ELITE EAGLES

UNLOCK THE EXTRAORDINARY

November Celebrations

There's much to be grateful for at Elite, particularly during November when the fruits of our labor throughout the year begin to materialize. The leadership and board members recently attended CSDC, where they benefited from industry experts' insights and reflected on our school's growth areas and accomplishments. Additionally, the Bird's Eye CEO think tank, supported by Dr. Laura Spencer, is putting in significant effort to develop an improved communication platform utilizing Arbre. We had the opportunity to preview the platform, and it promises to be a game-changer, serving as a one-stop-shop for staff to access essential student information. We extend our heartfelt appreciation to the think tank team, and we eagerly anticipate the platform's official launch next month. We also recently organized the Elite Thankful Art Contest, where we celebrated the winners on our social media platforms during the Fall Break. Our students continue to impress us by participating in various clubs, contests, and diverse learning opportunities.

Staff Highlight:

Ashley Davis is an outstanding teacher, known for her effective teaching tools and admired by students and staff alike. She courageously stepped out of her comfort zone this year to undertake two new initiatives within our school, further showcasing her commitment to educational excellence and her versatility as a teacher. In joining the Level Up team, Ashley has exemplified the heart of a true servant leader, using her immense dedication, attention-to-detail, and poise to support Peak Performance staff, strengthen our district partnerships, & represent precisely what it means to be Elite.

ACADEMIC INNOVATION

ELITE STAFF ARE DESIGNING LEARNING OPPORTUNITIES TO INCORPORATE AI TOOLS. THEY ARE ALSO DISCUSSING AI CONCERNS AS WELL AS OPPORTUNITIES FOR AI TO SUPPORT STUDENT LEARNING IN ANY SUBJECT AREA.

MATH COLLABORATION

Representatives from across Elite met to discuss their ideas when it comes to **supporting our students' success** in math. Learning Lab coaches, Content Teachers, Teachers of Record, and members of the Support Services team shared resources, ideas, and possible next steps for incorporating math tools and programs into the course's curriculum this spring. They're also looking at possible AI tutoring support, and the inclusion of iReady's Personalized Pathways, to close the learning gaps.

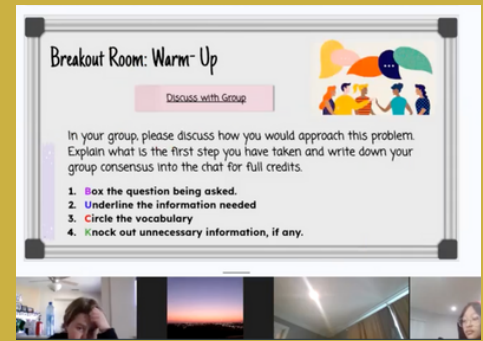

INNOVATIVE LEARNING

In Mrs. Gregus' US History course, students had several options to **showcase** their content understanding and their skills. Promise Yeats went out of her comfort zone to create a political cartoon using Powtoons, a new tool to her.

In English 10 & 11's Antagonists & Foils course, students mimicked the structure and style of Gary Soto, former US Poet Laureate, to show their understanding of character motivation in their **self-selected novel**.

LIVE SESSION FOCUS

Shaun Bunn, one of Virtual Academy's math teachers, incorporates a published SBAC question at the beginning of each live session for a robust class discussion about the math, the testing complexities, and the academic vocabulary they see. By familiarizing students with common test question styles and strategies, Mr. Bunn hopes to **increase students' testing confidence**.

PROACTIVE STUDENT SUPPORT THROUGH INTENTIONAL DATA

Continuing to refine ways to build systems and processes to **enhance the learning experience** for both students and staff. This month we focused on refining our Weekly Focus Student Dashboards. These dashboards give our staff the insight they need to focus on and provide **proactive support** to struggling students.

STUDENT DEVELOPMENT

Staff Highlight: Adam H. has played a crucial role in overhauling field trip processes, facilitating communication with staff and parents, and implementing solutions to streamline our payment system. We extend our sincere thanks to Adam for his hard work and unwavering dedication to Elite!

National Honors Society

Elite Academic is thrilled to announce the implementation of the **National Honor Society (NHS)** for our high school students. As we gear up for the upcoming Induction Ceremony scheduled for January, our excitement is through the roof. The **National Honor Society represents the pinnacle of academic achievement, leadership, character, and service, and we are eager to see our students embody these values.** This milestone not only acknowledges their academic excellence but also signifies their commitment to making a positive impact on the community through service projects. We are looking forward to witnessing the collaboration and dedication of our students as they embark on this journey together, working towards common goals and upholding the prestigious standards of the NHS. Elite Academic is proud to become an NHS school, and we are confident that this initiative will further enhance the overall educational experience for our students.

Peak Performance Athletes

Meet **Joel Vargas**, a remarkable virtual student at Elite Academic who has soared to the impressive rank of **number 3 in the nation for 8th graders in baseball.** Joel's outstanding achievements are not only a testament to his talent but also a reflection of the exceptional support he receives from our dedicated Peak Performance Academic TOR, Kristylyn Baker. Joel's mom expressed her gratitude, stating, **"We are grateful for Ms. Baker and Elite. We know Joel's success has a lot to do with the flexibility his school gives him."** Currently holding the prestigious position of **#3 in the nation for the Class of 2028** and being recognized as the **#1 overall player in California**, Joel's accomplishments speak volumes. We extend our heartfelt congratulations to Joel and express our appreciation for his hard work and the support of his family. Way to **#BeElite**, Joel! We can't wait to witness the extraordinary future that awaits you.

CAREER TECHNICAL EDUCATION

Our CTE Associate Director, Lupe Rodriguez, was asked to be interviewed by Anatomy in Clay's Podcast. Lupe has been instrumental in guiding our CTE teachers in developing high-quality curricula and bringing industry-based experiences into our students' hands. **Lupe had the awesome idea of bringing the Anatomy of Clay Skeletons to each of our students in our Pathophysiology course in order for students to learn human anatomy.** AIC was so impressed that Elite is the first virtual school to use its clay anatomy skeletons. Students in this course are part of the Healthcare Administration pathway and we look forward to seeing their continued success in the medical field.

Elite Academic is thrilled to announce a groundbreaking achievement as we become the **first-ever non-classroom based program to be accepted as a HOSA (Health Occupations Students of America) California Chapter.** This milestone is a testament to our commitment to excellence in healthcare education beyond traditional classroom settings. Under the dynamic leadership of Ms. Kaur, our dedicated teacher, the Elite Academic HOSA program is poised to offer a unique and innovative approach to preparing students for careers in the health sciences. **Our students are eagerly anticipating the opportunity to showcase their skills and knowledge at the HOSA conference in 2024, where they will undoubtedly make a significant impact and contribute to the overall success of our institution in the realm of health education.** This recognition by HOSA marks a momentous step forward for Elite Academic, and we look forward to continued growth and success in our non-traditional academic endeavors.

OPERATIONS

WE HAVE RECEIVED THE FANTASTIC NEWS THAT OUR 2022/23 ANNUAL COMPLIANCE AUDIT HAD NO FINDINGS!

ADMISSIONS

The Admissions team worked to enroll students from the waitlist before Thanksgiving break, so that students could start in their courses this week as school resumed. The team will enroll more students from the waitlist before Christmas break as well. Thank you to Chad and Priscilla for the final push to collect immunization information so that state immunization reporting could be completed in November.

COMPLIANCE

The Operations Team have all worked to get LP1 and 3 compliance audits completed. We will be starting on the next Learning Periods right away because the end of LP2 and 4 were on November 17th. The team continues to work to give thorough feedback to teachers regarding any compliance issues found.

STATE REPORTING

CBEDS reporting which will include all our classified staff, along with program specifics has been submitted for this 2023-24 school year. The focus now is the preparation of Fall 1 Calpads Reporting. Vincent, our Operations Lead, has worked hard to get all data in order for Fall 1 Reporting, including working with the Special Education department for their portion of the submission. Vincent has the team on track to submit the reporting before the deadline.

SHOUT OUTS

We have received the fantastic news that our 2022/23 annual compliance audit had no findings! This team couldn't be more proud of all the work done over this past year that builds up to this annual audit. We understand that compliance is the least favorite task our teachers have to do and one of the most challenging tasks for our team to audit internally, but all of this hard work and dedication is what brings us to this celebration of a clean audit! A big thank you to the Operations Team for your keen attention to detail!

I had to share that his younger sister, who is also an Elite student, was recently diagnosed with progressive bilateral sensorineural hearing loss and it's already at the moderate stage...it's been so great to have her brother learn it this semester.

So a big **thank you** for offering this **course this semester**. It's been a huge blessing for us."

**ELITE-DOWNEY
GRAND OPENING**

**WELCOME:
MS. CHELSEA JAMES**

**STUDENT SPOTLIGHT
TONY GONZALES JR.**

We cannot say enough good things about our Elite-Downey Grand Opening Ceremony on November 8th. Elite Leadership, along with the Downey Superintendent and members of his administrative team, were in attendance as we welcomed parents and students to tour our amazing facility under the supervision of our TOR, Mrs. Caroline Ruffridge. It was an amazing experience and a great time was had by all.

We are pleased to formally introduce you to our newest TOR, Ms. Chelsea James!! Chelsea comes to us with an impressive background and experience as a former classroom teacher, and recently earned her advanced degree in School Counseling!!! Chelsea is warm, thoughtful, engaging, and very knowledgeable about SEL engagement and helping students of all abilities to be successful in their academic careers. We are so fortunate that Chelsea chose to join our team, and we are looking forward to a very bright future with her as our latest team member! Thank you, Chelsea!!! #BeElite

This month's Student Spotlight goes to one of Rachel Camarillo's amazing Seniors: Tony Gonzales Jr. Ms. Camarillo says that He has been working really hard to maintain high grades in all his classes. "He always checks in with me and seeks help when he needs it. The year was initially challenging but Tony handled it all with grace and was quick to adapt! He's also very polite and respectful!" "Right after high school I'm going to go to a trade school to become an electrician. I like to play video games with my friends and watch TV with my family. I used to work in maintenance at my church, but am now focusing on school to graduate." Great job, Tony! We are so proud of you.

VIRTUAL ACADEMY TEACHER FEATURE

Please join me in celebrating our November Teacher Feature: Mrs. Caroline Ruffridge!

Caroline joined the Elite Virtual team in August of 2023, and has been nothing short of amazing in her "take-charge" approach to establishing the Elite-Downey Innovation Center to support our Elite students. Her initiative is bar-none. A colleague was quoted as saying, "**Caroline has been instrumental in creating a vision for our Downey Innovation center for our students. She thinks of creative ways to engage students in learning by forging relationships with our amazing teachers and counselors to bring new experiences each week to our students.**"

Another colleague commented, "**Caroline is such an amazing educator, she is thoughtful, detail-oriented, and ALWAYS helps her students to be the best version of themselves!**"

Mrs. Ruffridge, your colleagues could not be more spot-on. Thank you for being Elite!

STUDENT SUPPORT

SPED IS NXTLVL

The Special Education Team just completed 8 weeks working on EliteX with NXTLVL. These past weeks have enhanced the team’s ability to **collaborate** with **shared problem-solving**, **reflect**, and provide quality **engagement**. Most of all, the Special Education Team has taken the time to explore each other’s **strengths**, offer support, and have fun while doing so! The Special Education Team is taking their services to the next level!

LEARNING LAB MINDSET

Learning Labs kicked off with an informal assessment. We asked the kids to draw and/or talk about how math or writing make them feel. The plan is to ask them again at the end of the lab cycle and to see if there is a shift in mindset toward the subject. The coaches said the kids were very **engaged** and that the activity sparked some great **conversations**. Not only did it spark conversation it also gave the coaches **insight** into when or where some students put up a mental roadblock.

KINDNESS CLUB

The Kindness Club is busy helping to make kindness the norm at Elite. The team hosted a TK-3 Flex Kindness Rally. We discuss the importance of **self-kindness** and filling your own emotional bucket as well as that of others on a daily basis.

ONE-ON-ONE DATA CHATS

To ensure teachers understand and know how to **access and use data meaningfully**, One-on-One Data Chats with Teachers have started. 32 have been held. 51 more are already scheduled.

