to purchase and maintain insurance on behalf of any agent of the Corporation against any liability asserted against or incurred by the agent in such capacity or arising out of the agent's status as such, whether or not the Corporation would have the power to indemnify the agent against such liability under the provisions of this Article VIII; provided, however, that the Corporation shall have no power to purchase and maintain such insurance to indemnify any agent of the Corporation for a violation of Section 5233 of the Corp. Code.

ARTICLE IX. RECORDS AND REPORTS

9.1. MAINTENANCE OF CORPORATE RECORDS. The Corporation shall keep (a) adequate and correct books and records of account kept either in written form or in any other form capable of being converted into written form and (b) minutes, in written form, of the proceedings of the Board of Directors and committees of the Board. All such records shall be kept at the Corporation's principal executive office, or if its principal executive office is outside the State of California, at its principal office in this state.

9.2. MAINTENANCE AND INSPECTION OF ARTICLES AND BYLAWS. The Corporation shall keep at its principal executive office, or if its principal executive office is not in the State of California, at its principal office in this state, the original or a copy of its Articles of Incorporation and Bylaws, as amended to date, that shall be open to inspection by the directors at all reasonable times during office hours. If the principal executive office of the Corporation is outside the State of California and the Corporation has no principal office in this state, the Secretary shall, upon the written request of any director, furnish to such director a copy of the Articles of Incorporation or Bylaws, as amended to date.

9.3. INSPECTION. Every director shall have the absolute right at any reasonable time, and from time to time, to inspect all books, records, and documents of every kind and the physical properties of the Corporation. Such inspection by a director may be made in person or by agent or attorney and the right of inspection includes the right to copy and make extracts.

9.4. ANNUAL REPORTS. The Board of Directors shall cause an annual report to be sent to the directors within 120 days of the Corporation's fiscal year end. That report shall contain the following information, in appropriate detail, for the fiscal year:

(a) The assets and liabilities, including the trust funds, of the Corporation as of the end of the fiscal year;

(b) The principal changes in assets and liabilities, including trust funds;

(c) The revenue or receipts of the Corporation, both unrestricted and restricted to particular purposes;

(d) The expenses or disbursements of the Corporation for both general and restricted purposes; and

(e) Any information required by this Section 9.4.

The annual report shall be accompanied by any report thereon of independent accountants or, if there is no such report, by the certificate of an authorized officer of the Corporation that such statements were prepared without audit from the books and records of the Corporation. The Corporation may send the report and any accompanying material sent pursuant to this section by electronic transmission. If a report sent to the Attorney General in compliance of the requirements of California Government Code sections 12580-12599.7 includes the information required in the annual report, then the Corporation may furnish a copy of its report to the Attorney General in lieu of the annual report whenever it is required to furnish such report.

9.5. ANNUAL STATEMENT OF CERTAIN TRANSACTIONS AND INDEMNIFICATIONS. As part of the annual report to all directors, the Corporation shall annually prepare and mail or deliver to each director within 120 days after the Corporation's fiscal year end, a statement (described below) of any transaction or indemnification (i) in which the Corporation was a party and (ii) in which an "interested person" had a direct or indirect material financial interest. For this purpose, an "interested person" is any director or officer of the Corporation.

The statement shall include the following information:

(a) A brief description of any transaction during the previous fiscal year that involved more than \$50,000, or was one of a number of transactions in which the same interested person had a direct or indirect material financial interest involving, in the aggregate, more than \$50,000;

(b) The names of interested persons involved in such transactions described in the preceding paragraph (a), their relationship to the Corporation, the nature of their interest in the transaction and, if practicable, the amount of that interest; provided, however, that if the transaction was with a partnership in which the interested person is a partner, only the interest of the partnership need be stated; and

(c) A brief description of the amount and circumstances of any indemnifications or advances aggregating more than \$10,000 paid during the fiscal year to any officer or director of the Corporation under Article VIII of these Bylaws, unless that indemnification already has been approved by the directors under Section 5238(e)(2) of the Corp. Code.

