Student Work & Highlights:

Lorelei Helfrich, 4th Grade Homeschool Student

"I've been creating art for a year under the guidance of a teacher. In class, I get the experience of using not just acrylic paint, but a variety of different materials such as India inks, watercolors, oil pastels, and alcohol inks. My puffin painting is set in Norway in Europe. Puffins have brightly colored beaks because it shows quality in their ability to be a good mate. Each summer, my family and I go to Alaska and I get a wonderful opportunity to see puffins very close up. We call them "flying potatoes!"

Great work, Lorelei!

Director: Ms. Ashlea Kirkland-Haynes

Assistant Director: Ms. Allison Watters

Our Virtual Informational Night held on April 21st was a huge success! **We had over 50 new/inquiring families attend.** We want to be able to continue to reach more families so we will be hosting another informational night in May!

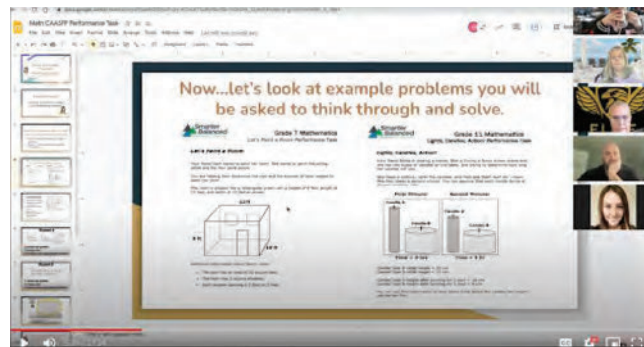

Our teacher of records have been hosting amazing CAASPP Synchronous sessions for our students! The most recent one done by Ms. Kate Curtis was focusing on the CAASPP Assessment Prep/Tips on testing. Her main focus of the lesson was the Performance Task for English Arts. She created an amazing presentation and the kids were engaged!

Another amazing synchronous session was for the Math CAASPP Performance Task practice. The presenter showed sample questions for 7th grade and 11th grade math. The students were asked to examine the questions and review them before they were expected to solve them.

Check out Manny Soto and his amazing work! The title of the project was Pointillism Technique Project. The student materials were only colored markers. The key for the project was to use only dots for color and use a variety of colors.

In a recent staff meeting, the teachers completed a Jam Board activity where they came up with different ways to support students who were performing low. Below is the spreadsheet summary of the ideas of support our teachers came up with.

Virtual Academy

Ways to promote engagement and student involvement

Why are students failing?

- Lack of motivation / not working
- Think is too difficult activity get overwhelmed
- Some students are struggling with the content because they are lacking some basic skills
- Some are so behind, they get overwhelmed to participate
- Struggle open response conversations - looking for multiple choice, guess and go work
- Level of difficulty in content, or student disengagement, find over skills to determine
- Lack of desire to participate in the class sessions
- Not completing assignments or participation in activities
- Reluctant on getting caught up in class, and then to get behind
- Liable to no attend structure at home

How can we think outside the box to personalize learning for our students who are struggling or not working?

- Accountability requirements for both students and parents
- Provide as many virtual opportunities with their TCB as possible to get caught up on subjects
- Create custom pacing guides, provide tutoring and support, meet with forms to sign, make them teaching sessions, use flash to get more student support
- Get to know our students personally, so that we can engage or motivate them with things that interest them
- Complete a "preferred learning style" quiz or discuss it together. Help the student to find resources that meet their preferred learning style (audio/visual/reading/writing)
- Be flexible in how they communicate with us: texts, calls, texts
- Find individual resources tailored to their needs or learning style to help them understand concepts
- Make homework mandatory for those falling behind
- Develop fun and engaging presentations that break down the main concepts in courses for our slower processing students
- Further engage parents and encourage them to provide greater support to students at home

What are ways you can work with your colleagues to help students succeed?

- Find ways to make the curriculum relevant to the students daily lives
- Brainstorm ideas to see what other extra support we can give our students - ex. tutoring sessions on top of sessions with their content teachers
- Work with parents to increase family communication and expectations of "independent study"
- Identify the reasons why students are failing using data
- More targeted activities
- Offer tutoring to subjects of TCB strength
- Share engagement strategies
- Host subject-specific tutoring sessions to review assignments together
- Examine data further so we can address gaps with our students. There also are tutoring sessions or other needed support groups for these students
- Create accountability requirements for students who are AHA. Make to host open study halls where students are there to complete work
- Sharing what is working/not working for other TCB/students

Of those that are failing, are they involved in any extra-curricular activities? How can we change that?

- Promote extra-curricular activities to our students and find an activity they like to do
- Setting up work sessions or tutoring sessions that are engaging and interactive for students to build connections with peers and teachers
- Challenge students to maintain a specific goal to participate in teams so that have their motivation even when they are struggling academically. They then put in the work needed and work support or get out from a team
- Set actual goals for extra-curricular activities should have minimum goals requirements for participation

What qualities do the students possess to earn good grades?

- Strong home support system
- Organizational skills
- Extra-curricular activities
- Use daily routines
- Driven & Motivated
- Independent learners
- Love to study
- Willing to ask questions

Project-Based Learning - Student Connections

Ms. Zamora and Ms. Critchfield created an interactive and collaborative PPT project for students to complete in lieu of weekly assessments. **Students collaborate and work on their projects with a partner in their weekly live sessions. They will present their projects to their classmates in mid-May.** Huge shout out to Ms. Zamora and Ms. Critchfield for supporting students with this project. On average they have 40 students attending their middle school Science live sessions a week. It is clear that students are engaged and feel connected in this course. Way to think outside the box!

Elite CTE - Marketing, Podcast, and Sign Language

Leads: Mr. Nolan Smith and Ms. Rebecca Smith
Director: Ms. Ashlea Kirkland- Haynes

Marketing

Courses in the Marketing Academy began diving into gaming, computer science, social media, and more in April. **In Digital Publishing B, students created a 30-day Instagram social media calendar, as well as recorded a one-minute pitch video.** Students in Digital Marketing created posters to advertise a state of their choice and more. Live Sessions included an extended look at marketing strategies in real-life scenarios and a guest speaker who develops apps and works in computer science with Boeing.

Elite Podcast

The Be Elite Podcast has been going strong all year long. **In April, students recorded a podcast that allowed students and staff alike to join in and share their pets with their peers.** Students also invited Elite's CTE Director Mrs. Kirkland and School Counselor Ms. Lively for a podcast on Life Preparedness. Both episodes are available now on YouTube.

ASL

Students demonstrate what their dream jobs are, or what their parents do in the workforce. Students were sent on a Scavenger Hunt, looking to find college and major options in American Sign Language.

ELITE ACADEMIC ACADEMY

The Elite Academic Academy eSports club is official! Partnering with NASEF, we kicked off our eSports club by being a part of the global NASEF FarmCraft 2022, where students utilize the popular Minecraft: Education Edition game and take on challenges that are directly related to agricultural practices.

Adventure Academy & Quest Crew

The Adventure Academy wrapped up the fourth unit in all courses, which is a foundational unit that digs into the meat of the curriculum. **In Boating Careers, students completed the California Course for safe boating; in Coastal Preparedness students submitted their final coastal adventure trip plan, and Intro. to Surfing students completed their composite materials lab.** As the courses progress in the 5th and 6th units, the content takes a turn toward industry-specific training and career exploration. Aside from the current sections, new courses are being developed too!

The Natural Awareness course, is an introduction course intended as a starting point for Grades 6-8 to broaden their understanding of the natural world and create awareness of our environment. All in all, Natural

Awareness is a skill that humanity is beginning to lose. Most humans can't tell you where the clouds are coming from, which direction is north, how many hours of daylight are left, or the plant species that they pass by as they stare into screens. These questions are easy to answer if you have an understanding of the natural world and that is exactly what this course is all about.

Boating Careers, new this semester, is in its final stages of completion as the 6th unit is written. The final unit will play off of the career exploration in the 5th unit, where students will build a resume and cover letter specific to a marine-recreation job posting and will participate in a phone or zoom interview.

The Quest Crew wrapped up in-person events for the '21/'22 school year to give students time to focus on testing and academics. **The spring events were a big success, with our biggest event yet; we had 95 people our whale watching at Dana Point!** The events planned this spring tested the efficiency of having many activities centered over 3-4 weeks per quarter rather than having one or two adventures per month. This allows us to create more opportunities for students to engage across a greater geographic area and reduces the 'FOMO' of having an event that is two hours away. Bringing the Quest Crew closer to the vast spread of our families is essential in creating equity in this program. **Future adaptations have been made to the '22/'23 academic calendar to better access students across the numerous counties of Southern California.**

While in-person events are done, there are tons of exciting virtual Quest Crew events for students to engage in! **On Earth Day, Mr. O sent out over 100 seed packets full of California Poppies to our students with a letter enclosed inviting them to an Earth Day celebration.** Students that attended learned about seed development, began to germinate their poppy seeds and went on a wildflower walk to soak in the beauty of our planet. The Quest Crew has a few other events that students can tune into this spring to keep the outdoor education coming; **Mr. O will host a 3-part campfire cooking webinar series on May 11th, 25th, and June 8th to introduce students to the art of cooking over fire.**

Some seeds need a little more than light and water...

As part of T-Mobile buying Sprint, each of our LTE Chromebooks must have a new SIM card installed. Worked with ELPAC proctors to complete training and begin scheduling our 42 EL students for testing.

SPED

Our Special Education team has been busy attending training, attending meetings, and serving students. Additionally, the Special Education department has been analyzing data from the current school year in order to improve our processes as Elite grows. **Following Elite's focus on the "Power of Presence," our team has been making meaningful connections with their students.** One of our service providers recently shared this story...

"I sent out the postcards that were provided by Elite, to all of my students. One of my students has a difficult time forming letters and writing sentences. He pulled out the postcard at the beginning of our session and said, "Thank you for the postcard. I love getting mail." When I asked him if he thought my writing was neat or messy, he said, "Your writing is great." My writing was actually quite messy but he decided to give me encouragement anyway. I asked him if he really thought my writing was good and he said, "Well, it's better than mine, but I want more postcards so yes, it's great." Thank you Elite!"

Individual counseling with students is still going strong: **our social worker is meeting with 20 kids to support their mental health needs, providing between 40-50 hours a month of face-to-face counseling.** Each week, roughly 2-8 new families are brought to the counseling department's attention with mental health or resource needs from teachers, directors, or families directly.

Our school counselor continues to meet with students providing approximately 18 hours per month of academic and social emotional counseling. Additionally, graduation checks and senior conferences are underway as students prepare for their next steps during this exciting and busy time. Graduates are enjoying our custom Class of 2022 shop to represent their Elite Eagle Pride!

The school counselor also attended academy-specific information nights for interested and incoming families and fielded lots of questions about our programs. New families are excited to get started with us!

April continues to be a high need month for mental health supports - we have had 35 inbound interactions with CareSolace!

CONFIDENTIALITY AND NON-DISCLOSURE AGREEMENT

The Parties to this Confidentiality and Non-Solicitation Agreement ("Agreement") are Elite Academic Academy – Lucerne (the "School") and [REDACTED] ("Employee") (collectively referred to herein as the "Parties").