EliteX Accelerator has begun and is servicing 42 of our 6th-12th grade students who have been struggling with engagement and/or academics. The program meets once a week in grade level, small groups. The students will learn tools to **build courage and confidence** which leads to **competency in all areas of life**.

Some early testimonials from participants:

“My son was having a difficult day today and after the 1st session his mood completely changed for the better.”

“I am so thankful Elite focuses on my daughter as a whole and offers programs like EliteX Accelerator. She has really been struggling in school and this may be just what she needs to help her succeed.”

“I thought I would just be going to another zoom session but it was something I can see that will really help me in my everyday life.”

ELITE-X PROGRAMS

THE ELITE-X TEAM, OUR INTRAMURAL PROFESSIONAL DEVELOPMENT PARTNERS, HAVE EXPANDED THEIR WORK TO SEVERAL NEW GROUPS OF TEACHERS.

ONE COHESIVE TEAM

The 17-member strong SPED Team welcomed 10 new additions this year. To build a **cohesive** team, EliteX led an eight-week **team-building** exercise using **game-based learning** to explore **team dynamics and pedagogy**. One of the SpEd leads expressed how critical these opportunities are for enhanced **collaboration** and **valuing every team member's** input. This program keeps the remote SPED team connected, emphasizing **inclusivity** and **closeness**.

JUMPSTART TO A NEW COHORT

21 teachers are engaged in an intensive eight-week precursor to the EliteX Fellowship program, combining **game-based learning** with **pedagogical exploration** to understand the **Elite learner profile**. In a recent session, Music CTE teacher Derik highlighted the value of creating tension in the classroom by placing students in the "hot seat." This strategy encourages **active participation** and **builds resilience**, seen as essential both in education and the real world. All participant teachers are internalizing the importance of **meaningful engagement** in their work with students.

RESILIENCE COACHING

LET GO OF	VS.	EMBRACE INSTEAD
PEOPLE/RELATIONSHIPS		NEW AND IMPROVED
My friend Billy always puts me down and criticizes me.		"In this column put three people who support you and cheer for your success
My sister is so self absorbed. I feel drained after every interaction with her		Or put someone you are curious who seems like a positive influence in your life or a mentor you would like to know better.

Each TOR in Virtual and Flex are immersing themselves as a coachee in a resilience coaching program, aiming to bring back **effective strategies** to their work with students. This ability to **learn experientially** is not just impacting students, but the TORs as well. Additionally, students with SSTs benefit from this coaching program, enabling us to gather best practices for **integrating** resilience coaching into our work with students and families across various groups.

EliteX continues its work with the teachers who are part of the first EliteX Fellowship that is underway. As of date, the Fellows are working on the capstone assignment of building a **Teacher Growth Chart**. This **metacognitive rubric** will help teachers **reflect, develop self-awareness, and continually improve teaching**.

Every Fellow also benefits from **personalized 1:1 functional coaching** that focuses on **enhancing skills**, providing task-specific guidance, **aligning goals**, fostering **reflection**, and offering **constructive feedback**. This comprehensive approach leads to a holistic improvement in overall performance.

On a recent field trip, a grandparent thanked a teacher (EliteX Fellow) for **empowering** their ward to lead a classroom activity with their peers. The Fellow conveyed this appreciation to the EliteX team in a recent session.

Such a strategy to **enhance communication and engagement** is a testament to the collaborative effort, work done, and growth achieved through this partnership. The needle is moving, and HOW!

4. Expenses. The contractor will be responsible for bearing his/her own costs and expenses unless agreed to in advance by the Company and the Contractor provides proper documentation for the expense.

5. Acknowledgments. The contractor acknowledges and understands that he/she is an independent contractor and that he/she is not forming a traditional employer-employee relationship with the Company. The contractor is not entitled to participate in any plans, arrangements, or distributions pertaining to or connected with any compensation plan, health, dental, life, or disability insurance programs, or any other fringe benefits which Company, from time to time, may provide for its owners and/or employees if any. The contractor shall be solely responsible for all costs incurred for health, dental, and/or life insurance on his behalf. The contractor shall be solely responsible for making all federal, state, and local tax deposits relating to compensation received as a result of his relationship with the Company and shall hold the Company harmless from and against any and all tax liability relating thereto. 6. Term. The contractor’s engagement shall be effective February 14, 2023 (the “Effective Date”) and shall continue, unless and until the engagement is terminated by either Party.

To the extent the Contractor wishes to terminate this Agreement he/she must provide the Company with thirty (30) days advance written notice. The Company may terminate this Agreement at any time, with or without notice. Additionally, this Agreement shall terminate in the event of Contractor's death, inability to continue to provide services as described in this Agreement, or breach of any provision of this Agreement.

7. Modification of this Agreement. No waiver or modification of this Agreement, in whole or in part, will be valid unless it is made in writing and duly executed by the Parties. Any waiver of any term, condition, or provision of this Agreement will not constitute a waiver of any other term, condition, or provision hereof, nor will a waiver or any breach of any term, condition, or provision constitute a waiver of any subsequent or succeeding breach.

Report on the Financial Statements

Opinion

We have audited the accompanying financial statements of Elite Academic Academy - Mountain Empire (the Academy), a California nonprofit public benefit corporation, which comprise the statement of financial position as of June 30, 2023, and the related statements of activities, cash flows, and functional expenses for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Academy as of June 30, 2023, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Elite Academic Academy - Mountain Empire and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Change in Accounting Principle

As discussed in Note 1 to the financial statements, in 2023 the Academy adopted new accounting guidance for leases. The guidance requires lessees to recognize a right-of-use asset and corresponding liability for all operating and finance leases with lease terms greater than one year. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Academy's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Auditors' Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Academy's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Academy's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the Academy's financial statements as a whole. The accompanying supplementary schedules are presented for purposes of additional analysis and are not a required part of the financial statements. Such information, except for the portion marked "unaudited", was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole. The Local Education Agency Organization Structure, which is marked "unaudited", has not been subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we do not express an opinion or provide any assurance on it.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued a report dated REPORT DATE on our consideration of the Academy's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Academy's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Academy's internal control over financial reporting and compliance.

ELITE ACADEMIC ACADEMY - MOUNTAIN EMPIRE
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Elite Academic Academy - Mountain Empire (the Academy) is a California nonprofit public benefit corporation and is organized to manage and operate a public charter school.

The Academy is funded principally through the state of California public education monies received through the California Department of Education and the Mountain Empire Unified School District (the District).

The District has granted the charter through June 30, 2025. The charter may be revoked by the District for material violations of the charter, failure to meet pupil outcomes identified in the charter, failure to meet generally accepted standards of fiscal management, or violation of any provision of the law.

Basis of Accounting

The financial statements have been prepared on the accrual method of accounting and accordingly reflect all significant receivables and liabilities.

Basis of Presentation

The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America as prescribed by the Financial Accounting Standards Board.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and disclosures. Accordingly, actual results could differ from those estimates.

Functional Allocation of Expenses

Costs of providing the Academy's programs and other activities have been presented in the statement of functional expenses. During the year, such costs are accumulated into separate groupings as either direct or indirect. Indirect or shared costs are allocated among program and support services by a method that best measures the relative degree of benefit. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include salaries and wages, pension expense, other employee benefits, payroll taxes, other fees for services, office expenses, information technology, and other expenses, which are allocated on the basis of estimates of time and effort.

Cash and Cash Equivalents

The Academy defines its cash and cash equivalents to include only cash on hand, demand deposits, and liquid investments with original maturities of three months or less.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Net Asset Classes

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

Net Assets With Donor Restrictions – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Accounts Receivable

Accounts receivable primarily represent amounts due from federal and state governments as of June 30, 2023. Management believes that all receivables are fully collectible, therefore, no provisions for uncollectible accounts were recorded.

Revenue Recognition

Amounts received from the California Department of Education are conditional and recognized as revenue by the Academy based on the average daily attendance (ADA) of students. Revenue that is restricted is recorded as an increase in net assets without donor restriction, if the restriction expires in the reporting period in which the revenue is recognized. All other restricted revenues are reported as increases in net assets with donor restriction.

Contributions

All contributions are considered to be available for use unless specifically restricted by the donor. Amounts received that are restricted to specific use or future periods are reported as contributions with donor restrictions. Restricted contributions that are received and released in the same period are reported as contributions without donor restrictions. Unconditional promises to give expected to be received in one year or less are recorded at net realizable value. Unconditional promises to give expected to be received in more than one year are recorded at fair value at the date of the promise. Conditional promises to give (those with a measurable performance or other barrier and a right of return) are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Conditional Grants

Grants and contracts that are conditioned upon the performance of certain requirements or the incurrence of allowable qualifying expenses (barriers) are recognized as revenues in the period in which the conditions are met. Amounts received are recognized as revenue when the Academy has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as deferred revenues in the statement of financial position. As of June 30, 2023, the Academy has conditional grants of \$1,004,017, of which \$975,058 is recognized as deferred revenue in the statement of financial position.

Property Taxes

Secured property taxes attach as an enforceable lien on property as of January 1. Taxes are levied on September 1 and are payable in two installments on or before November 1 and February 1. Unsecured property taxes are not a lien against real property and are payable in one installment on or before August 31. The County bills and collects property taxes for all taxing agencies within the County and distributes these collections to the various agencies. The sponsor agency of the Academy is required by law to provide in-lieu property tax payments on a monthly basis, from August through July. The amount paid per month is based upon an allocation per student, with a specific percentage to be paid each month.

Income Taxes

The Academy is a nonprofit entity exempt from the payment of income taxes under Internal Revenue Code Section 501(c)(3) and California Revenue and Taxation Code Section 23701d. Accordingly, no provision has been made for income taxes. The Academy is subject to income tax on net income that is derived from business activities that are unrelated to the exempt purposes. The Academy is subject to income tax on net income that is derived from business activities that are unrelated to the exempt purposes. The Academy files an exempt Academy return and applicable unrelated business income tax return in the U.S. federal jurisdiction and with the California Franchise Tax Board.

Leases

In February 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update 2016-02, *Leases* (ASC 842). The Academy determines if an arrangement is a lease at inception. Operating leases are included in operating lease right-of-use (ROU) assets, and operating lease liabilities on the statement of financial position. Finance leases are included in financing ROU assets, and lease liabilities – financing on the statement of financial position.

ROU assets represent the Academy's right to use an underlying asset for the lease term and lease liabilities represent the Academy's obligation to make lease payments arising from the lease. ROU assets and liabilities are recognized at the lease commencement date based on the present value of lease payments over the lease term.

As most of leases do not provide an implicit rate, the Academy uses its incremental borrowing rate based on the information available at commencement date in determining the present value of lease payments. The operating lease ROU asset also includes any lease

payments made and excludes lease incentives. The lease terms may include options to extend or terminate the lease when it is reasonably certain that the Academy will exercise that option. The Academy has elected to recognize payments for short-term leases with a lease term of 12 months or less as expense as incurred and these leases are not included as lease liabilities or ROU assets on the statement of financial position.

Adoption of New Accounting Standards

In February 2016, the FASB issued Accounting Standards Update 2016-02, *Leases* (ASC 842). The new standard increases transparency and comparability among organizations by requiring the recognition of right-of-use (ROU) assets and lease liabilities on the balance sheet. Most prominent of the changes in the standard is the recognition of ROU assets and lease liabilities by lessees for those leases classified as operating leases. Under the standard, disclosures are required to meet the objective of enabling users of financial statements to assess the amount, timing, and uncertainty of cash flows arising from leases. The Academy adopted the requirements of the guidance effective July 1, 2022 and has elected to apply the provisions of this standard to the beginning of the period of adoption with certain practical expedients available.

The Academy elected the available practical expedients to account for existing capital leases and operating leases as finance leases and operating leases, respectively, under the new guidance, without reassessing (a) whether the contracts contain leases under the new standard, (b) whether classification of capital leases or operating leases would be different in accordance with the new guidance, or (c) whether the unamortized initial direct costs before transition adjustments would have met the definition of initial direct costs in the new guidance at lease commencement.