ARTICLE X. GENERAL MATTERS

10.1. CHECKS, DRAFTS, EVIDENCES OF INDEBTEDNESS. All checks, drafts, or other orders for payment of money, notes, or other evidences of indebtedness, issued in the name of or payable to the Corporation, shall be signed or endorsed by such person or persons and in such manner as, from time to time, shall be determined by resolution of the Board of Directors.

10.2. CORPORATE CONTRACTS AND INSTRUMENTS; HOW EXECUTED. Except as otherwise provided in these Bylaws, the Board of directors may authorize any officer or officers, agent or agents, to enter into any contract or execute any instrument in the name of and on behalf of the Corporation, and such authority may be general or confined to specific instances; and, unless so authorized or ratified by the Board of Directors or within the agency power of an officer, no officer, agent or employee shall have any power or authority to bind the Corporation by any contract or engagement or to pledge its credit or to render it liable for any purpose or for any amount.

10.3. REPRESENTATION OF SHARES OF OTHER CORPORATIONS. The Chairman of the Board, the President, or any Vice President, or any other person authorized by resolution of the Board of Directors or by any of the foregoing designated officers, is authorized to vote on behalf of the Corporation any and all shares of any other corporation or corporations, foreign or domestic, standing in the name of the Corporation. The authority granted to said officers to vote or represent on behalf of the Corporation any and all shares held by the Corporation in any other corporation or corporations may be exercised by any such officer in person or by any person authorized to do so by a proxy duly executed by said officer.

10.4. CONSTRUCTION AND DEFINITIONS. Unless the context requires otherwise, the general provisions, rules of construction, and definitions in the Law shall govern the construction of these Bylaws. Without limiting the generality of the foregoing, the singular number includes the plural, the plural number includes the singular, the masculine gender includes the feminine and neuter, and the term "person" includes both a corporation and a natural person. All references in these Bylaws to the Law, the Law, or to the Corp. Code shall be deemed to be those in effect from time to time.

(ii) Relocate the principal office, designate alternative principal offices or regional offices, or authorize the officers to do so.

(b) During an Emergency, as necessary to conduct the Corporation's ordinary business operations and affairs:

LCFF Calculator Caveats

v.22.2b

11/2/2021

Every effort was made to make the calculator as accurate as possible. However, because the calculator is based on estimates and assumptions, actual Local Control Funding Formula (LCFF) funding may differ from the amounts generated by the calculator. Moreover, due to detailed complexities that exist for a small percentage of local educational agencies (LEAs), every unique situation is not modeled in the calculator, and <u>the calculator may not be useful for all LEAs</u>.

The following bullets highlight these assumptions, and some of the unique situations and known issues that could be identified.

General The calculator is based on the LCFF statute as currently written, unless otherwise noted in these caveats. In some cases there may be differences in rounding +/- \$1.

A proration/(deficit) factor asumption has been built into the LCFF calculator. The proration factor methodology and application is subject to revision should the state choose to apply a proration factor, or other deficit factor, in the future.

The calculator reflects COLAs and if applicable proration factors as estimated by the DOF.

The calculator prepopulates certified PASE exhibit data based on Excel documents provided by the CDE. Independent verification of prefilled data should be completed. Adjustments should be made as necessary if revisions have been filed.

The Education Protection Account (EPA) proportionate share percentage is based on estimates of statewide numbers that are not yet finalized by the CDE. Therefore, the percentage will change from what is shown in the calculator through final calculation in February of the following fiscal year.

Charter School Calculations

The calculator is not designed to directly calculate budget estimates for all-charter school districts because of the unique options selected at the time the district converted. It is recommended all-charter school districts contact the CDE to determine the best method for estimating LCFF revenues.

Charter schools that are funded under different funding methodologies due to their pupil population are not included as a single scenario within the calculator. These schools are mainly those authorized by a county board of education.

The calculator is designed for a district to calculate the in lieu taxes and, as such, charter schools should contact their sponsoring authority for in lieu tax amounts to ensure accuracy.

The calculator does not take into account the following:

- -District reorganizations that include a charter school(s) newly authorized by one or more districts affected by the reorganization.
- -Charter schools that operated in the prior year but have been reauthorized by a different agency in the current year and have not been certified within the PASE system.