1. Employee Access to Confidential Information. The School and Employee acknowledge that the business of the School and the nature of Employee's work will require Employee to have access to Confidential Information (as such term is defined below) of the School and/or its families, which, if disclosed in an unauthorized manner, could be highly prejudicial to the School and/or its families.

2. Value of School Business, Families, and Confidential Information. The School has created, developed, and obtained Confidential Information (as such term is defined below). Additionally, the School has entered into agreements with third parties whereby these third parties produce confidential, proprietary, and/or trade secret information for the School. Such information has independent actual or potential economic value from not being generally known to the public or to other persons who can obtain economic value from its disclosure or use and is not readily available through any source other than the School. Maintenance of confidentiality regarding such information and special knowledge is essential to preserving the competitive position and value of the School. Further, the specialized services provided by the School to its families are such that potential families might not be aware of the availability of such services from the School. Consequently, the School has gone to considerable time, expense, and effort in seeking out potential families, explaining to these potential families the unique value of the School's services, and developing family relationships. This specialized business requires the School to develop confidential relationships with its families, whereby the School and each family work together closely to develop customized services for each family. Therefore, information concerning both the nature and the fact of the School's relationships has independent actual or potential economic value from not being generally known to the public or to other persons who can obtain economic value from its disclosure or use. The confidentiality of the School's families is essential to the continued economic viability of the School and is subject to continuous, vigorous efforts by the School to maintain secrecy.

3. Confidential Information Defined. "**Confidential Information**" of the School includes, but is not limited to, proprietary and/or trade secret information, intellectual property, ideas innovations, organization financial documents and transactions, student and family information and records, confidential financial data or other non-public proprietary organization information,

confidential information regarding business partners, vendors, or families and students, business methods, devices, processes, compilation of information, computer software developed by or for the School records, methods of data processing, surveys, designs, questionnaires, reports, industry norms, models, forecasts, formulae, equations, studies or data developed in connection with any project or activity of the School, and School financial information.

A. Exclusions. Confidential Information shall not include: (a) information now and hereafter voluntarily disseminated by the School to the public or which otherwise becomes part of the public domain through lawful means; (b) information already known to Employee as documented by written records which predate Employee's employment with the School; and (c) information independently developed by Employee after termination of Employee's employment.

4. Value of the School's Workforce. The Parties further acknowledge and agree that the School needs to maintain a stable workforce in order to remain in business. Thus, the School is entitled to protect its legitimate business interest in preventing persons from disrupting, damaging, impairing, or interfering with its business by soliciting its employees for employment with another company.

5. Employee's Obligations as to Confidential Information. Therefore, as a condition of employment, Employee agrees to maintain the secrecy of the School's Confidential Information and to not engage in unfair competition with the School as follows:

A. No Disclosure. Employee will not use, disclose, or disseminate in any manner whatsoever any Confidential Information, either directly or indirectly, either during employment with the School or following termination of employment, except as required in the course of employment with the School, or as expressly authorized in writing by an officer or manager of the School.

B. No Reproduction or Removal. Employee will not reproduce in any manner, or remove from the School or Employee's work location, any Confidential Information, whether or not recorded in writing, by sound or visual means, on computer or computer disk or by any other means, either during employment with the School or following termination of employment, except as required in the course of employment with the School, or expressly authorized in writing by an officer of the School.

C. Duty to Prevent Disclosure. Employee will take all precautions reasonably necessary to prevent the unauthorized use, disclosure, or dissemination of Confidential Information either during employment with the School or following termination of employment with the School.

D. Required Disclosure. Notwithstanding Sections A, B and C above, in the event that Employee is requested or required (by oral questions, interrogatories, requests for information or documents, subpoena, civil investigative demand or other similar process in legal proceedings) to disclose any of the Confidential Information, Employee shall provide the School with prompt written notice of any such request

or requirement so that the School may seek a protective order or other appropriate remedy, or waive compliance with the provisions of this Agreement. If, in the absence of a protective order or other remedy or the receipt of a waiver by the School, Employee is nonetheless legally compelled to disclose Confidential Information to any tribunal or else stand liable for contempt or suffer other censure or penalty, Employee may, without liability hereunder, disclose to such tribunal only that portion of the Confidential Information that is legally required to be disclosed, provided that Employee exercises his or her best efforts to preserve the confidentiality of the Confidential Information, including, without limitation, by cooperating with the School to obtain an appropriate protective order or other reliable assurance that confidential treatment will be accorded the Confidential Information by such tribunal.

- E. Ownership of Materials; Return of Materials Upon Termination of Employment. All Confidential Information and/or other ideas, concepts, know-how, techniques, processes, methods, inventions, discoveries, developments, innovations, and improvements, that are reasonably related to the business of the School, involve the School's research or development (whether actual or demonstrably anticipated), or are produced by Employee during the period of employment with the School belongs to the School and not Employee. Upon termination of Employee's employment with the School for any reason whatsoever, Employee will immediately turn over to the School all Confidential Information. Additionally, Employee will return all other School property or equipment, including but not limited to keys, entry devices, documents, computer software, and/or other materials related to the business, professional or personal affairs of the School or any of the School's families. - G. No Competition During Employment. Employee agrees that during employment with the School, Employee will not engage in any other employment or activity that might interfere with or be in competition with the interests of the School.
- H. Student Information. Employee agrees not to use, disclose, or disseminate in any manner whatsoever, for compensation or otherwise, any information, actions, events, behavior, or other conduct that Employee observes or hears from the

School's students or their families, either directly or indirectly, either during employment with the School or following termination of employment. Employee further agrees to take all precautions reasonably necessary to prevent the unauthorized use, disclosure, or dissemination of the School's students' information, actions, events, behavior, or other conduct, either during employment with the School or following termination of employment with the School.

6. Trade Secrets. The Parties further recognize and acknowledge that neither the above provisions nor the School's exercise of any rights thereunder shall limit the rights of the School under applicable statutes and common law rules regarding trade secrets, including without limitation, the Uniform Trade Secrets Act (Cal. Civ. Code Section 3426 et seq.) or limit the rights of the School to seek damages relief. In particular, and without limitation of the foregoing, the School reserves its rights under California Civil Code Section 3426.3 to seek total damages in an amount two times that of actual damages suffered as a result of misappropriation of its Confidential Information.

8. Severability. In the event a court of competent jurisdiction finds any provision of this Agreement to be invalid or otherwise unenforceable, the remaining portions of this Agreement will retain their full force and effect.

9. Entire and Sole Agreement. The Parties agree that this Agreement contains their entire agreement and supersedes all other agreements and understandings, whether written or oral, covering the subject matter hereof. The Parties warrant that there were no representations, agreements, arrangements or understandings, whether written or oral, between them relating to the subject matter contained in this Agreement which are not fully expressed herein. [REDACTED]

Dear [REDACTED],

We are pleased to offer you the position of full-time exempt Director of Virtual with Elite Academic Academy - Lucerne (the "School") commencing July 1, 2022, and including 1 day of Professional Development (on June 13, 2022). We are delighted you chose to join the Elite Academic Academy team and are confident you will enjoy it here. The purpose of this letter is to summarize the terms of your employment with the School as set forth in this At-Will Employment Agreement (the "Agreement"), should you accept our offer. This offer of employment is conditioned upon the receipt of proof of your legal eligibility to work in the United States (IRS I-9) and successful completion of all background (Livescan) checks.

The terms of your employment with the School are as follows:

1. **Job Duties.** Your job duties are detailed in the attached job description ("Exhibit A") which is incorporated herein, and you will report to the Chief Executive Officer, or designee. The duties set forth in Exhibit A may be amended from time to time at the sole discretion of the School.
2. **At-Will Employment.** Your employment at Elite Academic Academy is "at will," which means that it is of no definite duration and will continue only as long as both you and the School consider it of mutual benefit. Either you or the School is free to terminate the employment relationship at any time, with or without cause and with or without notice. Although your job duties, title, compensation and benefits, as well as our personnel policies and procedures, may change from time-to-time, the "at will" nature of your employment may only be changed in a document signed by you and the Chief Executive Officer of the School.

3. Work Hours. You are compensated for the general value of services you perform and not for the amount of time you spend on the job. Thus, you will generally be paid your set salary notwithstanding the number of hours you work. However, to ensure that you can be reached by your supervisor and communicate with those individuals who will assist you in performing your job duties, you are generally expected to work Monday to Friday during normal business hours.
4. Best Efforts. You agree that you will at all times faithfully, industriously, and to the best of your ability perform all of the duties that may be required of you by the School which shall include:
 - a. Fulfilling the job duties and functions enumerated in the job description, attached hereto as Exhibit A;
 - b. Such other duties as assigned by the Board of the School or your supervisor from time-to-time as necessary in the School's discretion and judgment to effectuate the purposes of this Agreement including assignments that are in addition to those expressly described in this Agreement or its Exhibit A;
 - c. Attending any scheduled School events or training or planning sessions before or during the school year if requested by your direct supervisor; and
 - d. Following and abiding by the School's policies and procedures as adopted and amended from time-to-time, including those policies and procedures set forth in the School's current Employee Handbook, which may be amended from time to time at the sole discretion of the School.
5. Non-Competition During Employment. You agree that while you are working for the School, you will not render services in person or by electronic means, paid or otherwise, to any other entity, unless prior written approval is given by the CEO.
6. Compensation. Due to funding uncertainties generally, and more specifically associated with the School's required participation in the SB 740 funding process for non-seat-time charter schools, as well as the unpredictability of legislation affecting charter schools, the total amount of School funds available for employee compensation is often unknown to the School at the outset of any academic year. Accordingly, you will be paid a minimum annual salary of \$125,000, less applicable withholdings, for 228 days of work (see calendar attached), which amount may be adjusted upward during or at the conclusion of the academic year by the School's governing board in its sole discretion. You will also receive a stipend of \$250.00 a month for travel and mileage (in lieu of mileage reimbursement). You will be paid once a month on, or before, the 26th of each month. Salary increases and annual bonuses may be awarded at the end of each calendar year, at the sole and absolute discretion of the CEO, based upon, among other things, your performance and the School's overall performance during the calendar year.
7. Benefits. You will be eligible for all benefits as generally offered to similarly situated employees of the School, including contributions to California State Teachers Retirement System, as further described in our Employee Handbook. The School also offers Health and Welfare benefits, after one month of employment, totaling \$10,800 a year (or \$900 a month), which can be used to purchase medical, dental, and vision insurance benefits offered through

the Charter providers. You may “opt out” of medical insurance provided by the Charter and retain a monthly allotment of \$200. For more information, please see the plan benefits.