In addition, the Academy elected the hindsight practical expedient to determine the lease term for existing leases. The election of the hindsight practical expedient resulted in the shortening of the lease term for the existing lease and the useful life of the corresponding leasehold improvements.

As a result of the adoption of the new lease accounting guidance, the Academy recognized on July 1, 2022 a ROU asset at the carrying amount of the operating lease asset of \$210,251. The Academy also recognized on July 1, 2022 a lease liability of \$210,251, which represents the present value of the remaining finance lease payments discounted using the Academy's incremental borrowing rate of 6.20%.

Evaluation of Subsequent Events

The Academy has evaluated subsequent events through REPORT DATE, the date these financial statements were available to be issued.

ELITE ACADEMIC ACADEMY - MOUNTAIN EMPIRE
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023

NOTE 2 LIQUIDITY AND AVAILABILITY

Financial assets available for general expenditure are those without donor or other restrictions limiting their use within one year of the statement of financial position date. Financial assets available for general expenditures comprise cash and cash equivalents and accounts receivable for the total amount of \$2,664,703.

As part of its liquidity management plan, the Academy monitors liquidity required and cash flows to meet operating needs on a monthly basis. The Academy structures its financial assets to be available as general expenditures, liabilities and other obligations come due.

NOTE 3 CONCENTRATION OF CREDIT RISK

The Academy maintains its cash in bank deposit accounts at various institutions. Accounts at these institutions are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. At times, cash in these accounts exceeds the insured amounts. The Academy has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on its cash and cash equivalents.

NOTE 4 LEASES – ASC 842

The Academy leases equipment as well as certain operating and office facilities for various terms under long-term, non-cancelable lease agreements. The leases expire at various dates through 2029 and provide for renewal options ranging to 60 months. In the normal course of business, it is expected that these leases will be renewed or replaced by similar leases. Certain equipment leases require the Academy to guarantee minimum residual values. The expected amount payable under the residual guarantees is estimated to be \$265,238 at June 30, 2023. Certain facility leases provide for increases in future minimum annual rental payments based on defined increases in the Consumer Price Index, subject to certain minimum increases. Additionally, the agreements generally require the Academy to pay real estate taxes, insurance, and repairs. Some lease agreements also require the Academy to comply with certain covenants and to maintain certain financial ratios. As of June 30, 2023, the Academy believes it was in compliance with all ratios and covenants.

The following table provides quantitative information concerning the Academy's lease for the year ended June 30, 2023:

Plan Description

The Academy contributes to the State Teachers' Retirement System (STRS), a cost-sharing multi-employer public employee retirement system defined benefit pension plan administered by STRS. The plan provides retirement, disability and survivor benefits to beneficiaries. Benefit provisions are established by State statutes, as legislatively amended, within the State Teachers' Retirement Law. According to the most recently available Comprehensive Annual Financial Report and Actuarial Valuation Report for the year ended June 30, 2022, total STRS plan net assets are \$300 billion, the total actuarial present value of accumulated plan benefits is \$434 billion, contributions from all employers totaled \$5.513 billion, and the plan is 74.4% funded. The Academy did not contribute more than 5% of the total contributions to the plan.

Copies of the STRS annual financial reports may be obtained from STRS, 7667 Folsom Boulevard, Sacramento, CA 95826, and www.calstrs.com.

Funding Policy

Active plan members hired before January 1, 2013 are required to contribute 10.25% of their salary and those hired after are required to contribute 10.21% of their salary. The Academy is required to contribute an actuarially determined rate. The actuarial methods and assumptions used for determining the rate are those adopted by the STRS Teachers' Retirement Board. The required employer contribution rate for year ended June 30, 2023 was 19.10% of annual payroll. The contribution requirements of the plan members are established and may be amended by state statute.

Defined Contributions Benefit Plan

We sponsor a tax-deferred annuity plan (the Plan) qualified under IRC Section 403(b) covering substantially all full-time employees. The plan provides that employees who have attained the age of 21 and completed one year of service may voluntarily contribute from 3% to 10% of their earnings to the Plan, up to the maximum contribution allowed by the IRS. Employer contributions are discretionary and are determined and authorized by the board of directors each Plan year. During the year ended June 30, 2023, the Academy matched contributions amounting to \$18,650.

SchoolFirst Federal Credit Union 401(a) Plan

In July 2020, the Academy adopted a 401(a) plan administered by SchoolsFirst Plan Administration. The Academy makes discretionary employer non-elective contributions as defined in the 401(a) plan and eligible employees are vested based on years of service as defined in the 401(a) plan. Contributions to the 401(a) plan for the year ended June 30, 2021 was \$21,435.

NOTE 6 RELATED PARTY TRANSACTIONS

The Academy has a sister school, Elite Academic Academy – Lucerne, which has an independent board of directors from Elite Academic Academy - Mountain Empire and do not require consolidation under accounting principles generally accepted in the United States of America. At June 30, 2023, the amounts due to Elite Academic Academy – Lucerne totaled \$328,256.

NOTE 7 CONTINGENCIES AND COMMITMENTS

The Academy has received state and federal funds for specific purposes that are subject to review and audit by the grantor agencies. Although such audits could generate disallowances under terms of the grants, it is believed that any required reimbursement would not be material.

NOTE 8 SUBSEQUENT EVENT

On August 22, 2023, the Academy entered into an agreement with Charter Asset Management to factor attendance and grant receivables. The amount of factored receivables due as of June 30, 2023 is \$1,073,000.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

Board of Directors
Elite Academic Academy - Mountain Empire
Temecula, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States of America, the financial statements of Elite Academic Academy - Mountain Empire (the Academy), a nonprofit California public benefit corporation, which comprise the statement of financial position as of June 30, 2023, and the related statements of activities, functional expenses, and cash flows, for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated REPORT DATE.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Academy's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Academy's internal control. Accordingly, we do not express an opinion on the effectiveness of the Academy's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Academy’s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity’s internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity’s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON STATE COMPLIANCE AND REPORT ON INTERNAL CONTROL OVER STATE COMPLIANCE

Board of Directors
Elite Academic Academy - Mountain Empire
Temecula, California

Report on Compliance

Opinion on State Compliance

We have audited Elite Academic Academy - Mountain Empire's (the Academy) compliance with the types of compliance requirements applicable to the Academy described in the *2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, published by the Education Audit Appeals Panel for the year ended June 30, 2023. The Academy's applicable State compliance requirements are identified in the table below.

In our opinion, the Academy complied, in all material respects, with the compliance requirements referred to above that are applicable to the Academy for the year ended June 30, 2023.

Basis for Opinion

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and *2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, published by the Education Audit Appeals Panel. Our responsibilities under those standards and *2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, published by the Education Audit Appeals Panel are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Academy and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion. Our audit does not provide a legal determination of the Academy's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above, and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Academy's government programs.

Auditors' Responsibility for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Academy's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and *2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, published by the Education Audit Appeals Panel will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Academy's compliance with the requirements of the government program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and *2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, published by the Education Audit Appeals Panel, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Academy's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Academy's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with *2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, published by the Education Audit Appeals Panel, but not for the purpose of expressing an opinion on the effectiveness of the Academy's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Compliance Requirements Tested

In connection with the audit referred to above, we selected and tested transactions and records to determine the Academy’s compliance with the laws and regulations applicable to the following items:

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that a material noncompliance with a compliance requirement will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention from those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit, we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the *2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*. Accordingly, this report is not suitable for any other purpose.

Universal PreKindergarten Planning and Implementation Grant Expenditure

Early Education Division

Overview

Under the provisions of California *Education Code (EC)* Section 8281.5, grant funds are allocated to school districts and charter schools with Kindergarten enrollment in specific years and according to a specified formula. In addition, funds are allocated to county offices of education (COEs) to support countywide planning and capacity building for Universal PreKindergarten (UPK).

Universal PreKindergarten Planning and Implementation (UPK P&I) grant funds may be used for costs associated with creating or expanding California State Preschool Programs (CSPP) or Transitional Kindergarten (TK) programs, or to establish or strengthen partnerships with other providers of prekindergarten education within the local educational agency (LEA), including Head Start programs, to ensure high-quality options for prekindergarten education are available for four-year-old children. Allowable costs include, but are not limited to: classroom operating costs, planning costs, hiring and recruitment costs, staff training and professional development, classroom materials, and supplies.

As a condition of receipt of UPK funds, LEAs must provide program data to the California Department of Education (CDE). The CDE shall initiate collection proceedings for grant funds used by LEAs in a manner inconsistent with the requirements in *EC* 8281.5, including, but not limited to, failing to submit expenditure reports.

General Terms and Conditions

Capitalized words in these general terms and conditions (the “General Terms and Conditions”) that are not otherwise defined herein shall have the same meaning given in the PHCMSA. Paycom and the Client agree as follows with respect to the Services. Paycom and Client are referred to herein collectively as the “Parties” and each individually as a “Party.”

1. Paycom’s Obligations. Paycom shall perform the Services in accordance with the Agreement.

2. Paycom Representations and Warranties. Paycom represents and warrants to Client that:

2.1. Paycom shall, upon written request, provide Client with a copy of its most recent Service Organization Control 1 Report for Description of Paycom Software, Inc.’s Payroll Processing System and Service Organization Control 2 Report for Description of Paycom Software, Inc.’s Payroll Processing System (the “SOC Reports”). Paycom shall maintain controls on its payroll processing systems at a similar level to continue to achieve the control objectives described in the SOC Reports and it shall make any such future reports or similar industry audit reports available to Client upon Client’s request.

2.2. Paycom currently maintains certification for ISO 27001:2013 which governs its physical and technical security controls. Paycom shall maintain controls on its physical and technical security systems at a similar level to continue to achieve the control objectives of ISO 27001:2013.

2.3. Except as otherwise expressly stated herein, Paycom makes no other representations and warranties.

3. As Is, Disclaimers. THE SERVICES PROVIDED BY PAYCOM PURSUANT TO THE AGREEMENT ARE PROVIDED ON AN “AS IS” AND “AS AVAILABLE” BASIS. EXCEPT AS EXPRESSLY STATED HEREIN, TO THE FULL EXTENT PERMISSIBLE BY APPLICABLE LAW, PAYCOM DISCLAIMS ALL WARRANTIES, WHETHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, SYSTEM INTEGRATION, AND NONINFRINGEMENT.

4. Paycom’s Intellectual Property; Use of Trademarks and Trade Names. Paycom grants Client, and its subsidiaries and affiliates approved by Paycom, a non-exclusive, non-transferable license, exercisable solely during the term of the Agreement, to use applicable Paycom technology, including the computer software programs made accessible to Client by Paycom in connection with the Services, manuals, training materials and any other technology provided by Paycom to Client in connection with the provision of the Services (collectively, the “Paycom Technology”) solely for the purpose of accessing and using the Services. Client shall have no right to use the Paycom

Technology for any purpose other than accessing and using the Services. Except for the rights expressly granted above, the Agreement does not transfer from Paycom to Client any rights to the Paycom Technology (or Paycom’s licensor’s technology), and all right, title and ownership interest in and to any Paycom Technology shall remain solely with Paycom. Client shall not, directly or indirectly, reverse engineer, decompile, disassemble or otherwise attempt to derive source code or any other intellectual property and/or proprietary information from any of the Paycom Technology. Client acknowledges and agrees that Paycom’s trademarks, tradenames, service marks, logos, other names and marks, and related product and service names, design marks, and slogans are the sole and exclusive property of Paycom. Client is not authorized to and shall not use, nor shall Client in any manner cause others to use, any of Paycom’s trademarks, tradenames, service marks, logos, other names and/or marks, and/or related product and service names, design marks, and/or slogans in any advertising, any publicity, any forum, any social media, or in any other manner, without the prior written consent of Paycom.