If either of these situations apply, we recommend working with the CDE and FCMAT to determine if the calculator can be adapted.

School District Calculations

For districts with **necessary small schools** (NSS), the calculator models different combinations of NSS and regular ADA to determine the overall maximum funding available. Districts are encouraged to independently select their funding options and evaluate the results to determine which funding method they will elect to follow.

The calculator does not take into account the following funding adjustments for **basic aid school districts**:

Basic Aid Choice Basic Aid Court-Ordered Voluntary Pupil Transfer Basic Aid Open Enrollment Basic Aid Supplement Charter School Adjustment

The calculator does not take into account the impact of district reorganizations that have not been certified by the CDE via the PASE system. Furthermore, **historical year projections may not be** <u>accurate</u>. We recommend working with your county office, the CDE and FCMAT to adapt the calculator, if possible.

v.22.2b 11/2/2021

Pre-populated Data Details:

Versions 22.2 of the LCFF Calculator has been updated to prepopulate with LEA-specific data as certified by the CDE 2020–21 Second Principal Apportionment (P-2) and includes 2019-20 Annual R1 and 2018-19 Annual R3 data certifications.

Structure:

- 1 The LCFF Calculator structure has been built to maintain a standardized eight-year structure that includes two historical years, one current year and five projection years. Because 2018-19 certified data will not be finalized until the Annual R3 cycle (June 2022), and calculations for this fiscal year are based on PASE exhibits that were phased out by the CDE beginning in 2019-20, the calculator currently includes nine years (3 historical, one current and five projection years). The 2018-19 fiscal year will be removed in the 2022-23 P1 data certification cycle (to be released in April/May 2022), creating an 8 year structure.
- 2 The Data Entry tab was designed to cluster data entry sections by projection type (charter school district). Charter school data entry sections are intentionally placed at the top of the page due to the limited amount of data required to complete a projection.
- 3 The workbook contains conditional formatting to guide users through data entry. Once a projection type is identified and all basic questions are answered, only the highlighted sections require data entry; all remaining sections not applicable to the projection will remain grayed out. No data should be entered in sections that are not highlighted.

Projection Type	Charter School	School District		
Not Identified Projection		Projection		
	Data Entry Sections	Data Entry Sections		

4 A separate calculation must be prepared for each LEA, either district or charter school.

Data entry cells: prepopulated with the most current certified data; all data entry cells are unlocked for user edit. Prepopulated data cannot be restored after user override.

Tab Navigation Key:

Information tabs: provide important projection information and should be reviewed with each update.

Data Entry tab: single data entry tab for <u>ALL</u> LCFF calculations. Sections to be completed are identified through highlighting upon entry of CDS code and responses to required questions.

Primary calculation results tabs: provide calculations and results summaries only. No data is entered on these tabs.

Secondary support calculation tabs: provide details of supporting calculations for components that do not apply to all LEA calculations. No data is entered on these tabs.

User editable tabs: preformatted graphs and blank worksheet tabs.

v.22.2b 11/2/2021

Instructions:

- 1 Review Caveats: Important details that may affect LEA calculations are noted in this tab. This tab should be reviewed with each update.
- 2 Data Entry tab: Data for all calculation types is entered into the Data Entry tab.
 - -Start a calculation by entering the five-digit code for a school district's or seven-digit code for a charter school's calculations. Once the LEA code is entered, the LEA type (district or charter) will be identified and the applicable data entry sections will be highlighted for completion.
 - New charter schools that do not yet have a CDS code should select "Yes" from the drop-down list following the question below the CDS code box.

Section (1) Universal Assumptions: Prepopulated assumptions are based on the most current data released by the Department of Finance and the California Department of Education. Users may revise assumptions to prepare alternative

funding scenarios.

Section (2) Charter School Data Elements Required to Calculate the LCFF: Enter charter school data elements in this section of the Data Entry tab ONLY; all other sections will be grayed out.

