UNLOCK THE EXTRAORDINARY

October Celebrations

This month has been dedicated to data gathering as we conclude our beginning-of-the-year assessments, analyze our CAASPP results, and tailor our educational approach for each student. Our staff has been working tirelessly, including concluding the first Learning Period of the traditional year with hours spent meeting with families to review progress, data, and ensure success for the remainder of the year. Professional development remains a key priority, with a focus on tactical planning for leadership, mental health, and suicide awareness for both staff and students. Our business and operations team is actively collaborating with our partner firm CLA to complete the 2022-23 audit. Our academies are hosting more in-person events and working to build our #BeElite culture. Elite X continues to support our staff with cutting-edge professional development that brings our Portrait of a Learner to life.

OPERATIONS

WE HAVE RECEIVED THE FANTASTIC NEWS THAT OUR 2022/23 ANNUAL COMPLIANCE AUDIT HAD NO FINDINGS!

ADMISSIONS

The Admissions team has continued to work on enrolling many students from our waitlist. We have been successfully using our new enrollment application for these enrollments. The team has also worked to collect immunization documentation needed for students who were pending this information. Our Admissions Lead Chad Lumanlan has been working hard to collect all cumulative files for new students who have started with us this year.

The team also continues to work on collecting and recording information from our Back to School packet. This ensures that parents read and sign off on our Student/Parent handbook and complete the Home Data Collection form which is important for funding. **With the past 48 hours of teacher involvement, we have received over 150 packets. We anticipate at least a 95% completion rate of these packets.**

COMPLIANCE

The compliance team has begun auditing LP1 and LP3. New this year, the team created our first “compliance” newsletter that reminds staff of important items when creating files, such as common mistakes and important dates. The newsletter received positive feedback so we plan to continue to create and share these prior to the end of each LP. **Also new this year, each academy will have liaisons that will work closely with our team to support teachers with corrections.** Danielle Zankich and Amberlee Potrero have worked with Michelle Wood to create a Monday.com board to be used for communication with teachers regarding compliance file corrections. We are excited for these additions to our process and believe they will help all around.

STATE REPORTING

Next up is our CBEDS reporting which will include all of our classified staff, along with program specifics. Vincent Heredia, our Operations Lead, is working hard to get all data in order for Fall 1 Reporting which includes demographic information of all our students, SSIDS and Direct Certification information. He will also be working closely with our SPED department to ensure all deadlines are met for our Fall 1 reporting period.

SHOUT OUTS

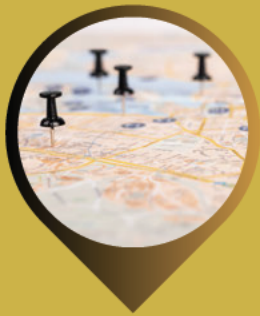

We have received the fantastic news that our 2022/23 annual compliance audit had no findings! This team couldn't be more proud of all the work done over this past year that builds up to this annual audit. We understand that compliance is the least favorite task our teachers have to do and one of the most challenging tasks for our team to audit internally, but all of this hard work and dedication is what brings us to this celebration of a clean audit! A big thank you to the Operations Team for your keen attention to detail!

COMMUNITY RELATIONS

Each party will provide the other proof of such insurance upon request.

VIII. Mutual Indemnification

Each party shall indemnify, defend and hold harmless the other party, the other party’s affiliates, and their respective trustees, directors, officers, employees, students, faculty, agents, representatives, successors and assigns (collectively “Indemnified Parties”) against all damages, claims, actions, liabilities, losses and other expenses, including without limitation reasonable attorney's fees, expert witness fees, consultant fees and other costs, incurred by or asserted against Indemnified Parties, whether or not a lawsuit or other proceeding is filed (“Claims”), that in any way arise out of or relate to (a) the indemnifying party’s acts, omissions, negligence or willful

misconduct with respect to its performance under this Agreement; and/or (b) the indemnifying party's non-compliance with any applicable Federal, State or local laws, rules or regulations with respect to its performance under this Agreement; provided, however, that an indemnifying party's indemnity hereunder shall not apply or extend to any acts or omissions of the other party or its representatives.

IX. Applicable Law

This Agreement shall be governed by and construed in accordance with the law of the State of California.

X. Severability

In the event any provision of this Agreement is held by a court to be illegal, void, or otherwise unenforceable, all other provisions of this Agreement shall continue in full force and effect to the maximum extent permitted by law.

- C. The University and District are independent entities and neither shall have, nor exercise, any control over the means, manner, or method by which the other performs its obligations under this Agreement. Nothing in this Agreement is intended or shall be construed to create an agency relationship, employment relationship, or joint venture between the parties. Neither party may use the other's name in a manner that is reasonably likely to suggest that the two are related without first obtaining the written consent of the other party. Furthermore, neither party intends for this Agreement to alter in any way their respective rights or their legal obligations.
- D. This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof, and supersedes all prior or contemporaneous communications, negotiations, and agreements, written or oral, regarding the subject matter hereto. No modification of or amendment or waiver to this Agreement will be effective unless in writing and signed by each of the parties.

Store and Prepaid Debit Cards Policy

To ensure compliance with the McKinney-Vento Act and specific to Elite Academic Academy, all families receiving store or prepaid debit cards are required to adhere to the following policies and procedures:

1. Contract Agreement:

- Upon receiving any store or prepaid debit card, the family must sign a contract provided by Elite Academic Academy (EAA).
- A designated EAA team member will guide the family through the contract terms, explaining the authorized items that can be purchased and the consequences of acquiring unauthorized items.
- Families must understand that any breach of the contract may result in EAA's inability to provide future assistance.
- It is important to note that these store or prepaid debit cards are intended exclusively for students and not for the entire family.

2. Record Keeping:

- EAA has established a specific form for documenting store or prepaid debit card identification information, as well as the names of the family and student. Families must submit receipts for their purchases, and the provided form will be updated accordingly.

3. Receipt Submission:

- Families are responsible for submitting receipts to the program. Receipts will be submitted by sending a photo of the receipt to the assigned Counselor within one week of card usage.

4. Authorized Purchases:

- Families are limited to using the store or prepaid debit cards for the purposes they were issued.

5. Usage Timeline:

- Families have one week to utilize the store or prepaid debit cards and provide the necessary documentation.
- Reminder text messages will be sent after the one-week period.
- In the event of unforeseen circumstances, families must promptly contact EAA and maintain open communication.

6. Full Utilization of Funds:

- Families are required to exhaust the entire amount specified on the store or prepaid debit cards issued to them.

- If the full amount is not utilized, EAA will continue to send reminders until all funds are spent.

- For example, if a family receives a \$50 store or prepaid debit card for clothing and spends only \$20, EAA will remind them to use the remaining funds and request a receipt for the additional expenditure.

7. Store Card Restrictions:

- Store cards are intended for specific retailers such as Walmart, Chevron, and Vons.

- EAA explicitly labels each store or prepaid debit card with the statement, "Cannot be used to purchase Alcohol or Tobacco Products."

8. Receipt Verification:

- Upon receipt of submitted receipts, EAA will verify the purchases to ensure compliance with the authorized items and to confirm that no unauthorized items were acquired.

- EAA will then complete the store or prepaid debit card form and maintain a record of all receipts for reference.

By following these policies and procedures, families at Elite Academic Academy can effectively utilize store and prepaid debit cards in alignment with the California Educational Code. Compliance with these guidelines will help ensure the appropriate use of these resources for the benefit of our students.