Unless otherwise required by law or regulation, Client agrees that neither Client nor its then-current representatives (including its then-current members, managers, officers, and/or personnel) shall make any public statements or cause or encourage others to make, or allow to remain available for viewing, any public statement regarding Paycom, its business practices, its officers, its directors, its products, its Services, and/or its employees. Client acknowledges and agrees that this prohibition extends to statements made to the public generally and/or any grouping of individuals, including but not limited to, the news media, the internet, social media platforms, investors, potential investors, industry associations, industry conferences, industry publications, and/or seminars. Client understands and agrees that this Section is a material provision of this Agreement and that any breach of this Section shall be a material breach of this Agreement, and that Paycom would be irreparably harmed by violation of this Section. The prohibition on non-private statements contained herein does not apply to internal communications entirely among Client’s own personnel relating to Paycom, Paycom’s products, Paycom’s Services or Client’s experiences with Paycom’s personnel, products or Services.

5. Paycom’s Indemnity Obligation. Subject to the terms and conditions of the Agreement, including the limitations of liability, monetary caps, and exclusion of certain types of damages provided for herein, Paycom shall indemnify and hold Client and its affiliates, and their respective employees and agents harmless from any and all liabilities, demands, actions, claims, judgments, losses, damages, and costs (including reasonable attorneys’ fees) brought by any third party and arising out of or related to Paycom’s or Paycom’s employees’ gross negligence or willful misconduct.

6. Reliance on Client's Information; Responsibility for Amended Returns; Exclusions; Instructions; Concurrent Actions. Paycom's Services are based upon information and instructions provided by Client. Client is solely responsible for the accuracy and completeness of all information and instructions provided to Paycom. Notwithstanding anything to the contrary in the Agreement, Paycom shall not be liable or responsible for errors or omissions arising from Paycom's reliance upon Client's instructions or incorrect or incomplete information provided by Client or if applicable, a third party providing information regarding Client.

Paycom may, in its sole discretion, assist Client with any notices it receives from any Federal, State or Local governmental and/or quasi-governmental authorities (collectively "Taxing Authorities"). Client agrees Paycom may, on Client's behalf, submit a request to the Taxing Authorities for abatement of any such notice, which may include a request to use Client's first time penalty abatement. In the event there is an erroneous payroll tax return filing that was erroneous due to the sole fault of Paycom, then, during the term of this Agreement, Paycom shall assist Client, at no further cost or expense to Client, with amending or refiling the erroneous tax filing with Taxing Authorities. For amendments and refilings made by Paycom on Client's behalf, Paycom shall pay any penalties and/or interest to any Taxing Authorities as a result of untimely or incorrect payroll tax filings but only to the extent the penalties and interest were solely caused by Paycom. Notwithstanding anything to the contrary herein, Paycom shall not be required to amend or refile any payroll tax return or payroll tax filing on behalf of Client in the event Client ceases its use of Paycom's payroll processing Services or appoints another service provider as its taxing-authority power of attorney. In such an instance, any amendment or refiled payroll tax returns or adjustments shall be handled by Client or Client's new provider at Client's expense. Paycom is not responsible for settling any disputes between Client and Client's employees, or Client and any Taxing Authorities, or Client and any other regulatory bodies. Notwithstanding anything to the contrary herein, unless such liability was caused entirely by the fault of Paycom, Paycom is not responsible to Client for any claims asserted by Client's employees against Client that relate to any duty or obligation an employer may owe to an employee.

In the event Client instructs and directs Paycom to not prepare or file on its behalf Client's IRS 1095-B, 1095-C, 1094-B, and 1094-C forms; or those IRS forms' subsequent substitutes or functional equivalents, as indicated in the Agreement, Client agrees that Paycom shall not be responsible for any liabilities arising as a result of Paycom's acts or omissions in furtherance of those instructions, including but not limited to any IRS penalties associated with, to the extent Client is required to do so, Client's failure to file IRS 1095-B, 1095-C, 1094-B, and 1094-C. In the event Client instructs and directs Paycom to not

prepare or file on its behalf Client's IRS 1095-B, 1095-C, 1094-B, and 1094-C forms; or those IRS forms' subsequent substitutes or functional equivalents, as indicated in the Agreement, Client hereby releases Paycom from any and all claims, causes of action or demands, whether sounding in contract or tort, arising out of Paycom's or Client's failure to file IRS 1095-B, 1095-C, 1094-B, and 1094-C forms, including without limitation, any penalties or interest resulting therefrom.

In instances when Client provides instructions to Paycom, Client shall provide specific and particular instructions with regards to each applicable Service component. Generalized statements by Client to Paycom without explicit particularized instructions or particularized direction shall not constitute valid 'instructions' pursuant to this Agreement. To the extent the Paycom Technology does not have the functionality to accommodate or address Client's instruction or issue, Paycom's exclusive obligation to the Client shall be to inform the Client that such functionality is not currently available with the Paycom Technology.

Notwithstanding anything to the contrary in this Agreement, the following shall not constitute Paycom's negligence, breach, or wrongdoing, whether independently or alleged as a contributing or concurrent cause: (a) Paycom's failure to detect or failure to prevent any fraud of Client's employees or agents; (b) Paycom's reliance on data provided by Client to Paycom that contains inaccuracies or errors; and/or (c) Paycom's acts or omissions in furtherance of Client's instructions.

7. Client's Registration Obligations. Client is solely responsible for being properly registered with all applicable Taxing Authorities and for obtaining and maintaining valid tax identification numbers and/or account numbers with applicable Taxing Authorities. Client shall timely provide Paycom with all account numbers issued by Taxing Authorities to Client, whether active or inactive. If Client is not properly registered with the appropriate taxing authorities, Paycom shall register them through Paycom's tax registration services for an additional fee.

8. Term and Termination. The Agreement shall continue in full force and effect until terminated by either Party. Unless otherwise specifically agreed upon in writing, Paycom and Client each shall have the right for any reason or no reason at all to terminate the Agreement upon providing the other Party with thirty (30) calendar days' prior written or electronic notice of termination. In addition to the preceding termination rights, Paycom shall have the right to immediately terminate the Agreement in the event: (i) Client materially breaches its obligations to Paycom; (ii) Client fails to pay or remit any sums or fees related to the Services within two (2) business days after the due date of any sums or fees; (iii) Client discontinues its use of Paycom's payroll processing services for one or more pay periods; (iv) Client asserts, files or threatens any bankruptcy or Client asserts, files or threatens adverse action against Paycom;

(v) Client fails to timely remit to Paycom the funds required to perform the Services more than one time in any twelve-month period; (vi) any one of Client's affiliated client code entities is in default of its obligations to Paycom; (vii) a secured creditor of Client, governmental authority, or judgment creditor of Client asserts a claim of right to Client's funds; (viii) Client's failure to comply with NACHA rules, as set forth in Section 9 herein; or (ix) Paycom's depository or financial institutions notify Paycom that Paycom may no longer service the Client due to Client's creditworthiness, Client's business reputation or the nature of Client's business activities.

Notwithstanding anything to the contrary in this Agreement, upon termination of the Agreement in whole or in part (and after expiration of any applicable notice periods), Paycom shall have no further obligation whatsoever to perform any of the obligations set forth in the Agreement, or, to the extent such termination was partial, Paycom shall have no further obligation to perform the obligations of the applicable service component that has been terminated, including but not limited to any obligation to perform any act on Client's behalf with respect to governmental authorities or payroll tax filings, whether relating to future time periods, current time periods, or prior time periods. Further, upon termination of Services relating to payroll processing, Client will immediately become responsible for all payroll tax deposits and payroll tax filings (including amendments and refilings) then and thereafter due and for all related penalties and interest, and whereupon Paycom shall promptly return to Client any excess monies in Paycom's possession (if any) that are not reasonably subject to potential reversal, return, setoff or recoupment. In the event any monies credited or debited by Paycom and/or in Paycom's possession are subject to potential reversal, return, setoff or recoupment, then Paycom shall have the right to hold said funds during the time period of potential reversal, return, setoff or recoupment and thereafter shall promptly return all remaining funds to Client after the applicable time period has expired.

During any time period in which Client is in default of its obligations to Paycom, Paycom shall have the right to suspend the provision of its Services to Client, in whole or in part, pending Client's compliance with the Agreement or pending termination of the Agreement.

Client shall be required to pay an additional fee for any post termination access to the Website Account.

During any time period in which a demand is made upon Paycom by Client's lender(s), Client's judgment creditor(s), a secured party of Client, or Client's financial institution(s) seeking turnover of any of Client's funds, Paycom shall have the right to suspend the provision of its Services to Client, in whole or in part, and may additionally require any or all of the following actions: (i) a written waiver and/or release from such persons relating to it's/their demands (and, if applicable, confirmation

that such release has been submitted to the appropriate persons or recording systems), (ii) the termination of this Agreement, or (iii) the interpleader of disputed funds into escrow.

In the event Client terminates its payroll processing Services with Paycom or does not exclusively utilize Paycom for payroll processing Services, then all Services performed by Paycom shall be terminable at Paycom's option. Further, Client's use of Beti®, including check approvals, is a required component of payroll processing Services. Accordingly, Client's failure to utilize Beti® shall be deemed a termination of payroll processing Services by Client.

9. NACHA Compliance; Fedwire Requests. The Services provided by Paycom may be subject to the operating rules of the National Automated Clearinghouse Association ("NACHA"). Paycom and Client each agree to comply with the NACHA rules applicable to it with respect to the Services. Information pertaining to NACHA rules and guidelines can be found at www.nacha.org. Pursuant to the NACHA Rules, Client agrees and authorizes the following (terms not otherwise defined in this paragraph shall have the meaning given in the NACHA operating rules): (1) for Paycom to originate entries on behalf of the Client to Receivers' accounts; (2) to be bound by NACHA rules; (3) to not originate any entries or transactions that violate the laws of the United States; (4) to allow Paycom to originate entries or transactions related to payroll amounts, tax liabilities, human capital management service fees, charges, and other fees and charges related to the Services (collectively "Services' Amounts"); (5) the right of Paycom to terminate or suspend this Agreement for breach of these rules; and (6) to allow Paycom to audit Client's compliance with this Agreement and these rules. Client hereby authorizes Client's banks and Paycom's banks (collectively, "Bank Representatives") to transfer funds from Client's account at Client's bank to the accounts of Paycom for Services' Amounts. Client represents and warrants that this authorization has been duly approved by its Board of Directors, Members, Managers or other governing persons and continues in full force and effect. The Bank Representatives may issue payment orders in the name of the Client against the accounts of Client's bank, subject to Client's bank's acceptance. Payment orders issued on behalf of Client pursuant to this Agreement may be issued by Fedwire Request for Credit Transfer (1031) or electronic entries in accordance with the rules of NACHA, on the days and times and in the formats prescribed by Client's Bank. Client's bank shall debit Client's account for the amount of each payment order issued pursuant to this Agreement on the date such order is executed by Client's bank. Client's instructions to Paycom and Client's use of Paycom's Services shall not violate the NACHA rules or the laws of the United States. Neither Paycom nor any Originating Bank shall be liable to Client for any damages arising from any decision to refrain from or delay originating debit/credit entries with respect to Services' Amounts: (1) due to Client's creditworthiness or

Client's business activities; (2) after reasonable efforts to verify such entries have failed; or (3) because Paycom has not timely received funds from Client.

10. No Professional Advice. Notwithstanding anything to the contrary herein, the Services provided by Paycom expressly do not include the rendering of legal, tax, accounting, or investment advice to Client or Client's employees. The federal government, tribal governments, state governments or localities each may impose specific obligations pertaining to employee wage requirements, employee wage statements, overtime computation parameters, meal credit parameters, industry requirements, paystubs, employer-employee disclosures or other matters; and it remains Client's exclusive obligation to comply with applicable laws, rules, and regulations pertaining to Client and/or its employees. Additionally, Client shall adopt its own effective internal controls concerning its payroll. The Services should not, will not, and cannot be relied upon to detect or disclose errors, fraud or illegal acts of Client or Client's employees, subcontractors, or agents. Paycom is not and shall not act as an agent of Client for receipt of service of legal process. Paycom shall have no obligation to accept, receive or forward Client's legal process, including summons, subpoenas, complaints, injunctions, or other legal process. Upon Paycom's request, Client shall reimburse Paycom for any reasonable expenses resulting from Paycom responding to any subpoenas, including but not limited to responses to subpoenas that occur after the termination of this Agreement.