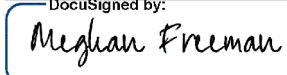

8. Arbitration. It is a condition of your employment that you review the School’s Arbitration Agreement (attached) which provides that any disputes between you and the School be submitted to binding arbitration. You should notify the School in writing of any complaints you have with respect to your employment so that any issues can immediately be addressed and rectified.
9. Confidentiality. Because of the nature of our work and the highly confidential information we provide to our employees, you will be required to execute a Confidentiality and Non-Disclosure Agreement (attached), which will remain in full force and effect after your employment.
10. Equal Employment Opportunity. The School is an equal opportunity employer. School policy prohibits discrimination, retaliation, or harassment based on practices, national origin, including language use and possession of a driver’s license issued actual or perceived ancestry, race, color, religion, including religious dress and grooming practices, national origin, including language use and possession of a driver’s license, citizenship, marital status, sex, pregnancy, childbirth, breastfeeding, or related medical conditions, gender, gender identity, gender expression, sexual orientation, age (40 and above), military or veteran status, physical or mental disability, including HIV and AIDS, medical condition, including cancer or a record or history of cancer, genetic characteristic or information, protected medical leaves (e.g., leave under the Family and Medical Leave Act or the California Family Rights Act), domestic violence victim status, political affiliation, and any other status protected by federal, state, or local laws. This commitment applies to all personnel decisions and to all persons involved in the operations of the School. In addition, you are expressly prohibited from discriminating against, retaliating against, or harassing any student of the School. You must treat all students and third parties working for or on behalf of the School respectfully and appropriately.
11. Prior Agreements. You affirm that you are not a party to any agreement(s) such as a non-competition agreement that would prohibit you from employment with us.
12. Organization Policies. If you accept this offer and begin employment, on your first day of employment, you will be given additional information about the School, including but not limited to its Employee Handbook and other policies and procedures
13. Entire Agreement. This Agreement and its Exhibit A, and accompanying attachments, when accepted by you, constitutes our entire agreement and supersedes all prior agreements and representations whether written or oral. This Agreement may be amended only by a writing signed by both yourself and the CEO of the School. To the extent this Agreement or its attachments conflict with our Employee Handbook or any other policy or procedure, this Agreement or its attachments, as the case may be, shall control.

On your first day of work you will be required to complete the INS form I-9. Please bring appropriate identification that shows your eligibility to work in the United States.

If these terms are acceptable to you, please sign one copy of this offer letter and return it at your earliest convenience. This offer will remain open for 5 days.

Once again, we are looking forward to you joining the Elite Academic Team, contributing to the Director Department, and personally growing with the School.

Sincerely,

CONFIDENTIALITY AND NON-DISCLOSURE AGREEMENT

The Parties to this Confidentiality and Non-Solicitation Agreement ("Agreement") are Elite Academic Academy - Lucerne (the "School") and [REDACTED] ("Employee") (collectively referred to herein as the "Parties").

1. Employee Access to Confidential Information. The School and Employee acknowledge that the business of the School and the nature of Employee's work will require Employee to have access to Confidential Information (as such term is defined below) of the School and/or its families, which, if disclosed in an unauthorized manner, could be highly prejudicial to the School and/or its families.

2. Value of School Business, Families, and Confidential Information. The School has created, developed, and obtained Confidential Information (as such term is defined below). Additionally, the School has entered into agreements with third parties whereby these third parties produce confidential, proprietary, and/or trade secret information for the School. Such information has independent actual or potential economic value from not being generally known to the public or to other persons who can obtain economic value from its disclosure or use and is not readily available through any source other than the School. Maintenance of confidentiality regarding such information and special knowledge is essential to preserving the competitive position and value of the School. Further, the specialized services provided by the School to its families are such that potential families might not be aware of the availability of such services from the School. Consequently, the School has gone to considerable time, expense, and effort in seeking out potential families, explaining to these potential families the unique value of the School's services, and developing family relationships. This specialized business requires the School to develop confidential relationships with its families, whereby the School and each family work together closely to develop customized services for each family. Therefore, information concerning both the nature and the fact of the School's relationships has independent actual or potential economic value from not being generally known to the public or to other persons who can obtain economic value from its disclosure or use. The confidentiality of the School's families is essential to the continued economic viability of the School and is subject to continuous, vigorous efforts by the School to maintain secrecy.

3. Confidential Information Defined. "**Confidential Information**" of the School includes, but is not limited to, proprietary and/or trade secret information, intellectual property, ideas innovations, organization financial documents and transactions, student and family information and records, confidential financial data or other non-public proprietary organization information,

confidential information regarding business partners, vendors, or families and students, business methods, devices, processes, compilation of information, computer software developed by or for the School records, methods of data processing, surveys, designs, questionnaires, reports, industry norms, models, forecasts, formulae, equations, studies or data developed in connection with any project or activity of the School, and School financial information.

A. Exclusions. Confidential Information shall not include: (a) information now and hereafter voluntarily disseminated by the School to the public or which otherwise becomes part of the public domain through lawful means; (b) information already known to Employee as documented by written records which predate Employee's employment with the School; and (c) information independently developed by Employee after termination of Employee's employment.

4. Value of the School's Workforce. The Parties further acknowledge and agree that the School needs to maintain a stable workforce in order to remain in business. Thus, the School is entitled to protect its legitimate business interest in preventing persons from disrupting, damaging, impairing, or interfering with its business by soliciting its employees for employment with another company.

5. Employee's Obligations as to Confidential Information. Therefore, as a condition of employment, Employee agrees to maintain the secrecy of the School's Confidential Information and to not engage in unfair competition with the School as follows:

A. No Disclosure. Employee will not use, disclose, or disseminate in any manner whatsoever any Confidential Information, either directly or indirectly, either during employment with the School or following termination of employment, except as required in the course of employment with the School, or as expressly authorized in writing by an officer or manager of the School.

B. No Reproduction or Removal. Employee will not reproduce in any manner, or remove from the School or Employee's work location, any Confidential Information, whether or not recorded in writing, by sound or visual means, on computer or computer disk or by any other means, either during employment with the School or following termination of employment, except as required in the course of employment with the School, or expressly authorized in writing by an officer of the School.

C. Duty to Prevent Disclosure. Employee will take all precautions reasonably necessary to prevent the unauthorized use, disclosure, or dissemination of Confidential Information either during employment with the School or following termination of employment with the School.

D. Required Disclosure. Notwithstanding Sections A, B and C above, in the event that Employee is requested or required (by oral questions, interrogatories, requests for information or documents, subpoena, civil investigative demand or other similar process in legal proceedings) to disclose any of the Confidential Information,

Employee shall provide the School with prompt written notice of any such request or requirement so that the School may seek a protective order or other appropriate remedy, or waive compliance with the provisions of this Agreement. If, in the absence of a protective order or other remedy or the receipt of a waiver by the School, Employee is nonetheless legally compelled to disclose Confidential Information to any tribunal or else stand liable for contempt or suffer other censure or penalty, Employee may, without liability hereunder, disclose to such tribunal only that portion of the Confidential Information that is legally required to be disclosed, provided that Employee exercises his or her best efforts to preserve the confidentiality of the Confidential Information, including, without limitation, by cooperating with the School to obtain an appropriate protective order or other reliable assurance that confidential treatment will be accorded the Confidential Information by such tribunal.

- E. Ownership of Materials; Return of Materials Upon Termination of Employment. All Confidential Information and/or other ideas, concepts, know-how, techniques, processes, methods, inventions, discoveries, developments, innovations, and improvements, that are reasonably related to the business of the School, involve the School's research or development (whether actual or demonstrably anticipated), or are produced by Employee during the period of employment with the School belongs to the School and not Employee. Upon termination of Employee's employment with the School for any reason whatsoever, Employee will immediately turn over to the School all Confidential Information. Additionally, Employee will return all other School property or equipment, including but not limited to keys, entry devices, documents, computer software, and/or other materials related to the business, professional or personal affairs of the School or any of the School's families. Further, Employee will not retain any copies of any of the above materials in hardcopy, electronic or other form.
- F. Prohibition on Use of Trade Secret Information. Employee agrees that during Employee's employment with the School and following termination of Employee's employment with the School, for any reason whatsoever, Employee shall not use the School's trade secret information, including without limitation, (1) to contact or solicit any families or prospective families of the School whom Employee served or whose names became known to Employee while in the employ of the School either on the Employee's behalf or on behalf of any other party engaged in a business which is competitive with the School or (2) to solicit the employment of any School employee, whether or not the solicited employee would commit any breach of his or her own employment terms by leaving the service of the School.
- G. No Competition During Employment. Employee agrees that during employment with the School, Employee will not engage in any other employment or activity that might interfere with or be in competition with the interests of the School.
- H. Student Information. Employee agrees not to use, disclose, or disseminate in any manner whatsoever, for compensation or otherwise, any information, actions,

events, behavior, or other conduct that Employee observes or hears from the School's students or their families, either directly or indirectly, either during employment with the School or following termination of employment. Employee further agrees to take all precautions reasonably necessary to prevent the unauthorized use, disclosure, or dissemination of the School's students' information, actions, events, behavior, or other conduct, either during employment with the School or following termination of employment with the School.

6. Trade Secrets. The Parties further recognize and acknowledge that neither the above provisions nor the School's exercise of any rights thereunder shall limit the rights of the School under applicable statutes and common law rules regarding trade secrets, including without limitation, the Uniform Trade Secrets Act (Cal. Civ. Code Section 3426 et seq.) or limit the rights of the School to seek damages relief. In particular, and without limitation of the foregoing, the School reserves its rights under California Civil Code Section 3426.3 to seek total damages in an amount two times that of actual damages suffered as a result of misappropriation of its Confidential Information.

7. School's Entitlement to Compensation Received by Employee for Use or Disclosure of Confidential Information. Employee further expressly agrees that, without limiting any other right or remedies the School may have, the School shall be entitled to recover any and all monies or other benefits whatsoever received by Employee or on Employee's behalf or by any other person or entity from any and all sources in connection with any use or dissemination by Employee, or Employee's agents, of any Confidential Information and that any such monies or other benefits so received shall be held in trust by the recipient for immediate payment over to the School.

8. Severability. In the event a court of competent jurisdiction finds any provision of this Agreement to be invalid or otherwise unenforceable, the remaining portions of this Agreement will retain their full force and effect.

9. Entire and Sole Agreement. The Parties agree that this Agreement contains their entire agreement and supersedes all other agreements and understandings, whether written or oral, covering the subject matter hereof. The Parties warrant that there were no representations, agreements, arrangements or understandings, whether written or oral, between them relating to the subject matter contained in this Agreement which are not fully expressed herein. No modification, amendment or waiver of any of the provisions contained in this Agreement, or any future representations, promise, or condition in connection with the subject matter of this Agreement, shall be binding upon any party to this Agreement unless made in writing and signed by such party or by a duly authorized officer, partner, or agent of such party.

10. Governing Law. The Parties agree that the laws of the State of California shall govern the interpretation and enforcement of this Agreement, without giving effect to that State's choice of law rules.

AT-WILL EMPLOYMENT AGREEMENT

Between Elite Academic Academy Charter - Lucerne

and

Name: [REDACTED]

in the position of

Title: Speech and Language Pathologist

April 27, 2022

[REDACTED]

Dear [REDACTED]

We are pleased to offer you the position of full-time exempt Speech and Language Pathologist with Elite Academic Academy - Lucerne (the "School") commencing August 18, 2022, including 2 Professional Development days (August 18 and 19, 2022). We are delighted you chose to join the team and are confident you will enjoy it here. The purpose of this letter is to summarize the terms of your employment with the School as set forth in this At-Will Employment Agreement (the "Agreement"), should you accept our offer. This offer of employment is conditioned upon the receipt of proof of your legal eligibility to work in the United States (IRS I-9) and successful completion of all background (Livescan) checks.

