August Celebrations

August was busy preparing for the beginning of the traditional school year. We held an intensive-person **professional development** in Palm Desert to kick off the school year. New staff collaborated with returning staff, and we introduced our theme this year of **Question Quest.** We are using this theme to ignite the curiosity in our students and work with staff to increase their ability to ask thought-provoking questions to increase student engagement. The first week of school was a success. We celebrated online through Virtual Orientations and Back to School events. We celebrated in person at our Back to School kick-off events in multiple cities to ensure all families could participate. We look forward to a great 23.24 school year and know that together, this year will be a success!

Staff Highlight

We would like to shine a spotlight on Kristen' Hjelsands exceptional abilities to inspire and guide her teaching staff, as well as her willingness to step up into the role of the Virtual Director. Kristen has consistently demonstrated remarkable leadership qualities that have had a profound impact on our team.

One of Kristen's most outstanding strengths is her ability to motivate and empower her colleagues. She has an innate talent for recognizing the potential in individuals and knows how to bring out their best. Kristen consistently fosters an environment of collaboration and growth, making everyone feel valued and appreciated. Her infectious enthusiasm and positive attitude have a ripple effect on the entire staff, creating a vibrant and energized atmosphere. We're so honored you have chosen to #BeElite!

August 2023 Newsletter

WE ARE KICKING OFF THE SCHOOL YEAR SHIPPING A TOTAL OF 343 DEVICES TO OUR FAMILIES SUPPORTING OUR STUDENTS.

NEW TEAM MEMBERS INCREASE SUPPORT!

Congratulation Alli Watters for becoming our new Coordinator of Teacher Support! She has jumped into the role, supporting new teachers by helping them navigate essential processes, clarifying procedures, managing curriculum ordering and providing valuable assistance in ensuring optimal student success. Our commitment to facilitate seamless educational experiences through proactive engagement with both educators and students is supported by her new role!

Congrats Danielle Gregus for earning the **Lead title!** Danielle has been with Elite since the beginning, teaching Adult Ed and then transitioning to a MS/HS Content Teacher. She has a wealth of EAA knowledge and is always willing to share her expertise and support our new and veteran Elite staff. Danielle is an invaluable addition to our leadership team and we look forward to having her share her lens on all our innovative endeavors.

6 C'S FOR ALL!

During Professional Development Content Teachers collaborated across subject areas to design interactive learning opportunities for students that are full of the 6Cs of our Elite Portrait of a Learner, Keep a look out for a Tide Pool field trip, an Elite music video with students from our ukulele, dance, and ASL courses, a creative project together bringing Enalish. graphic novels, and multimedia design, and more!

FROM PORTRAIT OF A GRAD TO FIITE IFARNERS

When staff brainstormed in February what skills a graduate should possess, we came up with the 6 C's: Curious, Critical Thinkers, Communicators, Compassionate, Collaborators, and Creative.

However, we know that those are skills we value in all students and staff all the time, so our updated graphic reflects the fact that we all possess the 6 C's and need to nurture it in each other for a happy and successful life.

Our **Marketing and Communications Department** has been busy setting up ParentSquare Groups, planning Events and Field trips for the entire school year, organizing school clubs, and revamping our website pages.

Our CTE Teachers, under the direction of Associate Director, Lupe Rodriguez, have written and approved 5 A-G CTE Courses this month!

Meet n' Greet

Our second annual Meet n' Greet was a success! We had two park locations for families to choose from. Families were able to meet their Elite Educators, counselors, Directors, and staff. Students enjoyed park games such as potato sack races, hula-hooping, and some fun games of kickball. What a fantastic way to start off the school year!

School Counselor

Jessica Yazdani is our new school counselor. She is working with our high school and middle school students on 4-year planning, career and college goals, AP testing coordinating and more. She has already made a significant impact with students and has some amazing college and career experiences planned for our students this year. Welcome, Jessica!

Animation Experience

Our Beginning of the Year Professional Development with our Elite staff was a hit thanks to our new CTE Animation teacher, Oceano Marshall. Mr. Marshall led our staff through an animation experience using Pico8. The staff was able to learn Pico8 and also how to build their own superhero animation character. Our students are excited for the new Animation and Game Development pathway.