11. Required Manner of Notices From Client. Paycom maintains a secure website ("Website Account") through which Client may access information and through which Client shall request transactions electronically. Client's use of the Website Account is required. Except as may otherwise be expressly permitted in a Schedule, all notices required to be provided to Paycom shall be made in specific accordance with these General Terms and Conditions and/or through data entry on the Website Account, including but not limited to Client's data entry of payrolls, new employees, contact information for employees, employee classification, overtime computation parameters, and all other information permitted to be entered through the Website Account. Paycom shall not be required to rely upon or use any information provided by the Client to Paycom unless the information has been provided to Paycom in the manner expressly provided for herein.

12. Client's Indemnity Obligation. Notwithstanding anything to the contrary herein, Client understands that all Services rendered by Paycom are based upon the information furnished by the Client. Client shall indemnify, defend, and hold Paycom and its affiliates, and their respective employees and agents harmless from any and all liabilities, demands, actions, claims, judgments, losses, damages, and costs (including reasonable attorneys' fees) arising out of or related to the following or any combination of the following: (i) Client's breach of any obligation,

representation, or warranty under the Agreement; (ii) Client's actual or alleged violation of any applicable local, state, or federal law, rule, or regulation; (iii) any failure on the Client's part to fund any payment obligation of Client; (iv) any debit or reversal of funds transfers to or from Client's employees or others that results in a Paycom funds shortfall with respect to Client's account with Paycom; (v) any breach of Client's Security Information (as defined in Section 16); (vi) Client's negligence or willful misconduct; (vii) Paycom's acts or omissions in furtherance of Client's instructions; (viii) the use of inaccurate information provided by the Client; and (ix) any issue concerning Paycom's provision of the Data Services (as defined in Section 19), including, without limitation: 1) that any person or Client (including its officers, employees, personnel, any entity related to or performing services on behalf of Client, or any Client contractor) was permitted unauthorized access to Client's data; 2) that any confidential information transmitted was lost, disclosed, or breached; 3) that any confidential information of others was disclosed to unauthorized persons; or 4) that Client's or third parties' protocols failed to comply with applicable local, state, or federal law, rule, or regulation.

13. Client Representations and Warranties.

13.1. Client represents and warrants that:

- (i) Client shall not use the Services for any illegal purpose, such as but not limited to, terrorism or money laundering, or otherwise cause a transaction that will require the filing of a Suspicious Activity Report pursuant to the rules and regulations issued by the Financial Crimes Enforcement Network.
- (ii) Client, including any of its beneficial owners or any applicable affiliated entities, does not and shall not appear on any terrorism watch list, OFAC list, or similar list maintained by the U.S. Government.
- (iii) Client, including any of its beneficial owners or any applicable affiliated entities, is not involved in a business or industry that violates federal law, including, but not limited to the Controlled Substances Act, the Bank Secrecy Act, and The Anti-Money Laundering Act of 2020.
- (iv) Client shall comply with all applicable laws, rules, and regulations, and shall not violate the laws of the United States.
- (v) Client is solely responsible, with regard to any transfer of personal information to Paycom, for the legality and the means by which Paycom accessed or acquired such personal information, including when required by applicable law, rule, or regulation, obtaining consent for the collection, transfer and/or use of such information.
- (vi) Client shall not upload any documents, information, or materials that are not related to any Paycom computer system, to the Paycom Technology through the Website Account, to or through the Data Services (as defined in Section 19), or in any other manner.

(vii) Client's use of the Services is for a commercial purpose and specifically not for any personal, family, or household purpose.

(viii) Client shall not transmit individual health information to Paycom. Notwithstanding anything to the contrary herein, the Agreement does not anticipate transmittal of or otherwise apply to individual health information that is protected under any privacy and/or security regulations implemented by the Department of Health and Human Services pursuant to its authority under the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"), the Health Information Technology for Economic and Clinical Health Act ("HITECH"), or the like.

(ix) Client shall implement reasonable technical and organizational measures to protect Client's data and Paycom's system against accidental or unlawful destruction or accidental loss, alteration, unauthorized disclosure, or access.

(x) Client shall immediately notify Paycom if it or its affiliates have filed bankruptcy or if a bankruptcy filing is imminent.

13.2. Client further represents and warrants Client shall not store or publish through the Services any material, or otherwise engage in any conduct, that:

(i) violates, infringes, or misappropriates the rights of others, including without limitation, any patent, trademark, trade secret, copyright, publicity right, or other proprietary rights;

(ii) involves uploading, posting, emailing, transmitting, or otherwise making available Client data that Client does not have the right to make available under any law or under contractual or fiduciary relationships (such as insider information, proprietary and confidential information learned or disclosed as part of employment relationships or under non disclosure agreements, etc.);

(iii) is unlawful, threatening, abusive, hateful, defamatory, slanderous, libelous, deceptive, fraudulent, invasive of another's privacy, tortious, indecent, or obscene;

(iv) victimizes, harasses, "stalks", degrades, attacks, or intimidates an individual or group of individuals on any basis, including but not limited to race, color, religion, gender, age, national origin, disability, gender identify or expression, sexual orientation, and veteran or marital status;

(v) harms or exploits minors in any way;

(vi) impersonates any person, business, or entity (including but not limited to a Paycom official), or in any way falsely states or misrepresents Client's affiliation with a person or entity;

(vii) involves forging headers or otherwise manipulating identifiers in order to disguise the origin of any Client data transmitted or shared through the Services;

(viii) contains viruses or any other computer code, file, or program that interrupts, impairs, destroys, or limits the functionality of any computer software or hardware or

telecommunications equipment, or otherwise permits the unauthorized use of a computer or computer network;

(ix) disrupts other clients' use of the Website Account;

(x) instigates or encourages others to commit illegal activities, cause injury to any person, or cause damage to any property;

(xi) encourages conduct that would constitute a criminal offense or that gives rise to civil liability; or

(xii) violates this Agreement or any other terms of use, rules, or policies applicable to the Services.

14. Fees and Charges. In consideration for the Services provided to Client, Paycom shall charge Client and Client agrees to pay Paycom's fees and charges. Paycom's fees and charges shall be consistent with the final written pricing proposal and other written or electronic notices provided to Client. Paycom's pricing structure and pricing to Client is confidential and shall be treated by Client as confidential, and not shared with third parties. Paycom's 'fees' include the rates, quantities and sums Paycom directly requires of Client for Paycom's provision of the Services to Client. Paycom's 'charges' include delivery costs, third party costs, banking fees, and other sums due from Client that are related to and incident to the Services. Client agrees to pay, at regular intervals, Paycom's applicable fees and charges for the Services. In the event Client chooses to group its billing together with affiliated client code entities (together, a "Multiple Client Code"), Client and each of Client's affiliated client code entities of the Multiple Client Code will be billed for all products available to the Multiple Client Code. Client and/or Client's affiliated client code entities may be charged an additional fee if any such entity utilizes the Website Account for employees that are not paid on regularly scheduled payrolls processed via the Website Account. Paycom's pricing may be amended from time to time upon prior written or electronic notice to the Client. In the event Client does not consent to Paycom's revised pricing, Client shall have the right to terminate the Agreement by providing Paycom with written notice of termination within fifteen days of Paycom's first communication to Client of the pricing change. As additional consideration for Paycom's provision of Services to Client, Client assigns to Paycom or Paycom's financial institutions or depositories any benefits derived on the funds maintained in Paycom's client accounts (i.e. any interest or investment income on funds deposited into and held in Paycom's accounts). All applicable taxes, including but not limited to sales or service taxes, are not included in the above proposal (unless specified otherwise). Client is responsible for applicable taxes in addition to the fees and charges outlined in the proposal. Applicable taxes may vary by jurisdiction.

15. Payment. To facilitate the payment of the fees, charges, or other amounts due or payable to Paycom under the Agreement, Client will provide Paycom with access to a Client bank account and will notify Paycom of the demand deposit account number and transit routing number for the account. Client irrevocably consents to Paycom's use of Paycom's Client account information

and Website Account access for purposes of electronically drawing funds from Client's bank account in accordance with Client's obligations set forth in the Agreement. Client hereby authorizes Paycom to process wires, drawdown wires, and/or ACH debits or credits in connection with the monies (including Paycom's compensation and fees, as well as other charges) applicable to the Agreement. Paycom's fees and charges for any and all Services provided by Paycom may be debited and/or charged at various intervals, including intervals consistent with and together with Paycom's payroll processing for Client.

16. Access Restrictions. Maintaining the confidentiality of Client's client code, user name, password, access keys, and/or other account access information (collectively "Security Information") is the sole responsibility of Client. A person with knowledge of Client's Security Information will be able to access Client's account and initiate transactions and funds transfers on behalf of Client. If an unauthorized person obtains access to Client's Security Information and initiates transactions, Paycom cannot protect Client from the result of any such transactions. Client agrees that Paycom may fully rely upon any and all instructions and directions provided using the Client's Security Information. Client agrees:

16.1. Client will not disclose its Security Information to anyone not authorized to request transactions on Client's behalf;

16.2. Client will undertake its own commercially reasonable security measures to prevent the disclosure and/or unauthorized use of its Security Information;

16.3. Client shall, at regular intervals, follow the procedures within the Website Account interface to update and/or revise its Security Information;

16.4. Client may modify its Security Information as many times as Client deems appropriate. If Client suspects that someone has access to Client's Security Information, Client shall immediately make revisions to its Security Information; immediately review all recent and pending transactions, and immediately notify Paycom of its suspicions concerning a potential breach of Client's Security Information.

16.5. Neither Paycom, nor its agents or affiliates shall be liable for any loss, claim, or circumstance in connection with instructions given by Client or anyone else using Client's Security Information. Paycom shall have the absolute right to rely upon all instructions given to Paycom using Client's Security Information.

17. Security Features. Paycom employs various security features to enhance security and limit access to the Website Account. Client is responsible for adopting its own effective internal controls concerning its payroll, funds, security, and use of the Website Account. Paycom's Services should not be relied upon to detect or disclose errors, fraud, or illegal acts of Client's employees or third parties, however Paycom's security features

may assist Client in mitigating its risks concerning such matters. To the extent Client elects to disable or discontinue the use of certain security features offered by Paycom (including email notifications, IP address verification, masking informational fields, or other features), Client assumes full responsibility arising out of Client's non-use or disabling of any such security feature(s). Paycom disclaims any and all responsibility arising from Client's disabling or non-use of any Paycom security feature. Client does hereby release and forever discharge Paycom from any and all demands, claims, and liabilities of whatever kind or nature, either in law or equity, whether known or unknown, which arise or may hereafter arise from Client's disabling or non-use of any Paycom security feature. Client has the option of reactivating any disabled feature at any time.

18. Internet Access. The Website Account will be accessible from the internet. Client shall be responsible for accessing the internet to utilize the Services and access the Website Account. Paycom does not warrant and shall not be responsible for the cost and maintenance of any telephone, cable internet provider, cellular network, wireless local area network, wireless tower, application distribution system, or other communication circuits required for dutiful transmission and system access. In addition, Client is solely responsible for determining whether or not Client is required to reimburse its employees for their employees' use of their own devices to access the Website Account and Services. Data files are transmitted over communication company circuits, which are wholly beyond the control and jurisdiction of Paycom and are maintained by the applicable communications companies. If these communication circuits are not functional for any reason, the data files may not accurately or completely reach Paycom's facilities or equipment. Paycom is not responsible for or in control of the continued operations or functioning of these communication circuits nor the reliability of the data files being received over them. Client shall not hold Paycom responsible in any way for any losses of any kind whatsoever resulting from the failure of any communication circuits or internet service provider to fully and properly perform, whether the failure of the communications are caused by any provider, whether Client's provider, Paycom's provider, Client's user's providers, Client's employee-user's providers, or any other provider. In the event of interruption of access to the Website Account, Paycom's sole obligation and liability shall be to restore access to the Website Account as soon as reasonably possible. Paycom makes no other warranties, express or implied, with respect to the subject Services or the Website Account and/or the availability of the Website Account.