The terms of your employment with the School are as follows:

1. Job Duties. Your job duties are detailed in the attached job description (Exhibit A) and you will report to the Special Education Coordinator, Special Education Consultant, or designee.
2. At-Will Employment. Your employment at the School is "at will," which means that it is of no definite duration and will continue only as long as both you and the School consider it of mutual benefit. Either you or the School is free to terminate the employment relationship at any time, with or without cause and with or without notice. Although your job duties, title,

compensation, and benefits, as well as our personnel policies and procedures, may change from time-to-time, the “at will” nature of your employment may only be changed in a document signed by you and the CEO of the School.

3. Work Hours. You are compensated for the general value of services you perform and not for the amount of time you spend on the job. Thus, you will generally be paid your set salary notwithstanding the number of hours you work. However, to ensure that you can be reached by your supervisor and communicate with those individuals who will assist you in performing your job duties, you are generally expected to work Monday to Friday during normal business hours.

4. Compensation. Due to funding uncertainties generally, and more specifically associated with the School’s required participation in the SB 740 funding process for non-seat-time charter schools, as well as the unpredictability of legislation affecting charter schools, the total amount of School funds available for employee compensation is often unknown to the School at the outset of any academic year. Accordingly, you will be paid a minimum annual salary of \$111,600 (or \$10,145.45 for 11 months - August 2022 thru June 2023), less applicable withholdings, for 186 days of work (see calendar attached) including 2 days of Professional Development (see above), which amount may be adjusted upward during or at the conclusion of the academic year by the School’s governing board in its sole discretion. You will also receive a stipend of \$150.00 a month for travel and mileage (in lieu of mileage reimbursement), along with a \$125.00 monthly stipend in honor of your Master’s Degree. You will be paid once a month on, or before, the 26th of each month. Salary increases and annual bonuses may be awarded at the end of each calendar year, at the sole and absolute discretion of the CEO, based upon, among other things, your performance and the School’s overall performance during the calendar year.

5. Benefits. You will be eligible for all benefits as generally offered to similarly situated employees of the School, including contributions to California State Teachers Retirement System, as further described in our Employee Handbook. The School also offers Health and Welfare benefits, after one month of employment, totaling \$10,800 a year (or \$900 a month), which can be used to purchase medical, dental, and vision insurance benefits offered through the Charter providers. You may “opt out” of medical insurance provided by the Charter and retain a monthly allotment of \$200. For more information, please see the plan benefits.

6. Arbitration. It is a condition of your employment that you review our Arbitration Agreement (attached) which provides that any disputes between you and the School be submitted to binding arbitration. You should notify the School in writing of any complaints you have with respect to your employment so that any issues can immediately be addressed and rectified.

7. Confidentiality. Because of the nature of our work and the highly confidential information we provide to our employees, you will be required to execute a Confidentiality and Non-Disclosure agreement (attached), which will remain in full force and effect after your employment.

8. Equal Employment Opportunity. The School is an equal opportunity employer. School policy prohibits discrimination, retaliation, or harassment based on actual or perceived ancestry, race, color, religion, including religious dress and grooming practices, national origin, including language use and possession of a driver’s license, citizenship, marital status, sex, pregnancy, childbirth, breastfeeding, or related medical conditions, gender, gender identity, gender expression, sexual orientation, age (40 and above), military or veteran status, physical or

mental disability, including HIV and AIDS, medical condition, including cancer or a record or history of cancer, genetic characteristic or information, protected medical leaves (e.g., leave under the Family and Medical Leave Act or the California Family Rights Act), domestic violence victim status, political affiliation, and any other status protected by federal, state, or local laws. This commitment applies to all personnel decisions and to all persons involved in the operations of the School. In addition, you are expressly prohibited from discriminating against, retaliating against, or harassing any student of the School. You must treat all students and third parties working for or on behalf of the School respectfully and appropriately.

9. Prior Agreements. You affirm that you are not a party to any agreement(s) such as a non-competition agreement that would prohibit you from employment with us.

10. Organization Policies. If you accept this offer and begin employment, on your first day of employment, you will be given additional information about the School, including but not limited to its Employee Handbook and other policies and procedures

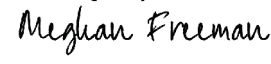

11. Entire Agreement. This Agreement and its Exhibit A, and accompanying attachments, when accepted by you, constitutes our entire agreement and supersedes all prior agreements and representations whether written or oral. This Agreement may be amended only by a writing signed by both yourself and the CEO of the School. To the extent this Agreement or its attachments conflict with our Employee Handbook or any other policy or procedure, this Agreement or its attachments, as the case may be, shall control.

On your first day of work, you will be required to complete the INS form I-9. Please bring appropriate identification that shows your eligibility to work in the United States.

If these terms are acceptable to you, please sign one copy of this offer letter and return it at your earliest convenience. This offer will remain open for 5 working days.

Once again, we are looking forward to you joining the Elite Academic Academy - Lucerne team, contributing to the Special Education Department, and personally growing with the School.

Sincerely,

DocuSigned by:

CONFIDENTIALITY AND NON-DISCLOSURE AGREEMENT

The Parties to this Confidentiality and Non-Solicitation Agreement ("Agreement") are Elite Academic Academy - Lucerne (the "School") and [REDACTED] ("Employee") (collectively referred to herein as the "Parties").

1. Employee Access to Confidential Information. The School and Employee acknowledge that the business of the School and the nature of Employee's work will require Employee to have access to Confidential Information (as such term is defined below) of the School and/or its families, which, if disclosed in an unauthorized manner, could be highly prejudicial to the School and/or its families.

2. Value of School Business, Families, and Confidential Information. The School has created, developed, and obtained Confidential Information (as such term is defined below). Additionally, the School has entered into agreements with third parties whereby these third parties produce confidential, proprietary, and/or trade secret information for the School. Such information has independent actual or potential economic value from not being generally known to the public or to other persons who can obtain economic value from its disclosure or use and is not readily available through any source other than the School. Maintenance of confidentiality regarding such information and special knowledge is essential to preserving the competitive position and value of the School. Further, the specialized services provided by the School to its families are such that potential families might not be aware of the availability of such services from the School. Consequently, the School has gone to considerable time, expense, and effort in seeking out potential families, explaining to these potential families the unique value of the School's services, and developing family relationships. This specialized business requires the School to develop confidential relationships with its families, whereby the School and each family work together closely to develop customized services for each family. Therefore, information concerning both the nature and the fact of the School's relationships has independent actual or potential economic value from not being generally known to the public or to other persons who can obtain economic value from its disclosure or use. The confidentiality of the School's families is essential to the continued economic viability of the School and is subject to continuous, vigorous efforts by the School to maintain secrecy.

3. Confidential Information Defined. "**Confidential Information**" of the School includes, but is not limited to, proprietary and/or trade secret information, intellectual property, ideas innovations, organization financial documents and transactions, student and family information and records, confidential financial data or other non-public proprietary organization information,

confidential information regarding business partners, vendors, or families and students, business methods, devices, processes, compilation of information, computer software developed by or for the School records, methods of data processing, surveys, designs, questionnaires, reports, industry norms, models, forecasts, formulae, equations, studies or data developed in connection with any project or activity of the School, and School financial information.

A. Exclusions. Confidential Information shall not include: (a) information now and hereafter voluntarily disseminated by the School to the public or which otherwise becomes part of the public domain through lawful means; (b) information already known to Employee as documented by written records which predate Employee's employment with the School; and (c) information independently developed by Employee after termination of Employee's employment.

4. Value of the School's Workforce. The Parties further acknowledge and agree that the School needs to maintain a stable workforce in order to remain in business. Thus, the School is entitled to protect its legitimate business interest in preventing persons from disrupting, damaging, impairing, or interfering with its business by soliciting its employees for employment with another company.

5. Employee's Obligations as to Confidential Information. Therefore, as a condition of employment, Employee agrees to maintain the secrecy of the School's Confidential Information and to not engage in unfair competition with the School as follows:

A. No Disclosure. Employee will not use, disclose, or disseminate in any manner whatsoever any Confidential Information, either directly or indirectly, either during employment with the School or following termination of employment, except as required in the course of employment with the School, or as expressly authorized in writing by an officer or manager of the School.

B. No Reproduction or Removal. Employee will not reproduce in any manner, or remove from the School or Employee's work location, any Confidential Information, whether or not recorded in writing, by sound or visual means, on computer or computer disk or by any other means, either during employment with the School or following termination of employment, except as required in the course of employment with the School, or expressly authorized in writing by an officer of the School.

C. Duty to Prevent Disclosure. Employee will take all precautions reasonably necessary to prevent the unauthorized use, disclosure, or dissemination of Confidential Information either during employment with the School or following termination of employment with the School.

D. Required Disclosure. 8. Severability. In the event a court of competent jurisdiction finds any provision of this Agreement to be invalid or otherwise unenforceable, the remaining portions of this Agreement will retain their full force and effect.

9. Entire and Sole Agreement. The Parties agree that this Agreement contains their entire agreement and supersedes all other agreements and understandings, whether written or oral, covering the subject matter hereof. AT-WILL EMPLOYMENT AGREEMENT

Between Elite Academic Academy Charter - Lucerne

Name: [REDACTED]

in the position of

Title: Academic Innovation - IT Support

April 4, 2022

We are pleased to offer you the position of **Full -Time (NON-Exempt) Academic Innovation - IT Support** with Elite Academic Academy –Lucerne (the “School”) commencing **May 1, 2022**. We are delighted you chose to join the Elite Academic Academy team and are confident you will enjoy it here. The terms of your employment offer are set forth in this At-Will Employment Agreement (the “Agreement”), and are conditioned upon the receipt of proof of your legal eligibility to work in the United States (IRS I-9) and successful completion of all background (Livescan) checks (which you have already completed). They are as follows:

1. Your job duties are detailed in the attached job description (“Exhibit A”) and you will report to the Chief Academic Innovations Officer, or designee. A copy of your job description, attached hereto as Exhibit A, is incorporated by reference herein. The duties set forth in that job description may be amended from time to time at the sole discretion of the School.
2. You agree that you will at all times faithfully, industriously, and to the best of your ability perform all of the duties that may be required of you which shall include:
 - a. Fulfilling the functions enumerated in the job description, attached hereto as Exhibit A;
 - b. Such other duties as assigned by the Board of the School or your supervisor from time-to-time as necessary in the School’s discretion and judgment to effectuate the purposes of this Agreement. You understand that the School may at times make assignments that are in addition to those expressly described in this Agreement.