- Section (3) School District Data Elements Required to Calculate the LCFF: Enter school district data elements in this section of the Data Entry tab ONLY; <u>all other sections will be grayed out</u>. School districts that are the sponsoring LEA for a charter school or are otherwise required to transfer property taxes to a charter school should answer "YES" to the applicable question in this section, then complete section (5) School District In-Lieu of Property Tax Calculation for Charter Schools. School districts that have necessary small schools should answer "YES" to the applicable question in this section, then complete section (4) Necessary Small Schools ADA.
- Section (4) Necessary Small Schools ADA: School districts that have necessary small schools must complete section (4) on the Data Entry tab. Prior year data must be entered for each year including historical years, even when the school is funded under LCFF.

- NSS Supporting Calculations: details related to NSS funding determination are located in the NSS Calculation tabs.

- Section (5) In-Lieu of Property Tax Calculation for Charter Schools: School districts required to transfer in-lieu taxes to charter schools should select "Yes" from the drop-down list in section (3), then complete <u>either</u> section (a) or (b).
- -Section (a): To be completed <u>only</u> by districts that use an alternative rate for in-lieu tax transfers. Carefully review and follow the instructions located in the In-lieu tax section.
 -Section (b): To be completed by districts that follow the traditional allocation of funding for in-lieu tax transfers. Enter ADA for each charter school separately. The tool has been designed to support basic aid district calculations, which require charter school ADA to be entered by grade span. Non basic aid districts can enter the total charter school ADA for each school in any single grade span, it is not necessary to enter ADA by grade span.
- -In-Lieu of Property Taxes Results: The supporting calculations and in-lieu of property tax transfer amounts for each charter school are located in the District In-Lieu Taxes tab.

3 Review LCFF Calculation and EPA Results: Detailed calculations and results can be viewed on the Calculator, EPA and Summary tabs. No data entry is required on these tabs.

4 **Supporting Calculations**: details related to NSS funding determination and in-lieu tax transfer amounts for each charter school are located in the NSS Calculation and District In-Lieu Taxes tabs.

Elite Academic Academy - Lucerne (136960) - Second Interim Report 2021-22

NECESSARY SMALL SCHOOLS (NSS)

The calculator is constructed to include all ADA for purposes of calculating the Base, Grade Span adjustment, Supplemental and Concentration grants. The ADA funded under NSS is returned to the calculator as a negative number to allow display of total LCFF- funded ADA. Similarly, the base grant and grade span adjustment grants generated by NSS ADA are returned as negative numbers. The NSS Allowance replaces the base and grade span and is returned as a positive amount. Supplemental and Concentration grants are not affected by this calculation.

The calculator is constructed to include all ADA for purposes of calculating the Base, Grade Span adjustment, Supplemental and Concentration grants. The ADA funded under NSS is returned to the calculator as a negative number to allow display of total LCFF- funded ADA. Similarly, the base grant and grade span adjustment grants generated by NSS ADA are returned as negative numbers. The NSS Allowance replaces the base and grade span and is returned as a positive amount. Supplemental and Concentration grants are not affected by this calculation.

The calculator is constructed to include all ADA for purposes of calculating the Base, Grade Span adjustment, Supplemental and Concentration grants. The ADA funded under NSS is returned to the calculator as a negative number to allow display of total LCFF- funded ADA. Similarly, the base grant and grade span adjustment grants generated by NSS ADA are returned as negative numbers. The NSS Allowance replaces the base and grade span and is returned as a positive amount. Supplemental and Concentration grants are not affected by this calculation.

NECESSARY SMALL SCHOOLS (NSS)

The calculator is constructed to include all ADA for purposes of calculating the Base, Grade Span adjustment, Supplemental and Concentration grants. The ADA funded under NSS is returned to the calculator as a negative number to allow display of total LCFF- funded ADA. Similarly, the base grant and grade span adjustment grants generated by NSS ADA are returned as negative numbers. The NSS Allowance replaces the base and grade span and is returned as a positive amount. Supplemental and Concentration grants are not affected by this calculation.

BUDGET and INTERIM REPORTING INSTRUCTIONS

DUE DATE: All forms must be submitted to your sponsoring District according to their guidelines. This will allow time for our review and allow time for corrections if necessary.