19. Data Services. As a part of providing Paycom's application program interface ("API") and secure file transfer protocol ("SFTP") or Custom File Converter services (collectively, "Data Services"), Paycom may generate, create, and/or facilitate the creation of certain reports; allow access by Client and/or third parties to certain Website Account and third party data feeds;

create or connect Client and/or third party data feeds to the Website Account; create data feed protocols to convert and facilitate the communication of data between Client's and/or third parties' systems and the Website Account; setup and automate scheduled data feed imports and transmissions; and import and transmit data. Certain Data Services (for example, API services and SFTP services) may require the use of an access key to gain access to Client data. These access keys are the sole property of Paycom and may be revoked at Paycom's discretion without notice to Client if Client violates any of the terms herein or Paycom has reason to suspect the access keys have been misused or compromised. The number of API calls or SFTP requests Client is permitted to make may be limited by Paycom as necessary to best provide quality of response. Client is permitted to use the API or SFTP interface to access Client data maintained on the Website Account and to interface with other systems in Client's organization as necessary in the ordinary course of business. Client may work with third parties only as necessary to facilitate Client's API usage, so long as such third parties are subject to the obligations imposed on Client herein. Client shall not:

- (i) use the access keys, or any of the Data Services or Paycom Technology to attempt to gain access to other data on Paycom's system, or for any other purpose not expressly authorized herein;
- (ii) resell applications or services that require the Data Services;
- (iii) sell, transfer, or sublicense access to the Website Account Paycom Technology, or the Data Services;
- (iv) commercialize (sell, rent, trade or lease) the content provided via the Website Account, Paycom Technology, or the Data Services;
- (v) decompile, modify, reverse engineer, create derivative works, or otherwise alter the Website Account, Paycom Technology, or Data Services;
- (vi) distribute or publish links to the Website Account, Paycom Technology, or Data Services;
- (vii) use robots, spiders, scraping, or other technology to access or use the Website Account, Data Services, Paycom Technology, or any of Paycom's systems;
- (viii) access or attempt to access the account information of other users, or any other unauthorized information;
- (ix) use the Data Services in a manner that violates any applicable laws or regulations, including but not limited to those related to privacy and data protection;
- (x) use the Data Services interface in a manner that exceeds reasonable request volume or could be considered excessive or abusive usage; or
- (xi) distribute or publish automation documentation, including but not limited to, API and SFTP documentation, file import formats, or file export formats (the "Documentation") to third parties.

Paycom does not, by allowing Client to use or access the Website Account, Paycom Technology, and Data Services, transfer any rights or ownership in the Website Account, Data Services, Documentation, source code, Paycom Technology, or Paycom

intellectual property. The Website Account, Paycom Technology, and Data Services are and shall at all times remain the property of Paycom and Paycom alone. Paycom may update the structure of the classes, functions, reports, or data provided by the Website Account, Paycom Technology, and Data Services. Paycom may also update the associated Documentation or Paycom Technology and/or the permitted uses of the Services at any time and without notice to Client. Client acknowledges and accepts that the provision of these Data Services may result in Client's data being stored, transmitted, accessible, and handled in a manner that does not conform to the data security protocols described herein. Paycom makes no warranty or representation as to the sufficiency or adequacy of such nonconforming protocols. Client and such applicable third parties shall be exclusively responsible for adopting their own effective controls concerning access to Client's data. Client acknowledges and accepts all risks and liabilities arising from the nonconforming protocols. Client is responsible and liable for all damages caused by the nonconforming protocols. Notwithstanding anything to the contrary in the Agreement, to the extent Paycom is determined to be liable for any monetary damages arising from the Data Services, Client's remedies for all damages, losses, liabilities, demands, and causes of action, whether in contract, tort, including negligence or otherwise, shall not exceed Fifty Dollars (\$50), regardless of Client's actual losses, liabilities, or injuries. As to the Data Services, the immediately preceding sentence supersedes the other limitation of liability aggregate cap provisions in this Agreement. Paycom is not an insurer against Client's risks. Client acknowledges the fees Client is actually paying for the Services is commensurate with the specific limitations of liability provided herein. To the extent the Client desires Paycom to assume a greater liability or responsibility than as set forth herein, then, an additional fee must be first quoted to Client and paid by Client before such greater responsibility shall apply to Paycom.

20. Implementation. All setup fees, conversion fees, and training fees paid by Client are non-refundable, in whole or in part. In addition to any other setup fees paid by Client, in the event of an implementation delay due solely to the fault of Client that ultimately results in a failure to utilize new or additional Services on the agreed upon check date for the initial use of the applicable Services, Client shall pay an additional fee which shall be no greater than an amount commensurate with Client's initial setup, conversion and training fees. As a condition of Paycom agreeing to accept Client's credit card as an approved form of payment for the Services, Client agrees that any dispute that Client may raise with respect to the Services must be addressed directly between Client and Paycom. Any dispute that cannot be timely resolved to the mutual satisfaction of the parties shall be resolved in accordance with the dispute resolution provisions as contained in this Agreement. Client agrees to cooperate in good faith, and take all commercially reasonable steps to make available all information necessary for Paycom to

implement and provide the Services. Client hereby consents to Paycom taking any steps Paycom deems necessary to obtain such information, including accessing and downloading information related to the Services.

21. Client's Review. To the extent Paycom regularly mails or couriers checks, paystubs, and/or reports to Client, upon Client's receipt of checks, paystubs, and/or reports from Paycom, Client shall promptly examine such checks, paystubs, and reports for each applicable pay period or reporting period and shall notify Paycom of any discrepancies between such documents and Client's own records, or any errors, omissions, or miscalculations in said documents as soon as reasonably possible, but in no event later than thirty (30) calendar days after Client's receipt of said documents. Client acknowledges and agrees that delivery fees and check stuffing fees don't always involve delivery of a physical check, paystub and/or report to Client. To the extent checks, paystubs, or reports are not regularly mailed or couriered but instead are regularly available for review through the Website Account, then Client shall regularly review and examine said documents for each applicable pay period and shall notify Paycom of any discrepancies between such documents and Client's own records or any errors, omissions, or miscalculations in said documents as soon as reasonably possible, but in no event later than thirty (30) calendar days after said documents become available on the Website Account. Client shall promptly examine all notices received from taxing authorities and governmental entities and promptly report its receipt of any such notices to Paycom. To the extent Client receives any refunds or payments from any taxing authorities or governmental entities that were not otherwise expected and that relate in any way to the Services, Client shall promptly report its receipt of such refunds or payments to Paycom and shall not deposit any such refund check until it has first advised Paycom of its receipt of said check and discussed such refund or payment with Paycom. Client agrees that it will not independently file or amend any tax returns relating to the Services during the term of the Agreement. Paycom is not liable for any penalties and interest Client may incur as a result of Client depositing or cashing a refund or payment it should not have deposited or cashed. Client shall be solely responsible for all liabilities, judgments, losses, damages, and costs (including reasonable attorneys' fees) that result from or could have been avoided had Client timely reviewed its documents and timely advised Paycom or any other Parties of any such notices, payments, funds, refunds, errors, omissions, miscalculations, or discrepancies.

22. Confidentiality. Each Party will take all of the following measures to protect all Confidential Information:

22.1. Hold all Confidential Information (as defined herein at Section 22.10) in the strictest of confidence;

22.2. Safeguard Confidential Information with the same degree of care to avoid unauthorized disclosure as it uses to protect its own information of a similar nature, but in any event, no less than reasonable care, which necessarily includes the care required by applicable law;

22.3. Not disclose Confidential Information to any of its own employees, agents, contractors, or representatives ("Representatives"), except to those of its Representatives who have signed written confidentiality agreements at least as restrictive and protective as the obligations set forth herein;

22.4. Not use (or assist or permit its Representatives to use) any of the Confidential Information for any purpose other than: (i) in connection with the performance of its obligations under the Agreement; and/or (ii) in connection with the defense or prosecution of any claim relating to the subject Services. In the event of such use in connection with defense or prosecution of a third party claim, the Party seeking to disclose Confidential Information shall, reasonably in advance, advise the other Party of its intended use of such information and shall not object to the intervention or request for protection of such information in connection with such third party claim or proceeding.

22.5. Except as otherwise provided for in Section 13(viii), each Party will maintain all information subject to applicable law in accordance with standards required by applicable law, even beyond the term of the Agreement.

22.6. The following conditions will apply to Representatives:

- (i) Representatives that will have access to Confidential Information shall be informed of the confidential nature of such information.
- (ii) Each Party will impose on its Representatives, as a binding obligation, confidentiality and non-disclosure obligations consistent with the Agreement.

22.7. The restrictions in this Section shall not apply to any information to the extent that it: is or comes within the public domain other than through a breach of this Section 22; or is in a Party's possession (with full right to disclose) before receipt from the other; or is lawfully received from a third party (with full right to disclose); or is independently developed without access to or use of the Confidential Information; or is required to be disclosed by law or by a court of competent jurisdiction provided that, unless prohibited by law from doing so, the Party required to disclose such information agrees to give prior written or electronic notice of such disclosure and to take reasonable and lawful actions available to it to avoid and/or minimize the extent of such disclosure.

22.8. In furtherance of Paycom complying with Paycom's compliance policies and programs, applicable laws, court order, or legal requirements, Paycom may disclose Confidential Information to governmental authorities and/or Paycom's financial institutions.

22.9. Either Party may seek injunctive relief for any actual or reasonably anticipated disclosure by the other, including preliminary and permanent injunctive relief, regardless of whether monetary damages caused by the breach can be determined or proved.

22.10. The term “Confidential Information” shall mean all information one Party hereto acquires from the other Party hereto relating to the Services, whether developed by the disclosing Party or by others and whether patented or patentable, including, without limitation, Personal Data (as defined in Section 23), trade secrets, unpublished patent applications, designs, processes, disaster recovery plans, audit reports, information technology structure and hardware, studies and notes containing or reflecting such information, business plans and strategies, financial information, pricing information, specifications, devices, and all information one Party hereto acquires or observes in connection with the Services, regardless of whether such information is designated as Confidential Information at the time of its disclosure.

23. Data Security. To ensure the security of Client’s electronic nonpublic personal information (“Personal Data”), except as it pertains to Section 19, Paycom shall:

23.1 implement reasonable technical and organizational measures to protect Personal Data against accidental or unlawful destruction or accidental loss, alteration, unauthorized disclosure, or access, in particular, where the processing involves the transmission of data over a network, and against all other unlawful forms of processing;

23.2 encrypt Personal Data while in transport over the internet and, when data is not in transport, store such data on storage that is encrypted;

23.3 upon a complete investigation and validation, promptly notify Client of any facts known to Paycom concerning any accidental or unauthorized disclosure or use, or accidental or unauthorized loss, damage, or destruction of Personal Data by any current or former employee, contractor or agent of Paycom, or any intrusion into Paycom’s system caused by Paycom’s failure. In the event of such accidental or unauthorized disclosure or use, or accidental or unauthorized loss, damage, or destruction of Personal Data Paycom shall reasonably cooperate with Client as required by applicable law to: (i) limit the unauthorized disclosure or use, (ii) seek the return of any Personal Data and (iii) assist in providing notice;

23.4 upon termination or expiration of the Agreement for whatever reason, Paycom shall maintain the confidentiality and data security obligations set forth herein while Paycom retains any Personal Data.

23.5 In addition to the foregoing, Paycom is not and shall not be Client’s official record keeper. Accordingly, Client shall

keep copies of all information and Personal Data it deems necessary.

24. Exclusions to Limitations of Liability. Notwithstanding anything to the contrary in the Agreement, including notwithstanding the paragraph entitled “LIMITATIONS OF LIABILITY” in the PHCMSA, neither Party excludes nor limits its liability to the other for any of the following (and nothing in the Agreement shall be construed as excluding or limiting such liability):

24.1. for personal injury or death resulting from its negligence or that of its employees, agents, or subcontractors;

24.2. for any matter which it would be illegal for that Party to limit its liability;

24.3. for a Party’s actual fraud, defamation, or trade libel;

24.4. for a breach of: Section 12 (Client’s Indemnity Obligation) and/or Section 13 (Client Representations and Warranties);

24.5. for a Party’s fee(s) and/or charges due and owing for Services provided to the other Party;

24.6. for Client’s failure to remit funds and/or satisfy any of its Services funding obligations; and

24.7. for, after Client remits all applicable tax monies to Paycom and after Client complies with the Agreement in all material respects, Paycom breaches its obligations in this Agreement and fails to promptly pay and remit said tax monies to applicable Taxing Authorities on Client’s behalf.