- c. Attending any scheduled School events or training or planning sessions before or during the school year if requested by your direct supervisor; and
 - d. Following and abiding by the School's policies and procedures as adopted and amended from time-to-time, including those policies and procedures set forth in the School's current Employee Handbook, which may be amended from time to time at the sole discretion of the School.
3. You agree that while you are working for the School you will not render services in person or by electronic means, paid or otherwise, to any other entity, unless prior written approval is given by the CEO.
4. Due to funding uncertainties generally, and more specifically associated with the School's required participation in the SB 740 funding process for non-seat-time charter schools, as well as the unpredictability of legislation affecting charter schools, the total amount of School funds available for employee compensation is often unknown to the School at the outset of any academic year. Accordingly, you will be paid a minimum rate of \$20.00 an hour for all regular hours worked, less applicable withholdings, for 239 days of work (see attached calendar), which amount may be adjusted upward, during or at the conclusion of the academic year, by the School's governing board in its sole discretion. We anticipate that there will be occasions when we will ask you to work overtime. All overtime hours must be approved in advance by your supervisor. For any overtime hours worked, you will be paid at the appropriate overtime rate in accordance with all applicable laws. You will be paid twice a month on, or around, the 10th and 26th of each month. Human Resources will confirm your exact pay dates.
5. You will be eligible for all benefits as generally offered to similarly situated employees of the School, including accrual of vacation and sick pay (as outlined in the School's Employee Handbook)
6. The charter offers Health and Welfare benefits, totaling \$10,800 a year (or \$900 a month), which can be used to purchase medical, dental, and vision insurance benefits offered through the Charter providers. You may "opt out" of medical insurance provided by the charter, and retain a monthly allotment of \$200. You will be eligible for the Health and Welfare benefits, after one month of employment.
7. You shall be provided with a duty-free, uninterrupted unpaid meal period of at least thirty minutes for a work period of over 5 hours in a day and one rest break of 10 minutes for every 4 hours worked or major fraction thereof. Your supervisor will schedule the times for your meal and rest periods.
8. You are required to record your time via our timekeeping system, in Paycom. You will be provided with specific instructions regarding this system. You will be responsible for reviewing, approving, and submitting your time to your supervisor. You must report any instance where you believe your time, or pay, is inaccurate to the payroll department.
9. Your employment at Elite Academic Academy is "at will," which means that it is of no definite duration and will continue only as long as both you and the School consider it of mutual benefit. Either you or the School is free to terminate the employment relationship at any time, with or without cause and with or without notice. Although your job duties, title,

compensation and benefits, as well as our personnel policies and procedures, may change from time-to-time, the “at will” nature of your employment may only be changed in a document signed by you and the Chief Executive Officer of the School.

10. It is a condition of your employment that you sign the School’s Arbitration Agreement which provides that any disputes between you and the School be submitted to binding arbitration. You should notify the School in writing of any complaints you have with respect to your employment so that any issues can immediately be addressed and rectified.
11. It is also a condition of your employment that, upon starting employment, you sign our Confidentiality Agreement, which contains additional requirements for the protection of the school’s trade secret, confidential and proprietary information as well as an assignment to Elite Academic Academy of the ideas, concepts and other intellectual property that you create while you are employed by the school (please refer to the Employee Handbook for this document).
12. The School is an equal opportunity employer. Company policy prohibits discrimination, retaliation, or harassment based on practices, national origin, including language use and possession of a driver’s license issued to persons unable to prove their presence in the United States is authorized under federal law, citizenship, marital status, sex, pregnancy, childbirth, breastfeeding, or related medical conditions, gender, gender identity, gender expression, sexual orientation, age (40 and above), military or veteran status, physical or mental disability, including HIV and AIDS, medical condition, including cancer or a record or history of cancer, genetic characteristic or information, protected medical leaves (e.g., leave under the Family and Medical Leave Act or the California Family Rights Act), domestic violence victim status, political affiliation, and any other status protected by federal, state, or local laws. This commitment applies to all personnel decisions and to all persons involved in the operations of the School. In addition, you are expressly prohibited from discriminating against, retaliating against, or harassing any student of the School. You must treat all students and third parties working for or on behalf of the School respectfully and appropriately.
13. You affirm that you are not a party to any agreement(s) such as a non-competition agreement that would prohibit you from employment with us.
14. This Agreement, when accepted by you, constitutes our entire agreement and supersedes all prior agreements and representations whether written or oral. This Agreement may be amended only by a writing signed by both yourself and the CEO.
15. On your first day of work you will be required to complete the INS form I-9. Please bring appropriate identification that shows your eligibility to work in the United States.

If these terms are acceptable to you, please sign one copy of this offer letter and return it at your earliest convenience. This offer will remain open for 5 days.

Once again, we are looking forward to you joining the Elite Academic Team, contributing to the IT Department, and personally growing with the School.

Sincerely,

- C. Excluded Claims. Notwithstanding the above broad scope of Covered Claims, this Agreement does not cover any claims to the extent such claims are non-arbitrable pursuant to applicable law (which are not preempted by the FAA).
- D. Class and Collective Action Waiver. **Covered Claims shall be arbitrated on an individual basis only. No Covered Claim shall be (a) heard or arbitrated on a class or collective action basis on behalf of other persons alleged to be similarly situated, or (b) joined, consolidated, or otherwise combined with the claims of other persons in one proceeding. Each Party waives the right to bring, maintain, participate in, or receive money from, any class or collective proceeding, whether in arbitration or otherwise.**
- E. Notice of Claim. A demand for arbitration must be in writing by certified or registered mail, return receipt requested and obtained, or by service as authorized for the commencement of a civil action and made within the applicable statute of limitations period. The notice must describe the nature of the controversy and the remedy sought. In the event that there is a dispute as to whether the Parties agreed to arbitrate a claim or an issue, the court shall have the exclusive authority to determine arbitrability.
- F. Rules of Arbitration. Arbitration under this Agreement will be conducted in accordance with the then current

Employment Arbitration Rules and Mediation Procedures of the American Arbitration Association (“AAA Rules”) or in accordance with the rules of another similar organization agreed to by the Parties. A current copy of the AAA Rules is available at www.adr.org and from Elite Academic Academy’s Human Resources Department upon request.

- G. Place of Arbitration. Arbitration shall take place before a neutral arbitrator within 45 miles of where Employee is or was last employed by the Company.
- H. Discovery. The Parties shall be entitled to conduct reasonable discovery, including, without limitation, conducting depositions of and requesting documents from each other and third parties. The arbitrator shall have the authority to resolve discovery disputes, modify procedures to ensure they are affordable and accessible, and order prehearing third-party discovery.
- I. Arbitration Decision. The arbitrator shall prepare in writing and timely provide to the Parties a decision and award which includes factual findings and the reasons upon which the decision is based. The arbitrator may make any award available under law, including monetary damages, injunctive relief, and attorneys’ fees. The decision of the arbitrator shall be binding and conclusive on the Parties, except as otherwise required by law. Judgment upon the award rendered by the arbitrator may be entered in any court having proper jurisdiction.
- J. Arbitration Fees and Costs. Company shall be entirely responsible for the arbitrator’s fees. Each Party shall pay his/her/its own costs and attorneys’ fees, if any, except that the arbitrator shall award attorneys’ fees and costs in accordance with applicable law.
- K. Governing Law. Any enforcement of this arbitration provision shall be governed by the Federal Arbitration Act (the “FAA”), and any procedural issues related to this arbitration provision shall be governed by California law, unless California law conflicts with the FAA in which case the FAA shall govern.
- L. Employee Right to Review and Consult Counsel. Employee has the right to review this agreement with their counsel if needed, and if Employee has any questions about this Agreement, Employee should contact Elite Academic Academy’s Human Resources Department.
- M. Sole and Entire Agreement. This Agreement constitutes the entire agreement between the Parties with respect to the matters referenced herein and can be modified only in a writing signed by both Parties, stating the intent to revoke or modify this Agreement. If any provision in this Agreement is determined to be unenforceable, then the remaining provisions shall remain in full effect.

CONFIDENTIALITY AND NON-DISCLOSURE AGREEMENT

The Parties to this Confidentiality and Non-Solicitation Agreement ("Agreement") are Elite Academic Academy – Lucerne (the "School") and [REDACTED] ("Employee") (collectively referred to herein as the "Parties").

1. Employee Access to Confidential Information. The School and Employee acknowledge that the business of the School and the nature of Employee's work will require Employee to have access to Confidential Information (as such term is defined below) of the School and/or its families, which, if disclosed in an unauthorized manner, could be highly prejudicial to the School and/or its families.

2. Value of School Business, Families, and Confidential Information. The School has created, developed, and obtained Confidential Information (as such term is defined below). Additionally, the School has entered into agreements with third parties whereby these third parties produce confidential, proprietary, and/or trade secret information for the School. Such information has independent actual or potential economic value from not being generally known to the public or to other persons who can obtain economic value from its disclosure or use and is not readily available through any source other than the School. Maintenance of confidentiality regarding such information and special knowledge is essential to preserving the competitive position and value of the School. Further, the specialized services provided by the School to its families are such that potential families might not be aware of the availability of such services from the School. Consequently, the School has gone to considerable time, expense, and effort in seeking out potential families, explaining to these potential families the unique value of the School's services, and developing family relationships. This specialized business requires the School to develop confidential relationships with its families, whereby the School and each family work together closely to develop customized services for each family. Therefore, information concerning both the nature and the fact of the School's relationships has independent actual or potential economic value from not being generally known to the public or to other persons who can obtain economic value from its disclosure or use. The confidentiality of the School's families is essential to the continued economic viability of the School and is subject to continuous, vigorous efforts by the School to maintain secrecy.

3. Confidential Information Defined. "**Confidential Information**" of the School includes, but is not limited to, proprietary and/or trade secret information, intellectual property, ideas innovations, organization financial documents and transactions, student and family information and records, confidential financial data or other non-public proprietary organization information,

confidential information regarding business partners, vendors, or families and students, business methods, devices, processes, compilation of information, computer software developed by or for the School records, methods of data processing, surveys, designs, questionnaires, reports, industry norms, models, forecasts, formulae, equations, studies or data developed in connection with any project or activity of the School, and School financial information.

A. Exclusions. Confidential Information shall not include: (a) information now and hereafter voluntarily disseminated by the School to the public or which otherwise becomes part of the public domain through lawful means; (b) information already known to Employee as documented by written records which predate Employee's employment with the School; and (c) information independently developed by Employee after termination of Employee's employment.

4. Value of the School's Workforce. The Parties further acknowledge and agree that the School needs to maintain a stable workforce in order to remain in business. Thus, the School is entitled to protect its legitimate business interest in preventing persons from disrupting, damaging, impairing, or interfering with its business by soliciting its employees for employment with another company.

5. Employee's Obligations as to Confidential Information. Therefore, as a condition of employment, Employee agrees to maintain the secrecy of the School's Confidential Information and to not engage in unfair competition with the School as follows:

A. No Disclosure. Employee will not use, disclose, or disseminate in any manner whatsoever any Confidential Information, either directly or indirectly, either during employment with the School or following termination of employment, except as required in the course of employment with the School, or as expressly authorized in writing by an officer or manager of the School.

B. No Reproduction or Removal. Employee will not reproduce in any manner, or remove from the School or Employee's work location, any Confidential Information, whether or not recorded in writing, by sound or visual means, on computer or computer disk or by any other means, either during employment with the School or following termination of employment, except as required in the course of employment with the School, or expressly authorized in writing by an officer of the School.

C. Duty to Prevent Disclosure. Employee will take all precautions reasonably necessary to prevent the unauthorized use, disclosure, or dissemination of Confidential Information either during employment with the School or following termination of employment with the School.