Certification Pages: GREEN CELLS ONLY

1 Complete light green highlighted cells

ADA pages: GREEN CELLS ONLY

1 Complete light green highlighted cells for: Non- Classroom based instruction Prior Year P-2 ADA Estimated ADA for current and subsequent years

Assumptions Pages: GREEN CELLS ONLY

Note: You won't need to enter any numbers into cells not colored green. These cells contain formulas or are meant to stay blank.

- 1 Complete your assumption for each applicable item (most will apply) for the light green colored boxes only.
- 2 If your oversight fees are greater than 1% of your revenues, change the percentage and the amount will automatically calculate once you complete your revenues and expenditure amounts on the Interim pages.
- 3 If you have an administrative service contract, enter the dollar amount of the contract.
- 4 Record any other noteworthy items that may make a material difference in your numbers from one year to the next.

Assumptions Pages (Word): OPTIONAL

1 For each item listed on the Assumptions page, please provide a written document (or a cover letter to your budget) that explains where you obtained your information, what you are basing your enrollment and ADA on, how you estimated salaries, benefits, increases or decreases in utility costs and so on. Please explain all your assumptions. You may need to explain more than what is listed on the Excel Assumptions page. This cover letter will help us review your budget in detail and avoid multiple phone calls to you to explain how you arrived at your estimates. This detail helps both your school and your authorizing district.

LCFF Calculator: Use the FCMAT calculator which can be found at FCMAT » Fiscal Crisis & Management Assistance Team

- 1 Complete the LCFF calculations using the assumptions entered on the ADA and Assumptions worksheets in the Interim tabs.
- 2 Make sure the assumptions and revenue totals on the LCFF calculator match the amounts in your workbook.

Unrestricted and Restricted MYP Pages: GREEN CELLS ONLY

Note: These pages will bring forward some of your revenue totals based on cell references or formulas.

- 1 At Budget, enter your Estimated Year End Actuals (for budget year minus 1).
- 2 At Budget, enter your <u>Adopted Budget for July 1.</u> The adopted budget is entered on the Budget tab and cell references to the 1st and 2nd Interim tabs.
- 3 Enter any Federal, State and Local Revenues that you anticipate for each year presented by Title in the detail lines at the bottom of the page. The totals will post to the summary above. (Donations, Lottery, etc.)
- 4 Enter expenditures that you anticapate in each category listed for each year presented.

5 Enter Fund Balance:

- a Beginning Balance at Adopted Budget in the Adopted Budget column, enter your projected prior year ending fund balance.
- b Adjustment for Unaudited Actuals At Interim, in the Interim Actual column and Latest Revised column, enter any adjustment necessary to adjust your projected beginning fund balance at adopted budget to actual prior year ending fund balance.
- c Adjustments for Audit and/or Restatements At Interim, enter any audit adjustments identified in your prior year's final audit report, if available. The audit report is generally not available until second interim. This entry will go in the appropriate interim column and possibly the Latest Revised column.
- 6 At Interims, enter your latest revised budget (may be your Adopted budget or any other recent revisions approved by your board).
- 7 At Interims, enter your Actual Expenses (rounded to the nearest dollar, do not enter cents) as of the date noted.
- 8 Check your percentage increases. Do they appear reasonable?
- 9 Check your net income/decrease in fund balance. Make sure that you are not projecting a negative fund balance. If you are, you may need to reduce your estimated expenditures.
- 10 Complete the Reserves Standard section and Deficit Spending Standard section. If not meeting standards, explain why and what your plan is to resolve the issue.

Cash Flow Pages: GREEN CELLS ONLY

- 1 Enter your actual cash inflows and outflows (*rounded to the nearest dollar, do not enter cents*) through the interim period noted and enter projected cash inflows and outflows for the remaining months.
- 2 The total column MUST equal the Projected Budget column.
- 3 The Projected Column will feed over from the Summary MYP Page.
- ⁴ There should be no dollars in the difference column. If a dollar value is reflected you will need to adjust that line in the cash flow.
- 5 Don't forget to include the reductions of your prior year payables and receivable balances since there are additions and deductions of your current year cash.
- 6 If cash is negative in any month reflected on the cash flow, you will have to self-certify as "QUALIFIED". If you are unable to meet your obligations in the current and/or two subsequent years, you will need to self-certify as "NEGATIVE".