24.8. for, after Client remits all applicable direct deposit and other funds to Paycom and after Client complies with the Agreement in all other material respects, Paycom breaches its obligation in this Agreement to promptly pay and remit said funds to Client’s specified persons on Client’s behalf.

25. Feedback; Improvement; Assignment. In the event Client, or any third party on behalf of Client submits any suggestions, ideas, criticisms, enhancement requests, feedback, recommendations, or other information or ideas regarding the Services, Paycom’s products or the Paycom Technology (hereinafter referred to as “Feedback”), Client agrees that such Feedback is gratuitous, without restriction and will not place Paycom under any fiduciary or other obligation. Paycom shall be free to disclose such Feedback on a non-confidential basis to anyone. Moreover, Client assigns to Paycom all right, title and interest in any Feedback that relates to the Services, Website Account or Paycom Technology.

26. Recording. Each Party hereby consents that such other Party may, without further notice or further notification, electronically monitor or record the telephone conversations between the parties’ respective representatives in connection with the parties’ business dealings. Each Party agrees that it shall have an

expectation that all telephone calls made or received by either Party to the other Party are being electronically monitored or recorded by the other Party for the other Party's business purposes and/or business records retention purposes. Each Party hereby notifies the other Party that it regularly and consistently monitors or records the telephone conversations of the other Party's representatives, and that the monitoring or recording of such telephone conversations is likely to occur at any time and without further notice. It is further agreed that the monitoring or recording activities of such parties' representatives shall constitute permissible monitoring or recording pursuant to this Agreement. To the extent a Party seeks to, in the future, withdraw and revoke the consent to such monitoring and recording activities provided for in this Agreement, then in order for such revocation to be effective said Party must send a written or electronic notice to the other Party pursuant to the notice provisions of this Agreement, and any such written or electronic notice shall not be effective until at least thirty (30) days after the receiving Party receives such notice.

27. Signatory Authority; Third-Party Arrangements. To the extent the undersigned signatory is acting on behalf of a third party with respect to servicing that third party's payroll and other service needs, the undersigned signatory hereby warrants and represents to Paycom that the signatory has been appointed as the third party's duly authorized agent and has all the requisite authority to bind said third party to the obligations of the Agreement and hereby does bind said third party to each of the obligations of the Agreement. Additionally, any third party that accesses or views Client's Website Account shall be required to enter into separate agreements with Paycom governing such use. Client shall promptly provide Paycom a list of any such third parties as well as information concerning the extent of such access, disclosure or use by such third party. Client shall be exclusively responsible for all issues arising out of any Client-selected third party's access, viewing, or use of Client's Website Account.

28. Interest, Setoff, Recoupment; Interpleader and Remedies. In addition to any other rights, fees or charges provided for herein, if any amount is not paid to Paycom within five calendar days of its due date, Client shall be additionally liable for interest on said unpaid amount(s) at an interest rate of 1½% per month or the highest rate allowed by applicable law, whichever is less, from the due date until paid in full. In the event Client is in default of its payment obligations to Paycom, then Paycom shall have the right to offset and/or apply any of Client's funds being held by Paycom to any outstanding obligation of Client owing to Paycom. Notwithstanding anything to the contrary in this Agreement or any written report or communication among the parties, the specific timing or amounts of any ACH, wire or debit from Client's account shall in no way bind Paycom nor shall it have any bearing on how Paycom applies and/or allocates said funds among the Client's employee direct deposits, Paycom fees,

payroll tax payments and/or other sums. In the event any monies credited or debited by Paycom and/or in Paycom's possession are subject to potential reversal, return, setoff or recoupment, then Paycom shall have the right to hold said funds during the time period of potential reversal, return, setoff or recoupment and thereafter shall promptly return all remaining funds to Client after the applicable time period has expired. Notwithstanding anything to the contrary herein, Paycom shall not be in breach of this Agreement in the event Paycom fails to remit Client funds due to: (i) garnishment or other legal process served upon Paycom concerning Client or Client's funds; (ii) a secured creditor or other person's assertion of legal process, assertion of a lien, or assertion of a claim of right to or against Client's funds; or (iii) a government entity's assertion of legal process, assertion of a lien, or assertion of a claim of right to or against Client's funds; (iv); a bankruptcy filing by Client. In any of the aforementioned instances, Paycom may suspend or withhold payment and interplead or otherwise seek relief concerning the subject funds with an applicable Court or tribunal.

29. Force Majeure. Neither Party shall be liable for delays in performance which are caused by natural disasters, strikes, war, terrorism, epidemics, pandemics, governmental shutdown orders or restrictions, utility outages, communication outages, or any other circumstances which could not have been reasonably foreseen and avoided by commercially reasonable action, or are beyond the reasonable control of such Party, except that this provision shall not excuse the failure of Client to timely meet all of its funding requirements to Paycom (including its funding, payment, and cash requirements) for any applicable Service performed by Paycom for Client. If applicable, either Party shall be excused from performance under the Agreement for the duration of the effects of such circumstances.

30. Direct Deposit Authorization Forms. Before any of Client's employees are setup for utilization of ACH direct deposit, Client shall require that each such employee sign a "Direct Deposit Authorization and Agreement" form, which authorizes Paycom to make transfers to and from the employee's account using the ACH system and which, in certain instances, authorizes Paycom to withdraw funds or reverse fund transfers from Employee's account. For each such Client employee, Client shall maintain such signed forms in Client's possession for a period of at least one year after the last payroll is processed by Paycom for said employee. Client shall provide all such signed forms to Paycom within five (5) days of Paycom's request. In the event that any of Client's employees refuse to sign a "Direct Deposit Authorization and Agreement" form, Client shall not allow said employee(s) to utilize direct deposit. Client further agrees to cooperate with Paycom and/or any other parties to recover funds credited in error to an employee as a result of an error in processing.

31. Waiver. The failure by Client or Paycom to insist upon strict performance of the Agreement shall not constitute a waiver of that provision with respect to demands for future performance.

32. Severability. Each section, subsection and lesser section of the Agreement constitutes a separate and distinct undertaking, covenant or provision hereof. In the event that any provision of the Agreement shall be determined to be invalid or unenforceable, such provision shall be deemed limited by construction in scope and effect to the minimum extent necessary to render the same valid and enforceable, and, in the event such a limiting construction is impossible, such invalid or unenforceable provision shall be deemed severed from the Agreement, but every other provision of the Agreement shall remain in full force and effect.

33. Independent Contractors; Limitations. The Agreement establishes an independent contractor relationship only, by which Paycom will perform the Services described in the Agreement. It is not intended as, and shall not be construed to establish a partnership, joint venture, employer/employee relationship, or master/servant relationship. Paycom shall only be required to assist the Client with its obligations and perform the specific Services provided for in the Agreement, and no others. It is agreed that Paycom is not an insurer and that the fees Paycom charges are based solely on the value of the services provided for herein and the terms of this Agreement. Notwithstanding anything to the contrary in the Agreement, to the extent Paycom is determined to be liable for any monetary damages, Client's remedies for all damages, losses, liabilities, demands, and causes of action, whether in contract, tort, including negligence or otherwise, shall not exceed the applicable aggregate cap and/or amounts specifically provided for in this Agreement, regardless of Client's actual losses, liabilities, or injuries. Paycom is not an insurer against Client's risks. Client acknowledges the fees Client is actually paying for the Services is commensurate with the specific limitation of liability's provided herein. Client and Paycom acknowledge and agree that Paycom is retained under the Agreement to assist Client with certain obligations of Client and that Paycom is not an employer of Client's employees, nor a fiduciary of Client or Client's employees. Paycom is merely providing certain specified services to assist Client. Paycom responsibilities include only the Services expressly set forth herein and shall not include any other services, unless agreed to in writing. Nothing contained in the Agreement shall be deemed to permit either Party to conduct business in the name of or on account of the other Party, or to act on behalf of or bind the other Party in any manner whatsoever, except for the taking of actions by Paycom on behalf of Client in the fulfillment of Paycom's specific obligations under the Agreement.

34. No Third-Party Beneficiaries; Limited Obligations. Nothing in the Agreement creates or will be deemed to create third party beneficiaries of or under the Agreement. BY VIRTUE OF THE

AGREEMENT, PAYCOM HAS NO OBLIGATIONS TO ANYONE OTHER THAN THE CLIENT ENTITY SIGNING THE AGREEMENT. BY VIRTUE OF THE AGREEMENT, PAYCOM HAS NO OBLIGATION TO ANY THIRD PARTY (INCLUDING, WITHOUT LIMITATION, TAXING AUTHORITIES AND/OR CLIENT'S EMPLOYEES, INDEPENDENT CONTRACTORS, AND/OR CONSULTANTS). Notwithstanding anything to the contrary herein, Paycom has not assumed and does not assume the obligations of an 'employer' to Client's employees or any other person or entity. Notwithstanding anything to the contrary herein, Paycom has not assumed the obligations of and is not a 'responsible party' for tax purposes.

35. Assignment.

35.1. The Agreement shall not be assigned or delegated by Client (regardless of whether such assignment or delegation is in the form of an assignment, merger, consolidation, conversion, sale of all or a portion of assets, or otherwise), in whole or in part, without the prior written consent of Paycom.

35.2. The Agreement may be freely assigned or delegated by Paycom (regardless of whether such assignment or delegation is in the form of an assignment, merger, consolidation, conversion, sale of all or a portion of assets, or otherwise), in whole or in part, without the prior written consent of Client. Paycom will advise Client of such assignment, which may be made via email to the email address provided in Client's Website Account and shall be deemed received by Client upon Paycom's sending of such email. Client hereby waives any restrictions under applicable law with respect to the assignment. Upon the request of Paycom, Client agrees to promptly execute and deliver an acknowledgement of assignment in form and substance satisfactory to Paycom and such other documents and assurances as reasonably requested by Paycom or Paycom's assignee.

35.3. Subject to the foregoing, the terms and conditions of this Agreement shall be binding upon and inure to the benefit of each Party and its respective successors and assigns.

36. Electronic Signature. Paycom and Client agree to conduct this transaction and, unless this consent is specifically revoked, subsequent transactions by electronic means and that an electronic signature of either Party or both Parties, including fax signature, PDF signature, scanned signature, typed-out signature, or other electronic means, shall have the same legally binding force and effect as an original signature. An executed copy of the Agreement may be delivered by one or more of the Parties by facsimile, email, or similar instantaneous electronic transmission device pursuant to which the signature of, or on behalf of, the Party can be seen, and such execution and delivery shall be considered valid, legally binding, and effective for all purposes.

37. Entire Agreement, Amendments, and Modifications. The Agreement represents the entire agreement between the Parties, and there are no inducements, representations, or warranties, or any other oral or other written agreements or understandings between the Parties affecting the Agreement, or related to the Services to be provided by Paycom or the obligations undertaken by Client or Paycom under the Agreement. Paycom may amend the Agreement at any time in its sole discretion, effective upon providing notice of the amended terms with an electronic notification to Client that such Agreement has or is being amended and is available for review by Client; and Client's continued use of Paycom's Services after an amendment's effective date constitutes Client's acceptance of such amendment. With respect to the Services, the Agreement supersedes all previous agreements and negotiations between the Parties. It is understood and agreed that no employee, officer, or director of Paycom has the authority to modify the Agreement orally.

38. Venue; Governing Law; Class Action Waiver; Waiver of Sovereign Immunity. All issues and questions concerning the construction, validity, enforcement, performance, and interpretation of the Agreement or arising from any business dealings by or among the Parties shall be governed by, and construed in accordance with, the laws of the State of Oklahoma. With respect to any claim arising out of the Agreement, each Party irrevocably submits to the exclusive jurisdiction and exclusive venue of the courts of the State of Oklahoma, or the United States District Court, located in Oklahoma County, Oklahoma.