D. Required Disclosure. Notwithstanding Sections A, B and C above, in the event that Employee is requested or required (by oral questions, interrogatories, requests for information or documents, subpoena, civil investigative demand or other similar process in legal proceedings) to disclose any of the Confidential Information, Employee shall provide the School with prompt written notice of any such request

or requirement so that the School may seek a protective order or other appropriate remedy, or waive compliance with the provisions of this Agreement. If, in the absence of a protective order or other remedy or the receipt of a waiver by the School, Employee is nonetheless legally compelled to disclose Confidential Information to any tribunal or else stand liable for contempt or suffer other censure or penalty, Employee may, without liability hereunder, disclose to such tribunal only that portion of the Confidential Information that is legally required to be disclosed, provided that Employee exercises his or her best efforts to preserve the confidentiality of the Confidential Information, including, without limitation, by cooperating with the School to obtain an appropriate protective order or other reliable assurance that confidential treatment will be accorded the Confidential Information by such tribunal.

- E. Ownership of Materials; Return of Materials Upon Termination of Employment. All Confidential Information and/or other ideas, concepts, know-how, techniques, processes, methods, inventions, discoveries, developments, innovations, and improvements, that are reasonably related to the business of the School, involve the School's research or development (whether actual or demonstrably anticipated), or are produced by Employee during the period of employment with the School belongs to the School and not Employee. Upon termination of Employee's employment with the School for any reason whatsoever, Employee will immediately turn over to the School all Confidential Information. Additionally, Employee will return all other School property or equipment, including but not limited to keys, entry devices, documents, computer software, and/or other materials related to the business, professional or personal affairs of the School or any of the School's families. Further, Employee will not retain any copies of any of the above materials in hardcopy, electronic or other form.
- F. Prohibition on Use of Trade Secret Information. Employee agrees that during Employee's employment with the School and following termination of Employee's employment with the School, for any reason whatsoever, Employee shall not use the School's trade secret information, including without limitation, (1) to contact or solicit any families or prospective families of the School whom Employee served or whose names became known to Employee while in the employ of the School either on the Employee's behalf or on behalf of any other party engaged in a business which is competitive with the School or (2) to solicit the employment of any School employee, whether or not the solicited employee would commit any breach of his or her own employment terms by leaving the service of the School.
- G. No Competition During Employment. Employee agrees that during employment with the School, Employee will not engage in any other employment or activity that might interfere with or be in competition with the interests of the School.
- H. Student Information. Employee agrees not to use, disclose, or disseminate in any manner whatsoever, for compensation or otherwise, any information, actions, events, behavior, or other conduct that Employee observes or hears from the

School's students or their families, either directly or indirectly, either during employment with the School or following termination of employment. Employee further agrees to take all precautions reasonably necessary to prevent the unauthorized use, disclosure, or dissemination of the School's students' information, actions, events, behavior, or other conduct, either during employment with the School or following termination of employment with the School.

6. Trade Secrets. The Parties further recognize and acknowledge that neither the above provisions nor the School's exercise of any rights thereunder shall limit the rights of the School under applicable statutes and common law rules regarding trade secrets, including without limitation, the Uniform Trade Secrets Act (Cal. Civ. Code Section 3426 et seq.) or limit the rights of the School to seek damages relief. In particular, and without limitation of the foregoing, the School reserves its rights under California Civil Code Section 3426.3 to seek total damages in an amount two times that of actual damages suffered as a result of misappropriation of its Confidential Information.

7. School's Entitlement to Compensation Received by Employee for Use or Disclosure of Confidential Information. Employee further expressly agrees that, without limiting any other right or remedies the School may have, the School shall be entitled to recover any and all monies or other benefits whatsoever received by Employee or on Employee's behalf or by any other person or entity from any and all sources in connection with any use or dissemination by Employee, or Employee's agents, of any Confidential Information and that any such monies or other benefits so received shall be held in trust by the recipient for immediate payment over to the School.

8. Severability. In the event a court of competent jurisdiction finds any provision of this Agreement to be invalid or otherwise unenforceable, the remaining portions of this Agreement will retain their full force and effect.

9. Entire and Sole Agreement. The Parties agree that this Agreement contains their entire agreement and supersedes all other agreements and understandings, whether written or oral, covering the subject matter hereof. The Parties warrant that there were no representations, agreements, arrangements or understandings, whether written or oral, between them relating to the subject matter contained in this Agreement which are not fully expressed herein. No modification, amendment or waiver of any of the provisions contained in this Agreement, or any future representations, promise, or condition in connection with the subject matter of this Agreement, shall be binding upon any party to this Agreement unless made in writing and signed by such party or by a duly authorized officer, partner, or agent of such party.

10. Governing Law. The Parties agree that the laws of the State of California shall govern the interpretation and enforcement of this Agreement, without giving effect to that State's choice of law rules.

11. Independent Review and Advice. By signing his/her name below, Employee expressly acknowledges that he/she has read this Agreement, has had the opportunity to ask School representatives questions about it, has had the opportunity to consult with an attorney of his/her choice (at his/her own expense) before signing it, and understands the contents of this Agreement.

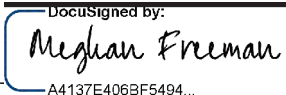

Employee further agrees that signing this Agreement is a condition of his/her employment with the School and payment therefore, which he/she understood before accepting employment with the School.

12. Costs and Attorneys Fees. In the event of any dispute, controversy, or other proceedings (including litigation or arbitration) arising out of or related to this Agreement, the prevailing party shall be entitled to reimbursement of all of its costs, including attorney and expert witnesses' fees and costs.

13. Successors and Assigns. All covenants, representations, warranties and agreements of the Parties contained herein shall be binding upon and inure to the benefit of their respective successors and permitted assigns.

14. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

Community Relations Lead

AT-WILL EMPLOYMENT AGREEMENT

Between Elite Academic Academy Charter - Lucerne

and

Name: [REDACTED]

in the position of

Title: Community Relations Lead

April 27, 2022

We are pleased to offer you the position of **Full-Time Exempt Community Relations Lead** with Elite Academic Academy - Lucerne (the "School") commencing May 1, 2022. We are delighted you chose to join the Elite Academic Academy team and are confident you will enjoy it here. The purpose of this letter is to summarize the terms of your employment with the School as set forth in this At-Will Employment Agreement (the "Agreement"), should you accept our offer. This offer of employment is conditioned upon the receipt of proof of your legal eligibility to work in the United States (IRS I-9) and successful completion of all background (Livescan) checks (both of which have already been completed).

The terms of your employment with the School are as follows:

1. **Job Duties.** Your job duties are detailed in the attached job description ("Exhibit A") which is incorporated herein, and you will report to the Director of Community Relations, or designee. The duties set forth in Exhibit A may be amended from time to time at the sole discretion of the School.
2. **At-Will Employment.** Your employment at Elite Academic Academy is "at will," which means that it is of no definite duration and will continue only as long as both you and the School consider it of mutual benefit. Either you or the School is free to terminate the employment relationship at any time, with or without cause and with or without notice. Although your job duties, title, compensation and benefits, as well as our personnel policies and procedures, may change from time-to-time, the "at will" nature of your employment may only be changed in a document signed by you and the Chief Executive Officer of the School.

3. Work Hours. You are compensated for the general value of services you perform and not for the amount of time you spend on the job. Thus, you will generally be paid your set salary notwithstanding the number of hours you work. However, to ensure that you can be reached by your supervisor and communicate with those individuals who will assist you in performing your job duties, you are generally expected to work Monday to Friday during normal business hours.
4. Best Efforts. You agree that you will at all times faithfully, industriously, and to the best of your ability perform all of the duties that may be required of you by the School which shall include:
 - a. Fulfilling the job duties and functions enumerated in the job description, attached hereto as Exhibit A;
 - b. Such other duties as assigned by the Board of the School or your supervisor from time-to-time as necessary in the School's discretion and judgment to effectuate the purposes of this Agreement including assignments that are in addition to those expressly described in this Agreement or its Exhibit A;
 - c. Attending any scheduled School events or training or planning sessions before or during the school year if requested by your direct supervisor; and
 - d. Following and abiding by the School's policies and procedures as adopted and amended from time-to-time, including those policies and procedures set forth in the School's current Employee Handbook, which may be amended from time to time at the sole discretion of the School.
5. Non-Competition During Employment. You agree that while you are working for the School, you will not render services in person or by electronic means, paid or otherwise, to any other entity, unless prior written approval is given by the CEO.
6. Compensation. Due to funding uncertainties generally, and more specifically associated with the School's required participation in the SB 740 funding process for non-seat-time charter schools, as well as the unpredictability of legislation affecting charter schools, the total amount of School funds available for employee compensation is often unknown to the School at the outset of any academic year. Accordingly, you will be paid a minimum annual salary of \$58,240 (\$4,853.33 per month) less applicable withholdings, for 238 days of work (see calendars attached for the remainder of the 21/22 school year, as well as the 22/23 school year), which amount may be adjusted upward during or at the conclusion of the academic year by the School's governing board in its sole discretion. You will also receive a stipend of \$150.00 a month for travel and mileage (in lieu of mileage reimbursement). You will be paid once a month on, or before, the 26th of each month. Salary increases and annual bonuses may be awarded at the end of each calendar year, at the sole and absolute discretion of the CEO, based upon, among other things, your performance and the School's overall performance during the calendar year.
7. Benefits. You will be eligible for all benefits as generally offered to similarly situated employees of the School as described in the School's Employee Handbook. The School also offers Health and Welfare benefits, after one month of employment, totaling \$10,800 a year (or \$900 a month), which can be used to purchase medical, dental, and vision insurance

benefits offered through the Charter providers. You may “opt out” of medical insurance provided by the Charter, and retain a monthly allotment of \$200. For more information, please see the plan benefits.

8. Arbitration. It is a condition of your employment that you review the School’s Arbitration Agreement (attached) which provides that any disputes between you and the School be submitted to binding arbitration. You should notify the School in writing of any complaints you have with respect to your employment so that any issues can immediately be addressed and rectified.
9. Confidentiality. Because of the nature of our work and the highly confidential information we provide to our employees, you will be required to execute a Confidentiality and Non-Disclosure Agreement (attached), which will remain in full force and effect after your employment.
10. Equal Employment Opportunity. The School is an equal opportunity employer. School policy prohibits discrimination, retaliation, or harassment based on practices, national origin, including language use and possession of a driver’s license issued actual or perceived ancestry, race, color, religion, including religious dress and grooming practices, national origin, including language use and possession of a driver’s license, citizenship, marital status, sex, pregnancy, childbirth, breastfeeding, or related medical conditions, gender, gender identity, gender expression, sexual orientation, age (40 and above), military or veteran status, physical or mental disability, including HIV and AIDS, medical condition, including cancer or a record or history of cancer, genetic characteristic or information, protected medical leaves (e.g., leave under the Family and Medical Leave Act or the California Family Rights Act), domestic violence victim status, political affiliation, and any other status protected by federal, state, or local laws. This commitment applies to all personnel decisions and to all persons involved in the operations of the School. In addition, you are expressly prohibited from discriminating against, retaliating against, or harassing any student of the School. You must treat all students and third parties working for or on behalf of the School respectfully and appropriately.
11. Prior Agreements. You affirm that you are not a party to any agreement(s) such as a non-competition agreement that would prohibit you from employment with us.
12. Organization Policies. If you accept this offer and begin employment, on your first day of employment, you will be given additional information about the School, including but not limited to its Employee Handbook and other policies and procedures
13. Entire Agreement. This Agreement and its Exhibit A, and accompanying attachments, when accepted by you, constitutes our entire agreement and supersedes all prior agreements and representations whether written or oral. This Agreement may be amended only by a writing signed by both yourself and the CEO of the School. To the extent this Agreement or its attachments conflict with our Employee Handbook or any other policy or procedure, this Agreement or its attachments, as the case may be, shall control.