Peak Performance Athletes

Joel Vargas, in our 8th Grade Virtual Academy, was selected for the Perfect Game 13U Select Fest and played in a nationally televised game for the West Team on Sunday, August 27th at the University of Tennesee. Joel was one of only 20, 13U West Coast student-athletes selected by Perfect Game Scouts from tournaments he played in throughout the year. He has been in the Virtual Department and with the Peak Performance Athletic Team since last year. Joel has risen to the top of his class academically while attending a community partner training facility in San Diego on school days and traveling throughout the country playing baseball.

OPERATIONS

A BIG THANK YOU TO OUR TEAM FOR DILIGENTLY WORKING THESE PAST MONTHS ON THE END OF THE 22/23 SCHOOL YEAR CLOSEOUT, LEVEL UP ENROLLMENTS AND COMPLIANCE, ENROLLMENT FOR THE 23/24 SCHOOL YEAR, AND ALL THINGS THAT COME WITH ALL OF THIS:

CHAD, VINCENT, RACHEL, SAMUEL, DANIELLE, PRISCILLA, DEVIN, AND JORDAN

- YOUR OPERATIONS TEAM

ADMISSIONS

The Admissions Team has closed out the Level Up enrollment period with 1552 students participating in our program including 152 students who will be staying with EAA for the full school year. During this time, the team has also worked on new enrollments for the fall semester, enrolling over 600 new students to the EAA family. Enrollment will continue throughout this next month to bring us to the enrollment targets. Next on the list is requesting all the permanent student records for these new students, along with entering all their transcripts into our SIS.

COMPLIANCE

Our Compliance Team worked throughout the Level qU to ensure program all compliance portfolios accurate. This includes master agreements, addendums, work samples, AWRs, learning logs, and finally attendance forms. Although there were many glitches to work through, the new bridge from our SIS to our LMS which automatically created the AWR for each student ended up being very successful, allowing teachers more time to focus on their students. Ashly Steele & her team worked with our team to ensure all students' work was accounted for, resulting in higher than ever percentages: 95% for Lucerne and 97% for Mountain Empire!

STATE REPORTING

Our Operations Team has worked these past weeks to ensure all Level Up students were exited and recorded in the state system, Calpads. This is important because we must ensure students returning to their home districts are exited prior to the start of their school year. The team is now working pulling SSIDs for students who have enrolled with EAA for this school year. The next round of state reporting will be in October for CBEDs, HDC collections, and immunization reporting.

They learned about the four beautiful questions: Why? Why not? What if? and How? and how to use those questions to connect and engage with students, families, and colleagues. Curiosity and critical thinking were on display during a Coding introduction led by new CTE Teacher Oceano Marshall, and collaboration was high during Friday's Academy and Department meetings

It's unconfirmed, but the running rumor is that we broke the Internet for our 1st Day Kickoff with Students on August 28th!!!! There were SO many students, we had to open up an additional Zoom to accommodate everyone!! That says a lot about the dedication of our students and their LOVE FOR ELITE! This left our students feeling prepared for the 23/24 school year!

VIRTUAL TEACHER SPOTLIGHT

Please join me in celebrating our September Teacher Feature: Ms. Ruthie Chatton!!!
Ruthie joined our Virtual Academy team earlier this year, and more recently became a Lead within our team!

A colleague was quoted as saying, "Ruthie is the most kind hearted and genuine coworker and teacher I have ever met. She always has a positive attitude and a big smile. The impact on her students and her school are second to none. She makes her students and coworkers better humans. I am so lucky to get to work with her again and so thankful that she has helped welcome me to Elite." Another comment from the field was, "Ruthie has helped me 'round the clock, introduced me to staff, has been available via text, phone, and zoom. She has the most patience of any teacher that I've ever had and has taught me more in a short time than any other teacher ever has. And, she is always positive and makes others around her feel positive too." Ms. Chatton, your colleagues could not be more spot-on! We are so fortunate to work with you, Ms. Chatton!!!