Any legal proceedings to resolve or litigate any dispute will be conducted solely on an individual basis. *No Party will seek to have any dispute with the other Party heard as a class action or heard within an already-pending class action proceeding, or in any other proceeding in which either Party or any litigant acts or proposes to act in a representative capacity. Any and all such rights to proceed on a class-wide basis are hereby waived. No proceeding will be combined with another without the prior written consent of all parties to all affected proceedings.* Neither party will avail itself to third-party practice procedures, nor file a third-party complaint, petition, cross-claim, or pleading against the other Party, that would have the result of commencing or initiating claims against the other Party in a court other than the courts provided for in the exclusive venue provisions set forth in this Section. *If any portion of this class action waiver is deemed invalid, illegal and/or unenforceable, then that portion will be severed with the remainder remaining in full force and effect.*

Client expressly waives any claim of sovereign immunity as to Client's business dealings with Paycom if applicable (i.e. Native American Nations). If either Party brings a legal action to enforce the Agreement, the prevailing Party in such action, as determined by the court, shall be entitled to recover reasonable attorneys' fees and litigation expenses as determined by the

court. Client and the undersigned individual each represent that the signatory to the Agreement is authorized to enter into such agreement on behalf of Client.

39. WAIVER OF JURY TRIAL. TO THE MAXIMUM EXTENT PERMITTED BY LAW, PAYCOM AND THE CLIENT EACH HEREBY WAIVE ANY RIGHT TO TRIAL BY JURY OF ANY ISSUE TRIABLE BY A JURY FULLY TO THE EXTENT THAT ANY SUCH RIGHT NOW OR HEREAFTER EXISTS WITH REGARD TO THE AGREEMENT OR THE PARTIES' BUSINESS DEALINGS, OR ANY CLAIM, COUNTERCLAIM, OR OTHER ACTION ARISING IN CONNECTION THEREWITH. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS GIVEN KNOWINGLY AND VOLUNTARILY BY PAYCOM AND THE CLIENT AND IS INTENDED TO ENCOMPASS INDIVIDUALLY EACH INSTANCE AND EACH ISSUE AS TO WHICH THE RIGHT TO A TRIAL BY JURY MAY OTHERWISE ACCRUE. PAYCOM AND THE CLIENT ARE HEREBY AUTHORIZED TO FILE A COPY OF THIS SECTION IN ANY PROCEEDING AS CONCLUSIVE EVIDENCE OF THIS WAIVER BY THE OTHER PARTY.

40. Use of SSNVS. Paycom may utilize the Social Security Number Verification Services ("SSNVS") to verify employee Social Security Numbers ("SSNs") and names solely to ensure that the records of current or former employees are correct for the purpose of completing Internal Revenue Service (IRS) Form W-2 (Wage and Tax Statement). SSA returns all names and SSNs submitted and indicates if an individual's name and SSN matches or does not match. If the individual's name and SSN does not match their records, SSA advises that their response (1) does not imply that you or your employee intentionally provided incorrect information about the employee's name or SSN, (2) does not make any statement about your employee's immigration status, and (3) is not a basis, in and of itself, to take any adverse action against the employee such as laying off, suspending, firing or discriminating against the employee. Furthermore, reliance on the verification information SSA provides to justify adverse action against a worker may violate State or Federal law. Please consult your legal counsel before doing so and/or before determining whether to opt-out of this additional feature. It is appropriate to use SSNVS only once an official employer-employee relationship has been established. The functions being performed by Paycom shall adhere to the proper use of SSNVS. Please be advised that this service is available at no cost from SSA and this service is not the product of a unique or exclusive arrangement between SSA and Paycom.

Project-Santa Cruz Island High Adventure

Who we are:

Elite Academic Academy (EAA) is a groundbreaking educational institution that was established in 2018 by a team of accomplished California public school educators, boasting a remarkable 75 years of combined expertise in educational leadership. What sets us apart is our distinctive fusion of traditional and charter school leadership, ensuring alignment with the California Education Code while serving students with a personalized educational experience.

EAA is committed to delivering high-quality, rigorous educational programs, offering both virtual and traditional curriculum options. Furthermore, we have crafted unique academies that focus on Elite Peak Performance Training, Visual and Performing Arts (VAPA), and Career Technical Education (CTE), thereby equipping our students with the skills they need to thrive in the 21st-century workforce.

As a Charter School, Elite Academic Academy harnesses the power of flexible learning environments to provide an exceptional education for our students. Our mission revolves around being the leading independent study educational option for students from TK-12. We specialize in flexible, individualized homeschooling, virtual learning, and blended academies, catering to students who opt not to attend traditional brick-and-mortar schools. Our core objective is to deliver personalized instruction to all students, facilitating accelerated performance and academic growth.

Participants:

Career Technical Education students in the recreation pathway are enthusiastic students in grades 6-12 who have a passion for the great outdoors and a strong desire to pursue a career in the outdoor recreation industry following their high school graduation. These students are not only acquiring essential skills and knowledge related to outdoor activities, environmental conservation, and safety protocols, but they are also developing a deep connection to nature and a commitment to promoting responsible outdoor engagement. With their specialized training and hands-on experiences, these future outdoor professionals are well-prepared to embark on careers in fields such as adventure

guiding, park management, environmental education, and more, contributing to the preservation and enjoyment of our natural landscapes while fostering a lifelong love for outdoor recreation. Students in this pathway are 25 students from a variety of the eight Southern California counties we serve. Students are also diverse in their demographics such as race, ethnicity, socioeconomic information, age/grade level, sexual orientation, and gender identity. All students are enrolled in Elite Academic Academy, which is our K12 Non-profit Public Charter School.

Organization and Staff:

Our school identifies with the community in that it serves students within eight counties in California. Our School serves students in Career Technical Education Courses and our one particular CTE pathway for Hospitality and Recreation aligns with teaching students industry standards aligned to Recreation and students who want to pursue a career in Outdoor Recreation. We also have a club at our school called the Quest Crew Club for students who are interested in outdoor education learning about our environment and using nature as a classroom. The Quest Crew also centers their adventures around sustainability and nature cleanup. Our staff that will be working on this project will be led by our highly qualified CTE teacher, Tom Olson, as well as other highly-qualified multiple multiple-subject and single-subject science teachers. Mr. Olson and the staff will be led by the Chief Student Development Officer and the CTE Director for support.

Why:

The primary objective of this excursion is to foster a sense of reverence and appreciation for the ocean and the broader natural environment among young individuals. Our outdoor education initiative aims to instill in students a passion for environmental stewardship and a commitment to safeguarding our planet. Our approach revolves around equipping these youth with the tools to translate this mission into real-world action, whether that entails seasonal employment or embarking on a lifelong career in recreation.

We firmly believe that experiential learning is the most potent method to impart these values and ignite a profound sense of purpose within the participants. Moments like witnessing a tranquil sunrise over the ocean while observing majestic whales exhaling golden mist become indelibly etched in the memories of our students, shaping their perspectives for a lifetime.

In a time when the health of our planet faces unprecedented threats from destructive industries and unsustainable practices, the demand for advocates for the natural world is more pressing than ever. In a consumer-driven culture, outdoor recreation often takes a

backseat, necessitating our guidance to introduce individuals to the enriching outdoor lifestyle and its vital role in preserving the environment.

Project Description:

This educational field trip, scheduled for April 3rd to 5th, 2024, will take place on Santa Cruz Island. This experience is a part of the High Adventures program within the Quest Crew, our outdoor education initiative. High Adventures are carefully crafted backcountry excursions aimed at teaching students vital skills for self-sufficiency and preparedness in the great outdoors. Our overarching mission is to kindle a lifelong commitment to environmental stewardship among these young learners.

Participation in High Adventures is restricted to students in 4th grade and above, who have demonstrated their readiness by completing a 5-mile hike alongside our educators. We are limiting the group size to 30 qualified students and their guardians. Our accommodations are secured in group sites A and D within the upper campground, each capable of housing up to 15 people. These campgrounds offer essential amenities like restrooms, picnic tables, and drinking water.

Upon arrival on the morning of the 3rd, our group will receive a comprehensive briefing from the National Park Ranger before embarking on our journey to the campsite. During our stay on the island, we have an exciting itinerary planned, which includes an ecology hike to Smuggler's Cove on the first day, a group sea kayaking adventure on the 4th in collaboration with Channel Island's Kayaking, and a captivating sunrise hike to the Potato Harbor overlook on the 5th.

Throughout the trip, our dedicated outdoor educator will provide valuable lessons on responsible backcountry practices. These topics encompass proper food storage and disposal, the environmental impact of camping, sourcing safe drinking water, orienteering, and risk assessment. Additionally, our lessons will delve into subjects unique to the island, such as the remarkable and delicate species that inhabit the ecosystems of the Channel Islands. This includes discussions on island dwarfism, endemism, geological features, and the historical impact of human presence on the island.

The core objective of this project is to bridge urban families with the natural world through hands-on experiential education. The remote setting of this trip offers an exceptional opportunity to connect with nature, free from the distractions of modern technology. On Santa Cruz Island, there are no Wi-Fi or power outlets, only the soft glow of distant city lights on the horizon. We are committed to ensuring equitable access to this life-enriching experience for all our participating families. Your generous funding support will make it possible for youth from lower socioeconomic backgrounds to partake in this extraordinary and transformative journey.

This project has the potential to be a truly transformative experience for our students, opening their eyes to the wonders of the natural world and fostering a deep, lifelong connection to environmental stewardship.

Project History and Future:

This project will be new. We hope to integrate this project yearly within our school to allow students to learn about our Oceans, how to protect our oceans and wildlife, and the protection of the environment and wildlife. We would like to apply for this grant each year, but if not available, we would ensure that the trip takes place with fundraising for students and donations to our non-profit organization.

Tracking and assessing your impact:

The evaluation of this educational experience will be conducted through a structured process involving student self-reflection and journaling throughout the excursion. Students will be tasked with formulating learning objectives by framing a series of questions and personal inquiries at the outset of the trip. Subsequently, as the excursion unfolds, students will document their discoveries within their journals, employing both written and visual representations, such as drawings.

Upon the culmination of the journey, participants will engage in individualized debriefing sessions with our educators to assess their acquired knowledge and insights. Additionally, students will be required to compose a comprehensive final reflection on their overall experience, consolidating their observations and personal growth throughout the excursion.

The academic assessment process will be further augmented by the incorporation of photo and video documentation of the trip. These multimedia materials will serve as valuable visual evidence, showcasing students' active engagement with the natural environment and capturing the essence of the adventurous spirit that the excursion endeavors to instill.

The **National Honor Society** chapter of **Elite Academic Academy** is a duly chartered and affiliated chapter of the National Honor Society.

Membership is open to those students who meet the required standards in four areas of evaluation: scholarship, leadership, service, and character. Students are selected for membership by a majority vote of a 5-member Faculty Council, appointed annually by the principal, which bestows this honor upon qualified students on behalf of the faculty of our school each November. The chapter adviser, Jessica Yazdani, is also appointed by the principal and facilitates all selection procedures and chapter activities during the year.

Students in grades 10-12 are eligible for membership. For the scholarship criterion, a student must have a cumulative GPA of 3.0 or better on a 4.0 scale. Those students who meet this criterion are invited to complete a **Candidate Form** that provides the Faculty Council with information regarding the candidate's leadership and service. A history of leadership experiences and participation in school or community service is also required.

To evaluate a candidate's character, the Faculty Council obtains additional professional input. First, official school disciplinary records are reviewed. Second, members of the faculty are requested to provide their professional reflections on a candidate's service activities, character, citizenship, and leadership. These forms and the Candidate Forms are carefully reviewed by the Faculty Council to determine whether each candidate meets the criteria for membership. A majority vote of the Council is necessary for selection. Following a review of the results of the Faculty Council voting by the principal, candidates are notified regarding selection or non-selection according to a predetermined schedule.

Once the notification process is completed, a formal induction ceremony is held at the school to recognize all the newly selected members. Once inducted, new members are required to maintain the same level of performance (or better) in all criteria that led to their selection. This obligation includes regular attendance at chapter meetings held monthly during the school year, and participation in the chapter service projects(s). Students or parents who have questions

regarding the selection process or membership obligations can contact the chapter adviser, Ms. Jessica Yazdani at JYazdani@eliteacademic.com.