CONFIDENTIALITY AND NON-DISCLOSURE AGREEMENT

The Parties to this Confidentiality and Non-Solicitation Agreement ("Agreement") are Elite Academic Academy - Lucerne (the "School") and [REDACTED] ("Employee") (collectively referred to herein as the "Parties").

1. Employee Access to Confidential Information. The School and Employee acknowledge that the business of the School and the nature of Employee's work will require Employee to have access to Confidential Information (as such term is defined below) of the School and/or its families, which, if disclosed in an unauthorized manner, could be highly prejudicial to the School and/or its families.

2. Value of School Business, Families, and Confidential Information. The School has created, developed, and obtained Confidential Information (as such term is defined below). Additionally, the School has entered into agreements with third parties whereby these third parties produce confidential, proprietary, and/or trade secret information for the School. Such information has independent actual or potential economic value from not being generally known to the public or to other persons who can obtain economic value from its disclosure or use and is not readily available through any source other than the School. Maintenance of confidentiality regarding such information and special knowledge is essential to preserving the competitive position and value of the School. Further, the specialized services provided by the School to its families are such that potential families might not be aware of the availability of such services from the School. Consequently, the School has gone to considerable time, expense, and effort in seeking out potential families, explaining to these potential families the unique value of the School's services, and developing family relationships. This specialized business requires the School to develop confidential relationships with its families, whereby the School and each family work together closely to develop customized services for each family. Therefore, information concerning both the nature and the fact of the School's relationships has independent actual or potential economic value from not being generally known to the public or to other persons who can obtain economic value from its disclosure or use. The confidentiality of the School's families is essential to the continued economic viability of the School and is subject to continuous, vigorous efforts by the School to maintain secrecy.

3. Confidential Information Defined. "**Confidential Information**" of the School includes, but is not limited to, proprietary and/or trade secret information, intellectual property, ideas innovations, organization financial documents and transactions, student and family information and records, confidential financial data or other non-public proprietary organization information,

confidential information regarding business partners, vendors, or families and students, business methods, devices, processes, compilation of information, computer software developed by or for the School records, methods of data processing, surveys, designs, questionnaires, reports, industry norms, models, forecasts, formulae, equations, studies or data developed in connection with any project or activity of the School, and School financial information.

A. Exclusions. Confidential Information shall not include: (a) information now and hereafter voluntarily disseminated by the School to the public or which otherwise becomes part of the public domain through lawful means; (b) information already known to Employee as documented by written records which predate Employee's employment with the School; and (c) information independently developed by Employee after termination of Employee's employment.

4. Value of the School's Workforce. The Parties further acknowledge and agree that the School needs to maintain a stable workforce in order to remain in business. Thus, the School is entitled to protect its legitimate business interest in preventing persons from disrupting, damaging, impairing, or interfering with its business by soliciting its employees for employment with another company.

5. Employee's Obligations as to Confidential Information. Therefore, as a condition of employment, Employee agrees to maintain the secrecy of the School's Confidential Information and to not engage in unfair competition with the School as follows:

A. No Disclosure. Employee will not use, disclose, or disseminate in any manner whatsoever any Confidential Information, either directly or indirectly, either during employment with the School or following termination of employment, except as required in the course of employment with the School, or as expressly authorized in writing by an officer or manager of the School.

B. No Reproduction or Removal. Employee will not reproduce in any manner, or remove from the School or Employee's work location, any Confidential Information, whether or not recorded in writing, by sound or visual means, on computer or computer disk or by any other means, either during employment with the School or following termination of employment, except as required in the course of employment with the School, or expressly authorized in writing by an officer of the School.

C. Duty to Prevent Disclosure. Employee will take all precautions reasonably necessary to prevent the unauthorized use, disclosure, or dissemination of Confidential Information either during employment with the School or following termination of employment with the School.

D. Required Disclosure. Notwithstanding Sections A, B and C above, in the event that Employee is requested or required (by oral questions, interrogatories, requests for information or documents, subpoena, civil investigative demand or other similar process in legal proceedings) to disclose any of the Confidential Information,

Employee shall provide the School with prompt written notice of any such request or requirement so that the School may seek a protective order or other appropriate remedy, or waive compliance with the provisions of this Agreement. If, in the absence of a protective order or other remedy or the receipt of a waiver by the School, Employee is nonetheless legally compelled to disclose Confidential Information to any tribunal or else stand liable for contempt or suffer other censure or penalty, Employee may, without liability hereunder, disclose to such tribunal only that portion of the Confidential Information that is legally required to be disclosed, provided that Employee exercises his or her best efforts to preserve the confidentiality of the Confidential Information, including, without limitation, by cooperating with the School to obtain an appropriate protective order or other reliable assurance that confidential treatment will be accorded the Confidential Information by such tribunal.

- E. Ownership of Materials; Return of Materials Upon Termination of Employment. All Confidential Information and/or other ideas, concepts, know-how, techniques, processes, methods, inventions, discoveries, developments, innovations, and improvements, that are reasonably related to the business of the School, involve the School's research or development (whether actual or demonstrably anticipated), or are produced by Employee during the period of employment with the School belongs to the School and not Employee. Upon termination of Employee's employment with the School for any reason whatsoever, Employee will immediately turn over to the School all Confidential Information. Additionally, Employee will return all other School property or equipment, including but not limited to keys, entry devices, documents, computer software, and/or other materials related to the business, professional or personal affairs of the School or any of the School's families. Further, Employee will not retain any copies of any of the above materials in hardcopy, electronic or other form.
- F. Prohibition on Use of Trade Secret Information. Employee agrees that during Employee's employment with the School and following termination of Employee's employment with the School, for any reason whatsoever, Employee shall not use the School's trade secret information, including without limitation, (1) to contact or solicit any families or prospective families of the School whom Employee served or whose names became known to Employee while in the employ of the School either on the Employee's behalf or on behalf of any other party engaged in a business which is competitive with the School or (2) to solicit the employment of any School employee, whether or not the solicited employee would commit any breach of his or her own employment terms by leaving the service of the School.
- G. No Competition During Employment. Employee agrees that during employment with the School, Employee will not engage in any other employment or activity that might interfere with or be in competition with the interests of the School.
- H. Student Information. Employee agrees not to use, disclose, or disseminate in any manner whatsoever, for compensation or otherwise, any information, actions,

events, behavior, or other conduct that Employee observes or hears from the School's students or their families, either directly or indirectly, either during employment with the School or following termination of employment. Employee further agrees to take all precautions reasonably necessary to prevent the unauthorized use, disclosure, or dissemination of the School's students' information, actions, events, behavior, or other conduct, either during employment with the School or following termination of employment with the School.

6. Trade Secrets. The Parties further recognize and acknowledge that neither the above provisions nor the School's exercise of any rights thereunder shall limit the rights of the School under applicable statutes and common law rules regarding trade secrets, including without limitation, the Uniform Trade Secrets Act (Cal. Civ. Code Section 3426 et seq.) or limit the rights of the School to seek damages relief. In particular, and without limitation of the foregoing, the School reserves its rights under California Civil Code Section 3426.3 to seek total damages in an amount two times that of actual damages suffered as a result of misappropriation of its Confidential Information.

7. School's Entitlement to Compensation Received by Employee for Use or Disclosure of Confidential Information. Employee further expressly agrees that, without limiting any other right or remedies the School may have, the School shall be entitled to recover any and all monies or other benefits whatsoever received by Employee or on Employee's behalf or by any other person or entity from any and all sources in connection with any use or dissemination by Employee, or Employee's agents, of any Confidential Information and that any such monies or other benefits so received shall be held in trust by the recipient for immediate payment over to the School.

8. Severability. In the event a court of competent jurisdiction finds any provision of this Agreement to be invalid or otherwise unenforceable, the remaining portions of this Agreement will retain their full force and effect.

9. Entire and Sole Agreement. The Parties agree that this Agreement contains their entire agreement and supersedes all other agreements and understandings, whether written or oral, covering the subject matter hereof. The Parties warrant that there were no representations, agreements, arrangements or understandings, whether written or oral, between them relating to the subject matter contained in this Agreement which are not fully expressed herein. No modification, amendment or waiver of any of the provisions contained in this Agreement, or any future representations, promise, or condition in connection with the subject matter of this Agreement, shall be binding upon any party to this Agreement unless made in writing and signed by such party or by a duly authorized officer, partner, or agent of such party.

WHEREAS, in response to the novel coronavirus (“COVID-19”) pandemic, Governor Newsom adopted a series of Executive Orders allowing the legislative bodies of local governments to meet remotely via teleconference so long as other provisions of the Ralph M. Brown Act (“Brown Act”) were followed; and

WHEREAS, on Sept. 16, 2021, Governor Newsom signed AB 361, which immediately amended the Brown Act allowing governing boards to continue holding virtual meetings outside the teleconferencing requirements of Government Code section 54953(b), if the board makes a finding that there is a proclaimed State of Emergency, and either (1) state or local officials have imposed or recommended social distancing measures, or (2) meeting in person would present imminent risks to the health or safety of attendees due to the emergency; and

WHEREAS, on March 4, 2020, Governor Newsom declared a statewide emergency arising from COVID-19 pursuant to Government Code section 8625; and
WHEREAS, social distancing measures have been imposed to mitigate the spread of COVID-19; and

If you would like to submit invoices through our **Online Purchasing System (OPS)**, you will receive separate instructions after you have been approved. All terms and conditions apply regardless of the invoice submission method. All invoices are subject to verification by AP personnel. We do not process payments merely upon the issuance of a PO.

*All Community Partners should send detailed invoices to AP the **following month** for services rendered during the **previous month** - e.g. art lessons provided during September should be invoiced in October. AP processes invoices from Community Partners in two ways: (1) **Community Partners that utilize our ACH payment option are paid on “net 30” terms; and (2) Community Partners requesting manual checks will be paid on “net 45” terms.***

Purchase Order Contract Terms

The Community Partner providing instructional services will be referred to as CP, Accounts Payable will be referred to as AP, and Community Relations will be referred to as CR.

In consideration set forth below, CP agrees that CP can provide services to Elite students pursuant to the terms set forth in this Agreement.

1. The CP will **NOT** begin services without a signed PO issued from AP.
2. The CP's services are **supplemental to** the CORE educational services provided by our Credentialed Elite Educators to our students and does **not replace those services.**
3. The CP's services provided **DO NOT** serve as a private school (students are not allowed to attend any facility 4-5 days a week or receive any of their CORE Education from the CP).
4. The CP's fees agreed to in this Purchase Order will remain in effect during the 2022-2023 year, and the CP will not increase their fees during the 2022-2023 school year.
5. **Elite** will only pay the price and for the number of classes listed on the PO. All CPs are responsible to reconcile POs with their invoices.
6. The CP is not authorized to provide any services that are not listed or are inconsistent with the applicable PO, and CP acknowledges that **Elite** will not pay for any services that are not explicitly identified in the PO.
7. The CP will not provide services and Elite will not pay for services that are sectarian or denominational because **Elite** is a public charter school using taxpayer money.
8. AP will only make payment for CP's services after services have actually been performed.
9. **The CP will not be reimbursed for any services provided to their child/children.**
10. If the CP is already otherwise employed as a teacher by Elite, it is not allowed to provide CP services to students from their active student roster.
11. All CPs shall submit a DOJ Live Scan for **Elite**, (forwarding a copy of a DOJ Live Scan for another entity cannot be accepted). The Community Relations department has included this form in each packet.

Initial here _____

12. If CP has employees/contractors who will have contact with students, CP shall conduct a criminal background check of all such persons using DOJ Live Scan and certify via the Employer Fingerprinting Clearance Form that all have been cleared and that none have been convicted (or has a criminal action pending) of a violent or serious felony as set forth therein. CPs are financially responsible for their employees' DOJ Live Scan fees.
13. The CP is responsible for having all new employees/contractors (hired subsequent to being approved as a CP) cleared using DOJ Live Scan prior to having any direct contact with students. CP shall provide Elite with an updated certification pursuant to Employer Fingerprinting Clearance Form for each new employee/contractor. CP shall continually monitor the status of all its employees/contractors to ensure that any certification provided to Elite pursuant to Employer Fingerprinting Clearance Form remains valid and accurate.
14. The CP shall notify the Community Relations Department (CR) via email communityrelations@eliteacademic.com immediately of any adverse DOJ report, as well as any change of status of CP or its employees/contractors, which would render any previously submitted DOJ clearance or certification pursuant to the Employer Fingerprinting Clearance Form invalid or inaccurate.
15. The CP shall only service students from the first day of school through the last day of school.
16. The CP agrees that its invoices must be submitted **the following month** after services have been rendered **in the prior month** to the AP department at acctspayable@eliteacademic.com.
17. **All CP invoices must reference the appropriate PO number. AP will attempt to alert CPs of discrepancies, but the CP is responsible for submitting invoices with accurate information and acknowledges that such errors may result in processing delays where payment may not be sent until the following month.**
18. All CP final invoices must be sent **by June 15, 2023**.
19. AP processes invoices from CPs in two ways: (1) **Community Partners that utilize our ACH payment option are paid on “net 30” terms; and (2) Community Partners requesting manual checks will be paid on “net 45” terms.**
20. Elite reserves the right to **modify the above payment options terms** in the event the state of California defers scheduled payments to public schools.
21. This Purchase Order Contract is by and between two independent contractors and is not intended to and shall not be construed to create the relationship of agent, servant, employee, partnership, joint venture, or association. This contract, as well as the independent contractor relationship, can be terminated by either the CP or Elite at any time for any reason.

Initial here

22. The CP shall have its own liability insurance and furnish a copy of a declaration page or proof of insurance card showing that coverage is in force (*with Elite Academic Academy named as a Certificated Holder*) while they are providing services to students. If coverage expires during the school year, it is the CP's responsibility to (a) renew coverage and (b) send a copy of their updated declaration page or new proof of insurance card to CR to prove they have active coverage within 30 calendar days from the renewal date. CPs who do not update their insurance information will be in breach of this agreement, which would result in immediate termination. We do not accept CPs who do not have their own liability insurance and instead rely on students to purchase their own insurance coverage from a 3rd party.
23. Indemnity--All work, services, and obligations performed by or required of CP under this Purchase Order Contract shall be at the risk of CP exclusively, and CP shall indemnify, defend, and hold harmless Elite, its officers, officials, employees, and volunteers from and against all of the following: Any and all liability, claims, damage, costs, expenses, awards, fines, judgments, and attorney fees (including, without limitation, costs, attorney fees, expert witness fees, and other expenses of litigation) of every nature arising out of or inconnection with CP's work, service, and obligations hereunder, excluding those claims, liabilities, damages or judgments arising from the sole active negligence or willful misconduct of Elite. The indemnity requirements provided herein shall survive the termination or expiration of the contract.
24. The application process for becoming a CP will be reviewed and submitted yearly for approval by the Community Relations Team.
25. **The CP represents that none of its employees, agents, or principals are related to or have business relationships with any employees, agents, or principals of Elite.**

By signing below, you AGREE to the above contract terms and understand that any deviation from these terms will result in the removal of approved Community Partner status.

Process and Procedures for Community Partners

1. The parent or legal guardian should contact the Community Partner for pertinent information regarding available services, including but not limited to: time, location, and price.
2. The parent or legal guardian should contact their Elite Educator, who will place a PO for services.
3. Each signed PO will be processed by AP and emailed to the Community Partner.
4. Community Partner will provide only those services which are identified on the PO. POs may not be changed by the Community Partner once issued. Please check the cost for the service and number of services to be provided. If there is any kind of error or discrepancy, Community Partners are responsible for contacting AP via email to address the issue in a timely manner.
5. Once services are completed, the Community Partner should submit an invoice via email or by utilizing the Elite Online Purchasing System (OPS). Invoices should be sent to AP by the month following the rendition of services.
6. **AP processes invoices from Community Partners in two ways: (1) Community Partners that utilizes our ACH payment option are paid on “net 30” terms: and (2) Community Partners requesting manual checks will be paid on “net 45” terms.**
7. Elite reserves the right to **modify the above payment options terms** in the event the state of California defers scheduled payments to public schools.

ELITE WILL NOT:

1. **Be liable or pay for any services you, as a Community Partner, provided prior to the issuance of a valid PO.**
2. **Provide payment before services have been rendered.**
3. **Issue payment if an invoice is not properly submitted – e.g. missing the matching PO number and/or the date(s) of service, the student, or classes listed on the invoice do not match the PO. AP will attempt to assist the Community Partner in providing the necessary and correct information, but processing delays may cause payment to be delayed until the issue is resolved.**

Elite reserves the right to terminate this agreement for non-compliance – e.g. if a Community Partner repeatedly fails to turn in an invoice with attendance dates or provides services and issues invoices without a pre-approved PO.

If a Community Partner is reported upon by the DOJ or if there is any incident that potentially puts students at risk, we will investigate the matter and may terminate this agreement immediately to protect the safety of and well-being of its students.

By signing below, the Community Partner acknowledges and accepts the aforementioned policies and procedures.

Three (3) copies of the DOJ form have been included in the Community Partner packet. You will need to fill out all 3 copies and take them to the fingerprinting service office of your choice and have the Live Scan* operator fill in all 3 when done.

1. The Live Scan Fingerprinting (DOJ) Form is attached. We have filled out all appropriate sections prior to sending the form to the Community Partner.
2. Community Partner is responsible for properly filling out the applicant information section ONLY and scheduling a Live Scan appointment with an approved Live Scan Operator**

**For a list of Live Scan Operators visit: <https://oag.ca.gov/fingerprints/operators>

3. Community Partner is responsible for ensuring that the Live Scan Operator completely fills out the last section on the form.

Comment: This would be a rider on their other job like the lead teacher position:-)
@Meghan Freeman
We should add ratios.
1. lead for every 150 students for TOR

I may also want to change this to Content Chair...meaning that they are the leading expert in this content area. We will get the TOR salary as a base and add a fixed stipend if they are the chair to the department. This is very traditional HS.

5.3 Sick Time

We provide paid sick time to eligible employees to provide protection against loss of income if you are ill or injured or if you need time off from work for necessary or routine health care for yourself or an immediate family member. Immediate family includes: a biological, adopted or foster child, stepchild, legal ward or a child to whom the employee stands in loco parentis; a biological, adoptive or foster parent, stepparent, or legal guardian of an employee or the employee's spouse or registered domestic partner, or a person who stood in loco parentis when the employee was a minor; a spouse; a registered domestic partner; a grandparent; a grandchild; or a sibling. The designation of sick leave taken for a family member shall be made at the sole discretion of the employee.

Accrued paid sick leave time is available to all employees who have worked in California for 30 or more days within a year from the beginning of employment.

Accrual:

Accrual of paid sick leave shall begin on the first day of employment.

All employees of the Organization, including part-time, seasonal, and temporary employees, will earn at least one hour of paid sick leave for every 30 hours worked but total accrued sick leave may not exceed forty-eight (48) hours or six (6) days.

Unused accrued paid sick leave shall carry over to the following year of employment.

No paid sick leave will accrue during an unpaid leave of absence.

The Organization shall provide employees with written notice of the amount of paid sick leave available for use each payday on the employee's paycheck or in a separate writing.

Use:

An employee may use accrued paid sick time beginning on the 90th day of employment.

Eligible employees who are ill or injured and anticipate being away from work for more than 5 business days should speak with their health care provider or our Human Resources Department for information about Leave of Absence (LOA) or State Disability Insurance benefits.

Basis for Paid Sick Leave

Paid sick leave may be used for the following purposes:

- (1) Diagnosis, care, or treatment of an existing health condition of, or preventive care for, an employee or an employee's immediate family member; and
- (2) For an employee who takes time off pursuant to the Organization's policy on Leave Due to Domestic Violence, Sexual Assault, or Stalking.

Permissible Increments of Paid Sick Leave

Paid sick leave may be taken in increments of two hours. If an employee must be away from work for a portion of any workday for the bases listed above, the hours missed will be charged against the employee's paid sick leave.

Compensation for Paid Sick Leave

The rate of pay for paid sick leave shall be the employee's regular rate of pay. If the employee had different hourly rates, was paid by commission or piece rate, or was a nonexempt salaried employee during the ninety (90) days prior to taking accrued sick leave, the hourly wage will be calculated by dividing the employee's total wages, not including any overtime premium, by the total number of hours the employee worked during the 90-day period.

Payment for sick leave will be made no later than the payday for the next regular payroll period after the sick leave was taken.

Requesting Paid Sick Leave

If the need for paid sick leave is foreseeable, employees shall provide reasonable advance notice to their supervisor. If the need for paid sick leave is not foreseeable, employees must provide notice of the need for the leave to their supervisor as soon as practicable and at least one-half hour in advance, if possible. If your supervisor is not available, leave a message with the Human Resources Department.

Payment of Sick Leave Upon Separation of Employment

Any accrued and unused paid sick leave will not be paid at the time of termination, resignation, retirement, or other separation of employment.

However, if an employee who has separated from employment is rehired by the Organization within one year from the date of separation, the previously accrued and unused paid sick leave will be reinstated, and the employee may use the previously accrued and unused paid sick leave. The employee may also accrue additional paid sick leave upon rehiring as set forth in this policy.

No Discrimination

The Organization will not discharge, threaten to discharge, demote, suspend, or in any manner discriminate or retaliate against any employee for using accrued sick leave, attempting to use accrued sick leave, filing a complaint regarding paid sick leave,

cooperating in an investigation or prosecution regarding paid sick leave, or opposing any policy or practice or act regarding sick leave that is prohibited by law.
